Narrative:

[On 6/6/2022, at approximately 0820 hours, I (Officer S. Cohen) was working uniformed patrol in a marked black and white patrol vehicle in the City of Simi Valley. I responded to assist Senior Officer O'Brien and Officer Ellis on a suspicious person call in the 4900 block of Cochran St. A reporting party from that neighborhood described the subject as a Hispanic male, in his 20-30's, wearing a baseball hat, black shirt and khaki shorts. Based on the description, I believed the subject to be Leonard De La Rosa , who was a suspect in a prior call for service earlier that morning (refer to DR# 22-21275 for further details). Based on that prior call, De La Rosa was wanted for 11352(a) PC- possession/transport of drugs for sale (felony).

I responded to the corner of Stearns St and Cochran St at the Chevron gas station. I had a clear line of sight into the rear of Little Explorers Daycare (5165 E Cochran St.). While watching the rear of that location, I observed De La Rosa walking inside the playground of Little Explorers . I yelled at him to stop and identified myself as a Police Officer. When I announced myself as Police Officer, De La Rosa turned and looked at me. Once De La Rosa acknowledged my presence, he began to run southbound towards Cochran St. I gave chase and hopped multiple fences to catch up with De La Rosa. I caught up with him in the Southwest corner of Littler Explorers playground, which was walled off with a 6-foot-high cement wall. As soon as I came around the corner and made contact with De La Rosa, he turned and reached for his waistband. After reaching towards his waistband, he raised both arms straight out and acted like he was pointing a gun at me, however, I did not see anything in his hands. At this point my gun was drawn and pointed at De La Rosa. I gave him numerous commands to stop but he continued to evade me and tried climbing the brick wall. De La Rosa was unable to traverse the wall and turned back around towards me. He reached towards his waistband again and raised both of his arms straight towards me, as if he was pointing a gun at me. At that point, he said something to the effect of "I want to die." I did not observe anything in his hands and I did not discharge my firearm. I kept my distance from him as he started to walk back towards the area where we came (northbound in the playground).

During my pursuit of De La Rosa, I attempted to climb a 4-foot high chain link fence. In the process of climbing the fence, I slipped and landed on my back.

I was able to stand back up and continue the foot pursuit.

As soon as De La Rosa put both of his arms down after gesturing he had a gun, I quickly transitioned from my firearm to my Taser7 CEW (Conductive Electronic Weapon). De La Rosa started to run northbound through the playground. I gave chase and caught up with him at the northbound wall. I ordered him to stop or

I would tase him. Specifically, I said "stop or you're going to be tased." He did not stop and continued walking away from me. I was roughly 15-18 ft away from De La Rosa when I deployed my Taser. The Taser deployment was successful and De La Rosa fell forward to the ground.

When I aimed my Taser, it was at De La Rosa's belt line. Based on the functionality of the Taser, the probes would disperse between his lower back and lower leg. However, upon deployment, the probes split between his left earlobe and his left lower back/side of back. This was due to De La Rosa

actively moving away from me. Based on his movements (actively moving away from me), the probes were displaced. I only activated my Taser for one 5-second cycle.

Things I considered prior to deploying my Taser:

- De La Rosa was actively being pursued and was actively resisting my lawful orders.

-De La Rosa's erratic behavior, including him motioning to me (arms extended) as if he had a firearm and asking me to shoot him.

-We were inside the premises of a Daycare facility during working hours. This led me to believe there were children present inside of the school at the time of the incident.

-De La Rosa was wanted for a Felony crime and had brass knuckles inside of his vehicle from the prior contact. This led me to believe he may be armed at the time of my encounter with him.

-I was alone in the playground with De La Rosa, who is larger than me. He was 6'4, roughly 220 pounds. A hand to hand fight with De La Rosa could have led caused serious injury to myself.

-Based on De La Rosa's behavior (irrational thinking, impulsive behavior, incoherent speech) I believed he was under the influence of a controlled substance. Based on my training and experience, controlled substances could raise a person's pain tolerance.

Based on the foregoing summary, I deemed the safest course of action for myself and De La Rosa was to deploy my Taser.

Immediately after De La Rosa landed on the ground, Officer Williamson climbed

the wall and landed in the playground (refer to Officer Williamson's report for further details). We both approached De La Rosa and placed him in handcuffs. De La Rosa was placed under arrest for 148(a)(1) PC- delay or obstruct a peace

officer. We immediately sat him up and I requested for Fire and AMR to respond to my location. De La Rosa was treated for injuries sustained during the incident. At the scene of the incident, I observed a laceration to his left

eye. Additionally, his left eye was swollen. After being scene by an ER Doctor at Simi Valley Hospital, De La Rosa was diagnosed with an orbital fracture to his left eye socket and a left cheek fracture.

Due to De La Rosa being released from custody for medical reasons, I have submitted warrant declaration for the charge listed above.

