Memo

SUMMARY:

On April 15, 2022 at approximately 1544 hours, [redacted] called the Folsom Police Communication Center via the non-emergency line. She stated that her husband, [redacted], had been intoxicated for the previous two days and was now "falling over face first drunk", accusing her of "things", and making sexual advances towards her cousin that also lived at the residence. She requested that Officers respond to the residence and force him to leave. Sergeant Galovich and Officer Moniz were dispatched to the call and arrived at the residence at 1607 hours. Sergeant Galovich captured the call for service on his body worn camera. Officer Moniz did not activate his camera during the call.

Officer Galovich first encounters [redacted] at a park near their residence. She explains that her husband has been drinking today and that she does not feel safe with him at the residence. She offers to pay for a hotel room or Uber so that [redacted] can go somewhere else until he sobers up. She also states that [redacted] is "telling the kids things that I am not doing". Officer Moniz arrives on scene and both Officers respond to the residence while [redacted] remains outside.

Officer Moniz and Sergeant Galovich are let into the residence by a minor child, and they encounter [redacted] sleeping in an upstairs bedroom. While speaking with [redacted], Officer Moniz states that the Police were called because the couple were having "issues". [redacted] states they are having issues because his wife is having sex with a Folsom Police Officer. He makes further statements such as "He's a K9 cop, he works until about 10:30 or 11" and "She's been fucking him on duty". At that time, [redacted] is holding a cellular phone and appears to be scrolling through some application. He alludes that he knows the Officer's name but appears to be searching through his phone for some information.

Sergeant Galovich and Officer Moniz are eventually successful in convincing [redacted] to stay at a local hotel for the evening. Sergeant Galovich tells Officer Moniz to clear the call and ensures [redacted] that they can talk about his situation on the way to the hotel. Prior to leaving the residence, [redacted] is observed walking down the stairs with a cellular phone in his hand. He hands the phone to Sergeant Galovich and says "Sean Stokhaug". Sergeant Galovich briefly views phone which appears to be a text/SMS conversation between two people. The resolution of the body worn camera is not sufficient to read the conversation. Sergeant Galovich hands the phone back to [redacted] and inquires which

hotel he would like to stay in. They agree on the Larkspur Landing hotel and [redacted] states “that’s where they got a hotel room”.

It is apparent throughout the encounter that [redacted] has consumed alcohol or some other intoxicant. His speech is slightly slurred, he appears somewhat unsteady on his feet, and has difficulty manipulating is phone. He is not “falling down drunk” as described in the call for service. Sergeant Galovich terminates the call by dropping [redacted] off at the Larkspur Landing hotel and advising him that he can call the Police Department tomorrow when he is sober and make a complaint regarding Officer Stokhaug’s actions. Sergeant Galovich informed Lieutenant Lockhart about the incident at some point. Lieutenant Lockhart directed to him re-contact [redacted] [redacted] the following day and author a memo describing any additional information.

On 4-16-2022 at approximately 1526 hours, Sergeant Galovich met with [redacted] [redacted] outside his residence. The encounter was captured on Sergeant Galovich’s body worn camera.

[redacted] [redacted] states that he started to suspect something was going on about a month and a half ago. His suspicions arose after seeing his wife texting on her phone more than usual. He also stated that his wife has a history of having illicit affairs with other men and referred to her as a “badge bunny”.

[redacted] [redacted] states that the screenshots he showed Sergeant Galovich from the previous evening were obtained from an old phone (that belonged to his wife) that was still connected to a messaging service. He claims that he does not have the phone anymore and does not want to “start problems” for Officer Stokhaug.

About a month ago, [redacted] [redacted] confronted his wife about the affair and accused her of “messing” with someone from the Folsom Police Department. He learned of Officer Stokhaug’s affiliation with the department from the text messages he discovered.

[redacted] [redacted] believes that Officer Stokhaug already knew that he divulged this information to the Department the previous evening. Sometime between the previous night and this meeting, [redacted] [redacted]’ wife confronted him about talking to the Police Department about Officer Stokhaug. Sergeant Galovich assures him that he has not spoken to anyone regarding the matter, and it is possible that his children heard the conversation from the previous evening.

[redacted] did state that his wife admitted to the affair with Officer Stokhaug and also to other law enforcement Officers from other departments. Sergeant Galovich asks about any on-duty sexual contact between his wife and Officer Stokhaug. He replies, “well if not on-duty then while he was in uniform”. [redacted] learned this information “from the messages”. He again relates that he doesn’t want to get anyone in trouble though.

Sergeant Galovich provides [redacted] with his phone number and directs him to send him the screenshot messages within the next five minutes. [redacted] reluctantly agrees to the request. [redacted] never follows through with the request and declines to answer his phone or return Sergeant Galovich’s voicemails after this meeting. *[See attached screenshot from Sgt Galovich phone]*

Based on the allegation of on-duty sexual conduct, I requested AVL data for [redacted]Ellis Circle. The request was outlined to include the dates January 3, 2022 through April 18, 2022 and included every Folsom Police vehicle that was in the vicinity of the address or stopped at the address. The request produced only one result that occurred on March 15, 2022 in which Officer Stokhaug drove by the residence at approximately 27 mph.

