Re: Public Records Request of May 13, 2026. Reference #: P002593-051326

Dear Ayyub Ibrahim,

The 10-day period mentioned in the Government Code §7922.535 is not a deadline for producing records. Should the request be voluminous, or require research, or computer programming, the Santa Barbara County Sheriff's Office may need a reasonable amount of time to research, review, and inspect records prior to release; therefore, it may take longer before the records can be made available. Upon receipt of your request, Santa Barbara County Sheriff's Office will make every effort to keep you apprised of response timeframes.

Therefore, this email is to inform you that Santa Barbara County Sheriff is requesting a 14-day extension for your request.

We appreciate your patience, as we continue to searchfor the records you are seeking.

You can reply to this email with questions or send a message by logging into our online Public Records Center.

Sincerely,

Kyle Wells
