Cardenas: Did Robledo give you any indication that he might have been mistaken or confused as to what you guys were asking him about?

Easter: No, not at all.

Cardenas: That is all the questions I have. Is there anything else you feel would be relevant to this investigation?

Easter: No, I don't have anything else.

Cardenas: Okay, sir, and at this time, we'll go off record. The time is 10:48 a.m.
