MADERA POLICE DEPARTMENT

Records Division

March 26, 2026

Dear Ibrahim,

This message is a follow-up regarding your Public Records Act (PRA) request received on February 23, 2026, and our prior correspondence indicating that records would be available by March 25, 2026.

At this time, the search for and review of potentially responsive records is still ongoing. Due to the nature and scope of your request, additional time is required to complete a thorough search and to review any records for responsiveness and applicable exemptions.

The Madera Police Department remains actively engaged in processing your request and is doing so with reasonable diligence. We will provide responsive records in a timely manner or notify you promptly once the review process is complete.

We appreciate your continued patience and understanding. Please feel free to contact our office on 559-6754228 if you have any questions.

Thank you