3/15/2022 11:23:26 PM	K94	7995	191	10-8	27	100 [redacted]

I also examined AVL data from June 2021 up to the call for service at the Comb’s residence. This was based on the fact that [redacted] stated that she met Officer Stokhaug a year ago. I did not locate any extended periods where Officer Stokhaug was in the area of Ellis Circle while not in-service. The data appeared consistent with calls for service that he was assigned.

It should be noted that AVL data is only captured when the user is logged on to the RIMS application. It would also be expected, as is the case with all K9 Officers, that Officer Stokhaug would remain in his Police uniform and drive his Police vehicle home (or any other location) after he completed his shift.

Another allegation made by [redacted] during the initial encounter, was that Officer Stokhaug and his wife met at a local hotel, specifically the Larkspur Landing. I checked the reservation history for this hotel under both names (Sean Stokhaug and [redacted]) and did not locate any reservations under either of their names.

On April 21, 2022 I met with [redacted] and conducted and interview with him at the Folsom Police Department. [redacted] learned of his wife’s, [redacted],

relationship with Officer Stokhaug through text messages between [redacted] and Officer Stokhaug. [redacted] observed text message regarding [redacted] and Officer Stokhaug hooking up at parks. [redacted] was not sure when these events took place or if they were even in Folsom. [redacted] could not produce anything that showed any sexual acts occurred while Officer Stokhaug was on duty. *[See attached statement of [redacted]]*

On June 9, 2022, Lieutenant Lockhart and I interviewed [redacted] at her residence on Ellis Circle. [redacted] stated she met Officer Stokhaug at Dutch Brothers and they started messaging each other. [redacted] stated her and Officer Stokhaug had only met in person one time and Officer Stokhaug was not on duty at the time of the meet. [redacted] claimed their relationship was merely plutonic and involved no sexual contact.

On August 25, 2022, Sergeant Kehm served Officer Stokhaug with a notice of the alleged administrative violations regarding conduct unbecoming and on-duty sexual conduct.

On September 8, 2022, Sergeant Kehm and I interviewed Officer Stokhaug with Attorney Sean Howell present as his representative. The interview was conducted in the administrative conference room located at the Folsom Police Department. Officer Stokhaug was advised of the allegations of unbecoming a member of this department and on-duty sexual conduct with a member of the public. Officer Stokhaug was admonished of the following:

> is being recorded. You are admonished that you are to answer all questions asked of you completely and that all of your answers to be -- are to be truthful. Knowingly make false or misleading statements during this interview will be considered a separate offense that could result in discipline up to and including termination. Do you understand this admonishment?

(Officer Stokhaug Transcription #1, pg. 1)

> All right. I order you to answer any and all questions asked of you in a truthful and accurate manner. Failure to do so may be deemed insubordination and result in administrative discipline up to and including termination of your employment with the City of Folsom.

(Officer Stokhaug Transcription #1, pg. 2)

After the admonishments and being advised of his rights per AB 301, Officer Stokhaug was asked if he ever went places on his way home in his assigned patrol vehicle and Officer Stokhaug stated he went to visit friends. When asked to describe what he meant, Officer Stokhaug stated he went to [redacted] [redacted]'s residence after training and let her see his Police K9. Officer Stokhaug stated it was only a couple of times. Officer Stokhaug stated [redacted] was living in Roseville at the time and Officer Stokhaug was coming from training in Yuba City.

Officer Stokhaug was asked if he knew an [redacted] [redacted] and Officer Stokhaug stated he knew an [redacted] [redacted]. This was later clarified to be the same person. Officer Stokhaug described meeting [redacted] [redacted] at Dutch Brothers and then talking over social media. Officer Stokhaug described meeting [redacted] [redacted] on three separate occasions while on duty, in full uniform, and in his patrol vehicle. The first in person meeting was in the Mikuni's (Folsom) parking lot. Officer Stokhaug stated the two just talked during this encounter.

Officer Stokhaug stated the second meeting was at Kemp Park by the baseball field. Officer Stokhaug stated they met around 2300 hours to 0000 hours. Officer Stokhaug described that he and [redacted] [redacted] were at first hugging and kissing which led into [redacted] [redacted] rubbing his penis. Officer Stokhaug stated [redacted] [redacted] unzipped his pants and performed oral copulation on him. He stated he was standing in the door frame of his patrol vehicle in full uniform. Officer Stokhaug confirmed he was on duty at the time of the incident. *(Officer Stokhaug Transcription #1, pg. 10-11)*

S.S.: So -- uh -- on that meeting -- um -- we ended up -- we were hugging. Um -- we were -- uh -- we were hugging -- um -- we

started -- ended up kissing. She started -- uh -- rubbing my penis. Um -- and then un -- unzipped my pants and gave me a blow job.

