Re: Public Records Request

Dear Ayyub Ibrahim,

The City of Livingston ("City") is in receipt of the Public Records Act request you submitted, received on May 07, 2026 ("Request").

The City intends to cooperate to the fullest extent possible with the Public Records Act ("PRA"). (Government Code section 7920.000 et seq.) Under established California law, the City is obliged to comply with a request for a public record so long as the requestor makes a specific and focused request for the record, that record is maintained by the City in its ordinary course of business, the record is disclosable, and the record can be located with reasonable effort. The PRA provides for the inspection or copying of existing identifiable public records; it does not compel the City to respond directly to questions, requests for information, or create new records, lists, or reports in response to a request.

On May 21, 2026, City determined that it possesses non-exempt records responsive to your Request. The City is now providing records responsive to your Request attached to this correspondence.

The City withheld certain information due to the confidentiality of police personnel records. Penal Code section 832.7(a).

With this letter and production, the City considers your Request complete. If you have any questions, regarding the City's response or would like to discuss your Request, you may contact me by email at dsoria@livingstonca.gov or (209) 394-7916 ext. 222.

Thank you and we appreciate your understanding.
