Narrative:

[Source of Activity:

On 8-2-24 at approximately 0345 hours, I (Officer Chavez) was on uniformed patrol wearing class B 5.11 long sleeves with Simi Valley Police patches, a Police Officer badge, name plate, body worn camera and duty belt.

I was operating a marked black and white police vehicle (Unit 39). I conducted a check of my patrol vehicles emergency lights/siren (solid forward facing red

light) at the start of my shift and confirmed the equipment was in good working order.

Investigation:

I was driving westbound on Los Angeles Ave. passing Stearns St. when I observed a male wearing all black holding a bicycle to the south side of Denny's, America's Diner (5197 Los Angeles Ave.). I drove my patrol vehicle into the Denny's parking lot to contact the subject, however, he immediately fled the area on his bicycle.

As I circled from the north side of Denny's, back onto Stearns St., I observed the male ride his bicycle southbound into the intersection of Stearns St. and Los Angeles Ave. against a solid red light, a violation of 21453(A) VC-Failure to Stop at a Red Light. I also saw the subject begin to ride his bicycle southbound in the opposing northbound lane of Stearns St., a violation of

21650.1 VC-Bicycle Wrong way. I then observed the subject ride his bicycle onto

the east sidewalk of Stearns St. just south of Los Angeles Ave., a violation of 4-3.22 SVMC-Bicycle Prohibited on Sidewalk (21206 VC).

Based on the suspicious nature of the subject's flight and the aforementioned vehicle code violations, I elected to conduct an enforcement stop for further investigation. Upon activating my code three lights (forward facing solid red

light) the subject began to peddle faster. I recognized the male was attempting to flee from me into the wash at the dead end of Stearns St.

As the subject looked back towards my patrol vehicle, I immediately recognized him as Jonathan Albert Maldonado, from his previous booking photograph. I had knowledge Maldonado is on active parole with his status listed as a Parolee at Large with a felony warrant for his arrest (Original Charges include 459 PC-Burglary & 10851(A) VC-Unlawful Driving/Taking of Vehicle). I also had

knowledge from speaking with SVPD Officers who have previously arrested Maldonado, that he has a tendency to flee from law enforcement.

As Maldonado fled southbound, he repeatedly looked back at my patrol vehicle and was yelling unintelligbly at me. I was unable to overtake Maldonado and prevent him from entering the wash (bike path). Maldonado successfully made it into the wash and began traveling eastbound. I radioed my observations to SVPD Dispatch, which included Maldonado's clothing description and requested additional SVPD Officers to respond to the area in an attempt to locate Maldonado.

A short while later Officer Johnson and Officer Waldrop observed Maldonado run across Yosemite Ave. into the Sage Creek apartment complex (1750 Yosemite Ave.). With Maldonado's last known location being broadcast, a perimeter was established. Refer to Officer Johnson and Officer Waldrop's supplemental reports for further regarding their observations and subsequent actions.

I took up a position to the north of the apartment complex and after several

minutes, I heard a noise over a wall east of my location. Upon looking over the adjoining wall I observed Maldonado attempting to jump a wall into the west parking lot of Ventura County Fire Station 43. I ordered Maldonado to stop, however, he failed to follow my command and fled the area. I subsequently broadcast my observations to SVPD Dispatch.

Officer Quirke and Officer Ros ultimately captured Maldonado after he fled on foot northbound across Los Angeles Ave. east of Yosemite Ave. Refer to Officer Quirke and Officer Ros' supplemental reports for further regarding their observations and subsequent actions.

I arrived to this area and took custody of Maldonado.

During a search incident to arrest, in addition to Maldonado's parole status, Officer Grant informed me a useable amount of Heroin was located in his backpack, a violation of 11350(A) HS. Hypodermic needles, which are used to inject controlled substances such as Heroin (drug paraphernalia) were located in the backpack as well, a violation of 11364(A) HS. Refer to Officer Grants supplemental report for further regarding the discovery and disposition of the evidence.

Arrest:

Based on the totality of the circumstances, I formed the opinion Maldonado was

aware of his outstanding warrant and attempted to evade several uniformed Law Enforcement Officers. Therefore, I placed him under arrest for 148(A)(1) PC-Resist/Obstruct/Delay Peace Officer, in addition to 11350(A) HS-Possession

of Controlled Substance (Heroin), 11364(A) HS-Possession of Drug Paraphernalia, 3056 PC-Violation of Parole and his warrant.