Case status: closed/ warrant requested]

Narrative Text

Type CASE SUMMARY
Subject O'BRIEN SUPPLEMENTAL
Author 397 - OBRIEN JEFFREY
Related Date Jun-07-2022 9:31

On 06-06-2022 I was working uniformed patrol in a marked police vehicle in the City of Simi Valley. At approximately 0825 hours, I was dispatched to the area of 4974 E. Cochran St. SVPD Communications advised a male that matched the description of a felony suspect, Leonard Delarosa from an earlier call was seen jumping into, and out of, backyards across from 4974 E. Cochran St.

Shortly after I arrived, SVPD Commuications advised another citizen caller advised Delarosa had jumped a wall and was headed toward Stearns St. I responded to the parking lot of ARC and checked the area. I checked the playground area behind the KinderCare and saw Delarosa. He was standing along the east wall on the north side of the playground. The playground is fenced in with a brick wall with a few iron gates. I could see Delarosa through the gate and I called out to him by name. I was on the west side of the wall. I told him to come to me. Delarosa began walking south along the east wall. I directed units to the east side of the wall to keep Delarosa contained.

At this time, I considered that the daycare was probably open, with children inside as it was after 0800 hours on a Monday morning. I could not see any children in the outside area, but believed they were inside the building.

I continued to try and get Delarosa to come to me, but he continued walking south and was approaching the daycare building. I told him several times to stop and also told him he would get tased. I lost sight of him and I headed south. A few seconds later, Delarosa began to climb over the wall on the southwest side on the daycare. I grabbed him as he was climbing over, but he pulled away and stayed inside the walled daycare / playground area.

Officer Williamson arrived just after this and I could hear Officer Cohen yelling commands to Delarosa. I looked through the gate on the south side of the wall and saw Delarosa walking north along the west wall. I saw him extend his hands and arms, as if he had a gun, toward Officer Cohen. I could see Officer Cohen with his gun out and could hear him yelling commands at Delarosa. I told Officer Cohen to tase Delarosa.

I went to the front of the daycare to enter the yard. As I did, I could hear a loud "pop" that I believed was a taser being deployed. I went through the daycare and into the playground area. Officer Cohen and Officer Williamson had Delarosa in handcuffs, in a seated position. Delarosa had an injury to his chin and left eye.

I photographed Delarosa and the surrounding area.

Case Status: Supplemental.

Subject DELAROSA, LEONARD JOSEPH
Author 332 - BUI DUY (RETIRED)
Related Date Jun-06-2022 11:40

On 6/6/2022 at approximately 0702 hours, I was working uniformed patrol as the Field Supervisor for the Simi Valley Police Department. I responded to a radio call of an Indecent Exposure call (GO #22-21275) at Rancho Santa Susanna Park, located at 5005 E Los Angeles Ave. The suspect was described as a Hispanic male adult, approximately 25 years old, wearing a black baseball cap, dark colored shirt and tan shorts. The suspect was standing next to a black sedan with the door open in the parking lot. When I arrived, I spoke with Park Ranger Jim Rosales who told me he had detained the male suspect who identified himself as Leonard Delarosa. During his contact, Park Ranger Rosales saw the suspect pull a set of brass knuckles and a bag of possible methamphetamine out of his pockets. However, the suspect fled from him on foot (see Park Ranger Rosales' report for details).

I spoke with Senior Officer O'Brien who told me the suspect had fled and was hiding in the backyards of residences west of the park and between Leeds St and E Los Angeles Ave. Based on the fact that we knew the identity of the suspect and did not have a tight perimeter on the area, we did not continue the search for the suspect. Afterwards, Park Ranger Rosales searched the suspect's vehicle and found additional narcotics. Senior Officer O'Brien later booked the brass knuckles and narcotics into evidence.

At approximately 0820 hours, I was on an unrelated call when I heard Dispatch broadcast a Suspicious Incident Just Occurred (GO #22-21293). The caller from 4974 E Cochran St reported a Hispanic male adult, approximately 25 to 30 years old, wearing a black shirt and khaki pants, hopped through their yard into another yard and then eastbound on E Cochran St. Another caller reported a Hispanic adult male, approximately 25 years old, wearing a black baseball cap and khaki shorts jumped a fence heading eastbound towards Stearns St. This suspect's description matched the suspect description from the previous radio call, so I responded.

While I was en route, I heard responding officers located the suspect to the rear of KinderCare (currently Little Explorers Preschool Academy) located at 5165 E Cochran St. I arrived and saw the suspect, Leonard Delarosa (DOB: 10-27-92) seated on a cement area in the rear playground of the preschool. Ventura County Fire Department and AMR personnel were tending to his injuries. They pulled the Taser probes from his left ear and lower left back area. Park Ranger Rosales came to the scene and positively identified Delarosa as the same suspect who fled from him. Delarosa was then transported to Simi Valley Hospital Emergency Room.