D.C.: Okay. Where -- where did that -- did that occur, like, in your -- inside your vehicle or?

S.S.: No, it was just a -- just right up at my door.

D.C.: So, you were --

S.S.: I was standing up.

Officer Stokhaug stated the third time meeting [redacted] [redacted] in person on duty was at Livermore Park around 2300 hours to midnight. Officer Stokhaug stated he and [redacted] just kissed.

S.S.:	Uh -- we just kissed. That's it.
D.C.:	Okay. Um -- was there any, like, touching through any clothing or anything like that during that one?
S.S.:	Not that I remember.
D.C.:	Okay. And how long -- how long did that -- uh -- occur for?
S.S.:	Like, maybe a -- a few minutes. Not -- not very long.
D.C.:	Okay.
S.S.:	I can't -- I can't remember.
D.C.:	And why did you guys leave or how did the meeting end?
S.S.:	We just -- we just stopped. I stopped.
D.C.:	How come?
S.S.:	Because I was feeling guilty.

(Officer Stokhaug Transcription #1, pg. 13)

Officer Stokhaug stated communication with [redacted] that wasn't in person was through Facebook Messenger.

Officer Stokhaug was asked if anyone else knew about his relationship between he and [redacted].

D.C.:	No? Uh -- is -- is there anyone else that knows of -- uh -- about this relationship between you and April?
S.S.:	Not that I know of.
D.C.:	No? You -- have you told anyone about it?
S.H.:	Let's say it -- have you told anybody about it that is not -- there is no attorney-client/doctor-patient privilege --
D.C.:	Obvious --
S.H.:	-- clergy privilege.
D.C.:	Yeah.
S.H.:	Anybody else that's not a doctor, a pastor, or me.
S.S.:	Huh-uh.
D.C.:	No?
S.S.:	No.

(Officer Stokhaug Transcription #1, pg. 15)

During the interview Officer Stokhaug was asked if there was anything else that he wanted to add that might be discovered during the investigation.

D.C.: Okay. Um -- is there anything else you want to tell me that you think I've missed or I'm going to uncover or anything that you want to be part of the -- the record?

S.S.: No. There's --

D.C.: There's nothing else?

S.S.: No.

(Officer Stokhaug Transcription #1, pg. 17)

On September 14, 2022, Sergeant Kehm and Sergeant Herndon interviewed [redacted] at her residence. The second interview was conducted to confirm some of the statements that Officer Stokhaug made during his initial interview.

[redacted] confirmed what Officer Stokhaug said about their meeting at Kemp Park. [redacted] stated she performed oral copulation on Officer Stokhaug while he was in full uniform with his patrol vehicle. *([redacted] Transcription #2, pg. 4-6)*

[redacted] confirmed that she and Officer Stokhaug met at Livermore Park. [redacted] described the meeting by saying there was "flashing" (exposing of the breasts). [redacted] also stated her cousin, [redacted], was present and was participating in the "flashing" and touching of Officer Stokhaug. [redacted] stated Officer Stokhaug and [redacted] were kissing as well. [redacted] stated Officer Stokhaug touched [redacted]' breast as well. [redacted] confirmed all this occurred while Officer Stokhaug was in uniform with his patrol vehicle. *([redacted] Transcription #2, pg. 7-9)*

[redacted] stated [redacted] touched Officer Stokhaug's penis over his clothing. [redacted] also stated that at some point during their meet at Livermore Park both her and [redacted] both had their bare breasts exposed. *([redacted] Transcription #2, pg. 18-19)*

On September 14, 2022, Sergeant Kehm and Sergeant Herndon met with [redacted] at [redacted]' residence. [redacted] was present at the residence but separated from [redacted] during the interview. [redacted] stated that she was introduced to Officer Stokhaug by [redacted]. The two began chatting through social media sites until their in-person meeting at Livermore Park that evening.

[redacted] [redacted] confirmed she went to Livermore Park with [redacted] [redacted] and met Officer Stokhaug there. [redacted] [redacted] confirmed Officer Stokhaug was on duty and in uniform with his patrol vehicle. [redacted] [redacted] described the meeting by saying Officer Stokhaug was rubbing her and [redacted] [redacted]' breasts under/through their clothing. [redacted] [redacted] stated her and [redacted] [redacted] both exposed their breasts and then Officer Stokhaug touched them.

R.K.: Was Sean on duty?

[redacted] Yes.

R.K.: Was he in his uniform and with his patrol vehicle?

[redacted] Yeah.

R.K.: Okay. Do you mind telling me the circumstances of that meet?

[redacted] Um -- he was rubbing on us, and --

R.K.: How so?

[redacted] Rubbing our boobs, and --

R.K.: Through your clothing?

[redacted] Yeah.

R.K.: Okay. Was you boobs ever exposed?

[redacted] Yes.

([redacted] [redacted] Transcription, pg. 4)

[redacted] We showed him our boobs, and then it went a little touching from there, and then that was it.

R.K.: Touching, what do you mean? So, you showed him the boobs and then --

[redacted] Uh-huh.