Medical:

American Medical Response (AMR) was summoned to the scene assess/transport Maldonado as he was injured during this incident. I rode with AMR to the Simi Valley Hospital, where Maldonado was medically cleared for booking by medical personnel.

Statements: Jonathan Albert Maldonado

While at the Simi Valley Hospital I read Maldonado his Miranda Rights from my department issued card and obtained a brief statement.

I asked Maldonado if he was aware I was attempting to stop him in the area of Stearns St. He acknowledged my patrol vehicle during this attempted detention

and stated he didn't want police contact. Maldonado also added he wanted to see "how fast" the bicycle he was riding was. Maldonado also expressed he had a "feeling" that he had a warrant for his arrest.

I concluded my interview with Maldonado.

Booking:

I transported Maldonado to the Ventura County Sheriff's Office Pre-Trial Detention Facility, where he was booked for the aforementioned charges without further incident.

Additional:

Sergeant Colato was notified and responded to this incident.

Maldonado's backpack was booked at SVPD for safekeeping.

Case Status: Cleared by Arrest.]

On 8/2/24 at approximately 0345 hours, Officer Chavez #5000 attempted to stop a bicyclist in the area of Stearns St. and Los Angeles Ave. The bicyclist fled from Officer. Chavez and a perimeter was established. Officer Chavez advised responding units the suspect was identified as Jonathan Maldonado, a parolee at large with a felony warrant. He was described as wearing a black t-shirt, black shorts and had a black backpack on.

At approximately 0406 hours, SVPD units located Maldonado running through an apartment complex in the area of Yosemite Ave and Los Angeles Ave. At this time, I (Officer Quirke) assumed a perimeter position on the northeast corner of VCFD Fire Station 43, at the corner of Los Angeles Ave and Oak Rd. I was driving a marked black and white police car with my overheard emergency lights activated. Additionally, I was wearing a complete SVPD police uniform equipped with a badge and two SVPD shoulder patches which identify me as a Police Officer. At approximately 0414 hours, I observed Maldonado jump the northeast wall of Station 43 onto Los Angeles Ave.

As Maldonado scaled the wall, I yelled out "Police! Stop!" Maldonado then began running north across Los Angeles Ave. I yelled out again "Police Department! Stop!" In a final attempt to de-escalate the situation and prevent any further resistance, I yelled again "Police Stop!"

Maldonado failed to listen to any of my command and continued to run away from me. I pursed Maldonado on foot and grabbed ahold of his body. When I grabbed him, both of us fell to the ground. Maldonado was then handcuffed and pat searched for weapons which yielded no results. While falling to the ground, Maldonado sustained a facial laceration which he was treated for at Simi Valley Hospital.

On 08-02-2024, at approximately 0345 hours, Officer Chavez #5000 initiated a traffic stop on a bicyclist in the area of Suntree Ln and Stearns St. The bicyclist failed to yield and fled from Officer Chavez east bound through the Arroyo (Wash). Officer Chavez identified the suspect as Jonathan Maldonado.

I responded to the area to assist in area check for Maldonado. I searched the area of the Metro Link and the railroad track just south of. I was unable to locate Maldonado. Officer Waldrop #478 observed Maldonado sprint past him east bound into the Yosemite Apartment Complex (1690 Yosemite Ave). I placed myself on the outer perimeter south east of the complex on Oak Rd.

Shortly after, Officer Quirke #5050 apprehended Maldonado. I conducted a search incident to arrest of his back pack. During the search I located a blue pencil box. Inside was three hypodermic needle, a bent silver spoon with burnt black substance (Heroin), and a clear baggie with a usable amount of black tar like substance inside. Based on my training and experience I was able to determine the substance was Heroin. All items were photographed and booked as evidence at the Simi Valley Police Department.

Officer Supplemental.

Incident Narrative:
[ON 08-02-2024 at approximately 0345 hours, I (Officer Ros #5040) was working uniformed patrol in a marked black and white Simi Valley Police Department

vehicle (22) while equipped with a body worn camera. I responded to the area of Yosemite and East Los Angeles Ave to establish a perimeter for a parolee at large, Johnathan Maldonado.