I then spoke with Officer S. Cohen, who had deployed the Taser. Officer S. Cohen told me he contacted Delarosa in the rear playground of the preschool and ordered him to stop, but Delarosa refused and ran from him. He chased Delarosa southbound toward the front of the preschool. Delarosa turned around, made a motion like he was holding a gun, and pointed at Officer S. Cohen. Officer S. Cohen saw Delarosa did not have a gun and continued to chase Delarosa as he ran northbound in the playground. Officer S. Cohen then deployed his Taser, which struck Delarosa who fell forward onto the cement. Officer S. Cohen and Officer Williamson took Delarosa into custody.

I checked area, but did not find any surveillance cameras that covered the playground of the preschool. I checked the adjacent business, the Arc of Ventura County, located at 5143 E Cochran St, but did not find any witnesses.

I located who witnessed the incident.
told me the following:

she saw the suspect run northbound past her windows (w/ side). She went out the door (w/ side) and saw the suspect heading northbound in the playground. She also saw police officers further north in the playground, telling the suspect to stop. She went back and initiated a lockdown. The suspect came back into view through her windows. He was holding up his hands and fingers like he had a gun and pointed towards someone outside.

I went to the Simi Valley Hospital Emergency Room and contacted Delarosa. He had an approximate 1 inch laceration to his left eyebrow and an approximate 1-inch circular abrasion on his chin. He also had an approximate 1-inch fresh abrasion to his right lower leg. He also had several abrasions on his legs, arms, and back which appeared to be older. I took photos of his visible injuries and later uploaded them to evidence.com.

I admonished Delarosa of his Miranda rights from my Department issued notebook and he waived. He was unable to stay alert and kept nodding off during the admonishment and questioning. His eyelids were droopy and his speech was quiet, slow, and slurred. He appeared to be under the influence of narcotics. Delarosa stated he did not steal anything and did not know why the officers stopped him. He heard the police officers telling him to stop, but he admitted he did not stop. He was unable to answer further questions due to his altered state.

Delarosa underwent additional medical scans and the Emergency Room doctor determined he had a fracture to his cheekbone and orbital area.

I later reviewed the Body Worn Cameras (BWC) for Officer S. Cohen, Officer Williamson, and Senior Officer O'Brien. The footage was consistent with Officer S. Cohen's statement.

SIMI VALLEY POLICE DEPARTMENT STANDARD EVENT NARRATIVE
==========
BWC: [Yes] Other Video: [No] Other Audio: [No] Photo: [No]
Type of incident:[supplemental]
==========
Incident Narrative:
[On 06/06/22, I (Officer Williamson) was working uniformed patrol while operating a marked black and white police vehicle for the Simi Valley Police Department. I was equipped with a body worn camera (BWC) for the duration of my shift. At approximately 0831 hours, I responded to a suspicious incident

that just occurred at 4974 Cochran Street. The initial call comments indicated

a male hopped through the reporting party's yard into another yard and then E/B on Cochran St. into the Milestone Condos. The subject was described as a

Hispanic male approximately 20-30 years of age, wearing a black shirt and khaki pants which matched the description of Leonard Delarosa.

Delarosa was a felony suspect from a previous call earlier in the day. Delarosa was wanted for 11352(a) H&S (possession for sales) and 21810 PC (possession of metal knuckles). Prior to my arrival SVPD Communications advised that another citizen called advising that Delarosa hopped a wall to head toward Stearns St. Senior Officer O'Brien located and identified the subject as Leonard Delarosa near Little Explorers Preschool Academy (5165 Cochran St.).

Delarosa ran from Senior Officer O'Brien and he had units set up to the East of

the Little Explorers Preschool. I met with Officer S. Cohen who was at Chevron gas station (2449 Stearns St.). Officer S. Cohen put out over the radio that Delarosa was in the rear of Little Explorers Preschool jumping over fences. I

then drove from Chevron to the south parking lot of Little Explorers Preschool. I exited my vehicle and located Delarosa in the play area of the preschool.

Delarosa ran toward me but there was a locked fence in between us. I gave

Delarosa commands to stop and he turned away from me and faced Officer S. Cohen

who was approximately 15 feet away from him. Delarosa simulated drawing out with both hands as if he were holding a firearm and pointed it at Officer S. Cohen. Since Delarosa was facing away from me I could not see if he had an object in his hands. Delarosa then turned his body and I could see his hands were empty. Officer S. Cohen continued to give Delarosa commands to stop. Senior Officer O'Brien advised Officer S. Cohen to tase Delarosa. Delarosa then walked away from the fence and Officer S. Cohen kept his distance from him. I then ran to the west wall and I jumped over the wall to assist Officer Cohen. While jumping over the wall I heard a loud pop which I believed was Officer S. Cohen deploying his taser. While jumping down from the wall into the play area, I saw Delarosa fall to the ground due to being tased by Officer S. Cohen. I assisted Officer S. Cohen in detaining Delarosa in handcuffs. After placing handcuffs on Delarosa, I and Officer S. Cohen placed him in a

seated recovery position. Delarosa was bleeding from an injury to his face and we stood by until VCFD and AMR personnel arrived. When VCFD and AMR personnel arrived, they wrapped Delarosa's wound in guaze. AMR transported Delarosa to the Simi Valley ER to be further treated.