R.K.: -- he started touching your guys' boobs?

[redacted] Yeah.

R.K.: Both you and April's?

[redacted] I'm not sure if he touched [redacted] boobs or not. I'm pretty -- he must have. I know he touched mine. I wasn't paying attention to [redacted]

R.K.: Okay. And where was this occurring at?

[redacted] At the park.

([redacted] [redacted] Transcription, pg. 5)

[redacted] [redacted] then explained that she touched Officer Stokhaug's genitals through his clothing and he touched her genital area as well.

R.K.: Okay. Um -- was there any touching of his genitals or your genitals?

[redacted] Yes.

R.K.: And how so?

[redacted] Him touching me and me touching him.

R.K.: Okay. Was that through the clothing --

[redacted] Yeah.

([redacted] [redacted] Transcription, pg. 5-6)

[redacted] [redacted] stated this occurred for approximately ten minutes. [redacted] [redacted] explained that [redacted] [redacted] was also touching Officer Stokhaug genitals at the same time she was touching him. *([redacted] [redacted] Transcription, pg. 7)*

[redacted] [redacted] stated she has not communicated with Officer Stokhaug since the meeting at Livermore Park.

On September 28, 2022, I contacted [redacted] [redacted] by phone. This interview was conducted to confirm statements made by Officer Stokhaug. [redacted] [redacted] would not agree to meeting in person and the initial phone conversation was not recorded.

[redacted] [redacted] stated she and Officer Stokhaug dated about three and a half years and would occasionally meet when Officer Stokhaug was on duty. According to [redacted], their meetings took place near the Jamba Juice in Folsom (Folsom/Blue Ravine). [redacted] [redacted] at first denied there was any sexual contact while Officer Stokhaug was on duty beyond hugging and kissing. [redacted] [redacted] believed Officer Stokhaug stopped by her residence, when she lived in Roseville, about three times. [redacted] [redacted] later stated

Officer Stokhaug and her did have sexual intercourse during those times when he came by her house in Roseville.

Approximately and hour later, [redacted] [redacted] called the Professional Standards Unit. According to [redacted], the phone call was prompted by a conversation with her mother who encouraged her to tell the truth about her relationship with Officer Stokhaug This conversation was recorded. [redacted] [redacted] was asked to clarify if there was any sexual contact during the times Officer Stokhaug was on duty/leaving training and stopped by her house in Roseville.

[redacted]	And obviously, there was kissing and hugging, and all that stuff, yeah.
D.C.:	Okay. But nothing beyond that.
[redacted]	No, there was definitely beyond that, yeah.
D.C.:	Okay. So --
[redacted]	Yeah (inaudible) --
D.C.:	So, what -- what occurred beyond kissing and hugging?
[redacted]	Really, I mean, what are you going to go like third base?
D.C.:	What's third base to you? I -- I --
[redacted]	Like, you know --
D.C.:	I -- I don't really because I've heard many definitions of third base, and I'm not -- uh -- it could be completely something different to you, and I don't want to put words in your mouth.
S.M.:	(Inaudible) right now. I'm just going to (inaudible). Um -- I don't know like he would touch my vagina with his fingers.

([redacted] [redacted] Transcript, pg. 5-6)

[redacted] Okay. Look, so we just lay in bed, and we watch shows, and then yeah, whatever.

D.C.: Okay. And -- and this happened while you were at the Ro -- at the Roseville house -- uh -- during one of the -- one of the times that he came by there after training.

[redacted] Correct. But I'm not mad at it though.

([redacted] [redacted] Transcript, pg. 6)

[redacted] [redacted] was asked if there were any other occasions where she engaged in any type of sexual contact with Officer Stokhaug while he was on duty.

[redacted] Um -- well, we into his police car.

D.C.: Okay. And what happened?

[redacted] I mean, same thing.

D.C.: What's -- what's that same thing? What do you mean?

[redacted] I mean, I once jumped into his police car and he played with my clit ring, and it was --

D.C.: Right.

[redacted] -- and it was a (inaudible) --

D.C.: Okay. Do you remember when that occurred or --

[redacted] No.

D.C.: Okay.

[redacted] I don't remember. It happened like a gajillion times.

D.C.: Oh, okay. So, like you jumped into his police car at one point, and he put his hands down your -- your pants and played with your clit ring.

[redacted] Correct.

([redacted] [redacted] Transcript, pg. 6-7)

When I clarified to [redacted] [redacted] that I only wanted to know about sexual contact between her and Officer Stokhaug while he was on duty, [redacted] [redacted] stated that it would occur in her car as well. During these occasions, [redacted] stated that Officer

Stokhaug would place his hands down her pants and “play with her clit ring”. She estimated that they would meet approximately three times per week and that Officer Stokhaug would touch her genitalia during each of these meetings.

D.C.: -- what happened when he met you at the Jamba Juice?

[redacted] Well, it -- so, we go kind of down the road --

D.C.: Uh-huh.

