ISSUE, BACKGROUND, ANALYSIS, & RECOMMENDATION

ISSUE:

The matter is before the Commission for review and action regarding the subject peace officer's certification status. The Commission shall return any determination requiring action to be taken against an individual's certification to the division, which shall initiate proceedings for a formal hearing before an administrative law judge in accordance with the Administrative Procedure Act (Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code), which shall be subject to judicial review as set forth in that Act.

BACKGROUND:

On August 4, 2024, Respondent was arrested by a Folsom Police Officer for violating California Vehicle Code sections 23152(a) [driving under the influence] and 23152(b) [blood alcohol content of .08% or greater]. Respondent's BAC measured .11% by volume. On June 11, 2025, Respondent was convicted of California Vehicle Code section 23152(b), driving under the influence with BAC of .08 or greater. Additionally, on April 16, 2016, California Highway Patrol Officer Fuhrman arrested Respondent for violating California Vehicle Code sections 23152(a) and 23152(b), DUI. Respondent's BAC measured .12 by volume. On July 16, 2016, Respondent pled no contest to a misdemeanor violation of Vehicle Code section 23152(a).

ANALYSIS:

The Division determined there was clear and convincing evidence that Respondent engaged in serious misconduct as defined in California Penal Code 13150.8(b)(6) and Commission Regulation 1205(a)(6) -acts that violate the law that are sufficiently egregious or repeated as to be inconsistent with a peace officer's obligation to uphold the law or respect the rights of members of the public. Impaired driving and repeated acts of impaired driving are acts that violate the law that are both sufficiently egregious and also sufficiently repeated as to be inconsistent with Respondent's obligation to uphold the law or respect the rights of members of the public. As an officer who is charged with enforcing California law, including the Vehicle Code, Respondent's actions in driving impaired on two occasions establish he engaged in in serious misconduct.

RECOMMENDATION:

The Commission shall review recommendations made by the Peace Officer Standards Accountability Advisory Board (POSAAB) regarding what action if any, should be taken, suspension or revocation, on the certification of the subject peace officer. The Commission's decision to adopt a recommendation by POSAAB to seek revocation shall require a two-thirds vote of Commissioners present and shall be based on whether the record, in its entirety, supports POSAAB's conclusion that serious misconduct has been established by clear and convincing evidence. In any case in which the Commission reaches a different determination than POSAAB's recommendation, it shall set forth its analysis and reasons for reaching a different determination in writing.