Upon my arrival, I assumed a perimeter position at the main driveway of Ventura County Fire Department Station 43 facing south. While there, I heard Officer Quirke yell "Police, Stop!" and broadcast over the air Maldonado was on the north side of the Fire Station.

I looked to the east and observed Maldonado, wearing all black clothing, running northbound across East Los Angeles Ave with Officer Quirke in hot pursuit telling Maldonado to "Stop!"

Maldonado ran completely across East Los Angeles Ave and into the east lot of Starbucks. Officer Quirke quickly caught up to Maldonado and wrapped his arms around him. The pair then fell to the ground.

I then assisted Officer Quirke in placing Maldonado in handcuffs. When the pair fell to the ground, Maldonado sustained a laceration to his face. American

Medical Response Paramedics were requested to treat Maldonado for his injuries.

On 08/02/2024 at 0345 hours, I (Sgt. Colato) was working as the field supervisor for watch 1 when I arrived at Yosemite Ave. / Los Angeles Ave. to assist officers who were searching for a subject, later identified as, Jonathan Maldonado. Jonathan had a felony warrant out of Los Angeles County and was currently listed as a, "Parolee at Large."

Officer Chavez attempted to contact Jonathan, who he had known from previous contacts and upon identifying himself to Jonathan as a Police Officer, Jonathan ran and a perimeter was quickly established. When I arrived at the location to establish a Command Post, I heard Officer Chavez advise the perimeter officers that Jonathan had just jumped the east wall of the Sage Creek Apartments (1930 Yosemite Ave.) and was last seen to the rear of the Ventura County Fire Department's Station 43 (5874 E. Los Angeles Ave.). At this point, I was positioned just to the west of fire station 43. While at my position, I heard Officer Quirke yell, "Police Stop!" When I turned towards Officer Quirke's voice, I observed Jonathan running north from the fire station towards Starbucks, which is located directly north of the fire station (across the street).

Shortly after I observed Jonathan, I observed Officer Quirke in full sprint, trying to catch up with Jonathan. Officer Quirke quickly gained ground on Jonathan and was able to catch up to him and grab a hold of Jonathan. Based on the momentum that both, Officer Quirke, and Jonathan had, they both fell to the ground and upon doing so, Jonathan struck the right side of his head onto the pavement. Officer Ros was the second officer that arrived (with myself) and assisted Officer Quirke in placing Jonathan into handcuffs.

After placing Jonathan into handcuffs, I noticed that Jonathan was bleeding from the right side of his forehead (right eyebrow). Upon examination, I observed a 3" laceration to the right side of Jonathan's right eyebrow. I asked Jonathan how he sustained the injury and he stated when he and Officer Quirke fell to the ground, he hit his head on the pavement. Medical personnel were summonsed to the scene and treated Jonathan for his injury and transported him to Simi Valley Hospital for further treatment.

Based on the fact that Jonathan had sustained a visible injury due to Officer Quirke placing him into custody, I initiated a Use of Force Investigation per Department Policy.

I arrived at the hospital and spoke with Jonathan. I explained to Jonathan that I was there to conduct an administrative investigation and just wanted to ask him a few questions. Jonathan was willing to speak with me regarding the incident.

Jonathan stated he knew that he had a warrant for his arrest and ran from officers based on the warrant. Jonathan stated he heard an officer tell him to stop and yell "police!", however he continued to run.

Jonathan stated he ran as fast as he could, however the officer caught him and when the officer grabbed him, both he and the officer fell to the ground, causing his injury. When asked if the officer could have done anything else to get him to stop, Jonathan replied, "No way." This concluded my interview with Jonathan.

After speaking to Jonathan, I spoke with ER Physician Pollack who told me that Jonathan will receive approximately 3 stitches just above his right eyebrow, and is expected to make a full recovery.

At the conclusion of my investigation, I reviewed all of the involved officer's reports, reviewed body camera footage and found that they were consistent with what I had observed and Officer Quirke's authored report.

My body worn camera footage and photos of Jonathan's injury were later uploaded to evidence.com.