[redacted] -- a little bit, and then there's like an empty like parking lot but they have cameras there, but nobody's ever there. And so --

D.C.: Right.

[redacted] -- we'd meet and say hi, and hang out for like, you know, 20 minutes or so, until he got the call. He (inaudible) the whole time.

D.C.: Right. And when you guys were hanging out, was -- did you -- was there ever any type of sexual contact between you and Sean?

[redacted] I mean, aside from what I told you, no.

D.C.: So, it -- so, during that time when you were at the Jamba Juice parking lot, he would just -- like you say, he would just put his

Foothill Transcription Company, Inc Page 9

hands down your pants and play with your -- your ring?

[redacted] Uh-huh.

D.C.: And that -- that happened like every time you guys were there?

[redacted] I mean, hello, yeah.

([redacted] [redacted] Transcript, pg. 9-10)

[redacted] [redacted] confirmed the only time her and Officer Stokhaug had sexual intercourse while Officer Stokhaug was on duty or in police uniform was after training when Officer Stokhaug was showing her his K9 Astro.

D.C.: Right, okay. All right. Uh -- and like -- I think -- I think you answered this question already, but is -- and I'm just talking about the on -- on duty stuff. Um -- you guys never had like f -- like full like sexual intercourse, or anything, while he was on duty?

S.M.: Correct.

D.C.: Okay. The only times that he even showed up in a, you know, sort of a police uniform to your house, and you guys had sex, were the times that he -- um -- came from the training where he was showing you Astro?

S.M.: From a training, yeah.

([redacted] [redacted] Transcript, pg. 12)

(Officer Stokhaug 2nd Transcript, pg. 9)

Officer Stokhaug confirmed this all occurred while he was on duty and in uniform with his police vehicle *(Officer Stokhaug 2nd Transcript, pg. 9)*

Officer Stokhaug was asked why he didn't mention [redacted] [redacted] in the first interview. He stated that he was still bothered by the "blow job" and that this incident was on the forefront of his mind. He inferred that the additional actions were "lesser included" but did acknowledge that he was aware of the [redacted] [redacted] contact during the initial interview.

S.H.: Okay. Why didn't you tell them about [redacted] he's asking.

S.S.: Um -- because the -- uh -- the -- after telling you about the -- uh -- the blow job that I had that I'd given to -- oh, I'm sorry, that I had given -- that I had received from [redacted] at Kemp Park -- um -- obviously, just -- uh -- I just -- I just still -- and I'm still bothered by it, and so that was still fresh in my mind. And -- and honestly -- uh -- because of the -- the kissing -- uh -- and stuff that was not necessarily like lesser included, it still -- that due -- due to that, I under -- I understand -- um -- but like I said -- uh -- uh -- that this whole thing has just bothered me so much. And that's -- I wasn't trying to say anything, or I wasn't hide or anything like that.

D.C.: Um -- but you knew about it during the initial interview, right?

S.S.: Yeah, I -- I knew about it, yeah.

D.C.: Okay. In your previous statement, you stated that you me[redacted] at Livermore Park. Um -- you infer that you two were alone and just kissed. Do you still consider that to be a true statement?

(Officer Stokhaug 2nd Interview Transcript, pg. 11)

Officer Stokhaug was asked the question again if he felt it was a true statement that he and [redacted] were alone only kissed. Officer Stokhaug responded by saying he did. Officer Stokhaug was asked again if anything else happened between he and [redacted]. Officer Stokhaug stated he believed [redacted] put her hand on his crotch.

D.C.: -- I do believe that, that that was inferred from that statement. And -- um -- there was ample opportunity to talk about any further activities as well. So, I'll continue to with my question. Um -- do you -- and there's two parts to it really, that you two were alone, or at least in my mind, inferred that you were alone, and that you just kissed. I mean, do you still consider that a true statement?

S.S.: That we just kissed?

D.C.: Yeah.

S.S.: Oh -- uh -- [redacted] and I, yeah, we just kissed.

D.C.: Okay. And there was no other -- nothing else that went on between

you and [redacted]?

S.S.: Just, you know, like I -- like I said, with her hand on my -- on, I believe it was her hand.

D.C.: [redacted]s hand?

S.S.: I believe so. On --

D.C.: That was on your --

S.S.: -- on my crotch.

S.S.: It was probably like around the same time.

D.C.: Like, maybe midnight --

S.S.: Like, mid --

D.C.: -- or so?

S.S.: -- midnight, 11:00-something.

D.C.: Okay. And what -- what occurred during that meeting?

S.S.: Uh -- we just kissed. That's it.

D.C.: Okay. Um -- was there any, like, touching through any clothing or anything like that during that one?

S.S.: Not that I remember.

Officer Stokhaug was asked if he considered it a true statement that no one else knew about his relationship with [redacted] [redacted] and he responded by saying [redacted] [redacted] did know about the relationship.

