ISSUE, BACKGROUND, ANALYSIS, & RECOMMENDATION

ISSUE:

The matter is before the Peace Officer Standards Accountability Advisory Board (POSAAB) for review and recommendation regarding the Respondent's peace officer certification status.

BACKGROUND:

Respondent began his employment with the Los Angeles Police Department on February 22, 2016. At the time of the captioned incident, the Respondent was a police officer with the Los Angeles Police Department, which is a peace officer position as defined under California Penal Code 830.1(a) and is required to be certified pursuant to California Penal Code 13510.1(a). As of the date of this hearing, Respondent remains employed by the Los Angeles Police Department as a police officer.

On December 18, 2021, the Victim walked out of his residence holding a kitchen knife, reportedly threatened members of the community, and then sat idle on the steps of a neighboring residence while holding the knife to his neck. Officers assigned to LAPD’s Newton Patrol Division (NPD) and Newton Gang Enforcement Detail (GED) responded to the “attempt suicide” call for service within minutes and contained the Victim. The Respondent and his partner responded to the incident, established a perimeter position, and were designated by the

on-scene incident commander as lethal cover officers.

After approximately 13 minutes of de-escalation efforts, the Victim stood up and took four slow steps forward and then stopped. This movement triggered LAPD's deployment of a less-lethal projectile, which struck Victim in the hip. Nearly contemporaneously (.382 seconds after the less-lethal deployment), from a distance of approximately 25 feet and behind the cover of a police vehicle, Respondent's partner fired three rounds from his service pistol, striking the Victim. Approximately .322 seconds after Respondent's partner discharged his third round, Respondent fired a single round from his service pistol, from a distance of approximately 28 feet and behind the cover of his police vehicle. The Victim was detained but ultimately succumbed to the injuries sustained from the use of force.

LAPD's Force Investigation Division (FID) investigated the Officer Involved Shooting and found that the Respondent's actions were not objectively reasonable, proportional, or necessary. Ultimately, Respondent received a 5-day suspension with loss of pay and benefits. In July of 2025, the City of Los Angeles settled the resulting wrongful death suit filed by the Victim's family in the U.S. District Court for the Central District of California and paid the family $8,000,000.

As of April 2026, the Los Angeles County District Attorney's Office's Justice System Integrity Division has not reached a charging decision and continues to review the incident with the assistance of an independent police oversight firm. Based on an analysis of the results of the LAPD Force Investigation Division (FID) and Complaint Investigations, recommendations of the Use of Force Review Board (UOFRB) and the Chief of Police (COP), and a detailed review of multiple Body Worn Video (BWV) perspectives of the Officer Involved Shooting (OIS), the Division determined that the Respondent engaged in serious misconduct as defined in California Penal Code § 13510.8(b)(3) and Commission Regulation § 1205(a)(3) - physical abuse, including, but not limited to, the excessive or unreasonable use of force.

- **BR16 POST2311373 Quintanilla Julio Attachment O Officer 1 BWC**

ANALYSIS:

The Division determined there was clear and convincing evidence that Respondent engaged in serious misconduct as defined in California Penal Code § 13510.8(b)(3) and Commission Regulation § 1205(a)(3) - physical abuse, including, but not limited to, the excessive or unreasonable use of force. This misconduct is evidenced by Respondent's discharge of one round at the Victim, who posed a danger only to himself and did not present an imminent threat to the Respondent or others. Respondent's actions demonstrated a disregard for public safety and were inconsistent with the duties and responsibilities of a peace officer. Accordingly, the Division finds that Respondent's conduct constitutes serious misconduct, warranting revocation or suspension of his POST peace officer certification.

RECOMMENDATION:

The Peace Officer Standards Accountability Advisory Board (POSAAB) shall review the findings of investigations presented by the Peace Officer Standards Accountability Division (POSAD) and make a recommendation regarding what action should be taken, suspension or revocation, on the certification of the subject peace officer.