D.C.:	Okay. Uh -- in your previous statement, you stated that no one else knew about your relationship with [redacted] Do you consider that to be a true statement?
S.S.:	Um -- relationship as far as -- uh -- as far as just us knowing each other or --
D.C.:	Uh -- I mean, the -- the question is what it is. Uh -- you said that no one else knew about your relationship with [redacted]
S.S.:	Okay. Yeah, I guess -- I guess she did -- she did know about our -- that we had been talking.
D.C.:	And when you say she, you're referring to [redacted]?
S.S.:	[redacted]
D.C.:	Yeah.
S.S.:	Yeah.

The following is an excerpt from the initial interview of Officer Stokhaug:

(Officer Stokhaug 1st Transcript, pg. 15)

D.C.:	No? Uh -- is -- is there anyone else that knows of -- uh -- about this relationship between you and April?
S.S.:	Not that I know of.
D.C.:	No? You -- have you told anyone about it?
S.H.:	Let's say it -- have you told anybody about it that is not -- there is no attorney-client/doctor-patient privilege --
D.C.:	Obvious --
S.H.:	-- clergy privilege.
D.C.:	Yeah.
S.H.:	Anybody else that's not a doctor, a pastor, or me.
S.S.:	Huh-uh.
D.C.:	No?
S.S.:	No.

Officer Stokhaug was asked if he had any on duty sexual conduct with any other person and he said that he had not. *(Officer Stokhaug 2nd Transcript, pg. 13).*

Officer Stokhaug was shown a DMV photo of [redacted] [redacted] to confirm her identity. Officer Stokhaug reviewed the photo and confirmed the identity of [redacted].

(DMV Photo of [redacted])

Officer Stokhaug stated in his first interview that he went to [redacted]'s house after K9 training in Yuba City on possibly tow occasions. Officer Stokhaug stated he let [redacted] see his K9 and then he left. Officer Stokhaug was asked if he ever went inside [redacted]'s residence, and he stated on that date he didn't believe he did. Officer Stokhaug stated if he did go inside nothing happened and then stated he had a drink and left.

S.S.: On those -- on those days, no, I don't believe I did. If I did, it was for a short period of time, but no.

D.C.: Okay. So, if -- if you went inside her -- her residence, do you remember what happened inside there?

S.S.: Nothing.

D.C.: Nothing happened?

S.S.: No.

D.C.: Well, I mean, not nothing happened like --

S.S.: Well -- what do you --

S.H.: You're -- on you saying on the way -- the times that he stopped by there with his K-9 on the way to or from training, I can't remember if it's on the way home or what, but did you -- did anything happen if you went inside the house, is that what you're asking?

D.C.: Yes.

S.S.: What do you mean anyth -- anything.

D.C.: Well, I mean, from the -- there's a range of we talked, to we had sex, to we laid on the bed and fooled around a little bit. Um -- there's a very broad range of things that could have occurred --

S.S.: Okay.

D.C.: -- and I wasn't there, so that's why I'm asking you.

S.S.: No. Previo -- there -- I went inside, I had a drink, and that's it, I left.

(Officer Stokhaug 2nd Transcript, pg. 15)

Based on the interviews of Officer Stokhaug and [redacted] [redacted], it was determined that the two initially met during a call for service. A person search in RIMS revealed that Officer Stokhaug responded to a domestic disturbance call at [redacted] [redacted]'s ex-boyfriend's residence on May 25, 2019. The Officers determined that no crime had occurred, and a family member responded in order to drive [redacted] [redacted] to her residence. *(See CAD call #1905250015 attached)*

During [redacted] [redacted]'s interview, she stated that she and Officer Stokhaug engaged in sexual contact while on duty "a gagillion times". She described the conduct as Officer Stokhaug placing his hand down her pants and "playing with her clit ring". She specifically described an abandoned lot down the street from Jamba Juice in Folsom (Blue Ravine/Folsom Blvd) as the location where these activities occurred.

Based on this accusation, an AVL (GPS vehicle locater) investigation was conducted into Officer Stokhaug's location in order to confirm/refute this statement. The investigation was inclusive of his location (while in-service/not assigned to a call) from May 25, 2019 until he was assigned to desk duty in September 2022. The area searched included the street, businesses, and parking lots immediately southwest of the Jamba Juice (13389 Folsom Blvd). It should be noted that this area is a common place for the Folsom Police Department K9 Officers to conduct training, give their K9's a working break, and patrol during the evening hours due to all the closed/abandoned businesses.

The investigation produced eight occasions where Officer Stokhaug remained for a significant period in this location while in service. The dates of these instances were:

- September 27, 2019 (2154 – 2216 hours)
- November 2, 2019 (0019 – 0122 hours)
- November 3, 2019 (0041 – 0158 hours/partially On Report and 10-8)
- March 2, 2020 (0053 – 0119 hours/On report status)
- September 29, 2021 (2201 – 2242 hours)
- November 25, 2021 (1539 – 1719 hours)
- December 28, 2021 (1618 – 1631 hours)
- February 2, 2022 (1647 – 1655 hours)

The time periods noted above should be considered as approximate times. The raw data and mapping pictures are included in the AVL package, which is attached to this report,

STATEMENTS:

[redacted] [redacted]

I attempted to contact [redacted] [redacted] several times via phone, but he never returned my calls. A business card was left at his residence directing him to call the Professional Standards Unit. He eventually agreed to an interview on April 21, 2022. He was interviewed at the Folsom Police Department and stated the following in summary:

[redacted] remembered the call for service where Sergeant Galovich and Officer Moniz were dispatched to his residence. He stated that he was intoxicated and trying to sleep it off when his wife called the Police and requested that he go to a hotel to avoid conflict. [redacted] remembers making the allegations that his wife was involved in a relationship with Officer Stokhaug and describes him using his full name. He knows Officer Stokhaug's name through text messages that he has observed between his wife and Officer Stokhaug. He claims that he first observed the messages 2-3 weeks ago. He does not know how long the relationship has lasted but opines that they may have met online. He also says, "she could have met him at Starbucks".

[redacted] stated that Officer Stokhaug has never been to a call for service at his residence and that he has never met Officer Stokhaug in person. At some point, [redacted] claims that he looked at his wife's actual phone (possibly Facebook Messenger) and saw messages about "them hooking up in parks and stuff like that". He did not know the name of any of the parks or if they were in the City of Folsom.

When asked what led him to believe these acts occurred while Officer Stokhaug was on duty, he alludes to a statement one of them made in the messages saying, "we shouldn't be doing this" but then states that he is "just done with it" and can not remember anything else. When pressed further about what specifically caused him to believe that these acts occurred on duty he stated, "I guess nothing really, I'm fine with it". He also claims that he is no longer in possession of the messages and that his wife erased them from his phone. He also states he does not remember anything more about the "we shouldn't be doing this conversation" and does not know about any further contact between his wife and Officer Stokhaug. He describes his belief that these acts occurred on-duty as an "assumption" but would not elaborate on any underlying details. He believes that Officer Stokhaug is just using his wife for "sexual advances" and describes her as "somewhat of a badge bunny".

The interview concludes with a direction to call the Professional Standards Unit if he uncovers any additional information. As of this date, [redacted] has not contacted this office.

END OF STATEMENT

[redacted]

On June 9, 2022, Lieutenant Lockhart and I interviewed [redacted] at her residence. She told me the following in summary:

[redacted] stated that she did know Officer Stokhaug and described their relationship as “friends”. She claims that they met at Dutch Bros. about a year ago when she bought Officer Stokhaug a coffee (her practice is to buy Police Officers coffee when she sees them at work). [redacted] located Officer Stokhaug on Facebook after this initial encounter and asked if he was the Officer that she purchased a coffee for at Dutch Bros. They began talking through the messaging service at that time.

[redacted] claimed that the relationship was never romantic and mostly consisted of just chatting over social media. She stated that they have met on one occasion, but the encounter consisted of just conversation in the middle of the day. It did not occur while Officer Stokhaug was on duty. She further claims that Officer Stokhaug has never been to her residence while on or off duty for any reason and that she has never been inside Officer Stokhaug’s assigned vehicle.

[redacted] is aware that [redacted] (who she refers to as her “psycho husband”) was the person that initiated this investigation. She states that he still lives at the Ellis Circle residence but will be moving out in October. She believes that her husband is “imagining things” and goes on to claim that he has done this in the past with people she is not even friends with. According to [redacted], it is not uncommon for [redacted] to accuse her of having relationships with people she does not even know.

[redacted] flatly denies that her and Officer Stokhaug engaged in any sexual conduct either on or off duty. She also denied that they have ever met at a hotel. She states that the last time they messaged each other was “last night”.

[redacted] acknowledges that [redacted] may have seen some of the messages between her and Officer Stokhaug and said “I don’t keep anything from him ([redacted])”. She was unaware that [redacted] may have taken screenshots from an old device and stated that possibility never arose during one of their arguments. She added, “If he has anything then he’s free to give it to you, so he doesn’t have them”.

[redacted] offered to unlock her phone and display the most recent conversations between her and Officer Stokhaug. The conversations on the phone did not appear to be romantic or include any references to an illicit affair.

END OF STATEMENT

SERGEANT TIM GALOVICH

On August 17, 2022 Sergeant Kehm and I interviewed Sergeant Tim Galovich at the Folsom Police Department in the administrative conference room. Sergeant Galovich was ordered to cooperate with the investigation and directed to answer all questions in a truthful and accurate manner. He stated the following in summary (audio and transcript attached):

Sergeant Galovich stated he is currently assigned to traffic as the Sergeant and has been for three months. Sergeant Galovich stated in April of 2022 he was assigned to patrol on team two which is weekend swing shift. Sergeant Galovich stated he had Officer John Moniz, Officer Austin Alvarez and Officer Brian Airoso assigned to his shift. Sergeant Galovich stated he was working April 15, 2022 and that he and Officer Moniz were dispatched to a residence on Ellis Drive.

Sergeant Galovich described the circumstances of the call as first meeting with [redacted] at [redacted] Gallardo Elementary School. Sergeant Galovich explained that [redacted] told him and Officer Moniz that her husband [redacted] had been drinking all day at the house. Sergeant Galovich continued by saying [redacted] stated her and [redacted] had been having marital problems. Sergeant Galovich stated [redacted] asked if Sergeant Galovich and Officer Moniz would make contact with [redacted] and ask him to go to a hotel or his mother’s house for the night. Sergeant Galovich stated [redacted] told him that no crime had occurred.

Sergeant Galovich stated when they went to the house, they located [redacted] upstairs with the obvious signs of intoxication from drinking. Sergeant Galovich stated [redacted] said that his wife was sleeping with one of your guys' canine officers. Sergeant Galovich stated due to [redacted]' intoxication level he wasn't sure if [redacted] was referring to another agency. Sergeant Galovich told [redacted] that he would give [redacted] a ride to a hotel and they could talk about it there and not in front of other Officers. Sergeant Galovich stated [redacted] had slurred speech, slow mannerisms Sergeant Galovich estimated [redacted] to be a .12 (Blood Alcohol Concentration). Sergeant Galovich stated [redacted]' walking was very slow and deliberate and [redacted] was fumbling through his phone trying to get text messages, so he finally handed it to Sergeant Galovich.

Sergeant Galovich stated at some point [redacted] showed him text messages and identified the officer having the affair with his wife as Officer Stokhaug. Sergeant Galovich stated the phone was [redacted]' phone and he was showing Sergeant Galovich a screen shot of a message thread. Sergeant Galovich explained he couldn't scroll up through the message thread and that's how he knew it to be a screen shot of a message thread. Sergeant Galovich stated [redacted] showed him one picture of a message thread while at the house and another one when they were driving to the hotel.

Sergeant Galovich estimated the screen shot had approximately eight messages back and forth. Sergeant Galovich stated there was no name or phone number at the top of the screen shot indicating who it belonged to. Sergeant Galovich stated [redacted] informed him that his wife, [redacted], got a new phone and never disconnected the old phone so [redacted] was still getting all their text messages and he had taken a picture of it with his cell phone. Sergeant Galovich stated the messages appeared to be text messages because the messages had the blue and green indicating one person had an Android phone and the other person had an iPhone.

Sergeant Galovich stated when [redacted] was coming down the stairs and handed him the phone Sergeant Galovich remembered reading a message that read "I could suck the cum out of you." Sergeant Galovich stated he remembered that because it caught his attention. Sergeant Galovich recalls on the second screen shot he was shown by [redacted] while driving to the hotel had a message reading "well, I know you're okay with anal." Sergeant Galovich stated the following message read, "well, duh." Sergeant Galovich stated the second screen shot of a text message thread also had the colored messages indicating text messaging. Sergeant Galovich stated there was no name at the top of the screen indicating who the messages belonged to.

Sergeant Galovich stated that [redacted] was upset that [redacted] called the police on him, so [redacted] wanted to report the affair. Sergeant Galovich advised he informed [redacted] to come to the Police Department the following day to look further into the affair. Sergeant Galovich informed Lieutenant Lockhart of the incident. Sergeant Galovich was advised by Lieutenant Lockhart to let [redacted] know that Sergeant Galovich would meet with [redacted]. Sergeant Galovich called [redacted] and arranged a meeting the following day.

Sergeant Galovich met with [redacted] down the block from his house. Sergeant Galovich stated [redacted] seemed apprehensive about talking with him. Sergeant Galovich stated that [redacted] informed him that his wife confronted him about talking to the police about Officer Stokhaug. Sergeant Galovich stated it seemed like [redacted] was suspicious of FPD telling Officer Stokhaug. Sergeant Galovich stated he had spoke with Officer Moniz the night of the incident and informed Officer Moniz not to talk about anything he had heard. Sergeant Galovich advised during the incident he had cleared Officer Moniz once the situation was under control.

Sergeant Galovich stated he didn't believe [redacted] had even mentioned Officer Stokhaug's name while Officer Moniz was present, but that [redacted] had said the Officer worked weekdays and was off at 10:30.

Sergeant Galovich stated that on the way to the hotel [redacted] mentioned that the affair was happening while Officer Stokhaug was on duty. Sergeant Galovich asked [redacted] the next day when they met down the block from [redacted]' house how he knew it these acts occurred on duty and [redacted] stated he wasn't sure if it was on duty, but that he knew from text messages that Officer Stokhaug was in uniform. Sergeant Galovich stated he didn't ask [redacted] to further clarify how he knew Officer Stokhaug was in uniform. Sergeant Galovich stated he was trying to get the text messages from [redacted] and [redacted] kept assuring him that he would send him the text messages. Sergeant Galovich advised her never received the screen shots from [redacted]. Sergeant Galovich stated he was told by [redacted] that he had erased the screen shots.

Sergeant Galovich stated he spoke with [redacted] on the 17th and was told by [redacted] that he didn't want to proceed anymore, and that [redacted] informed Sergeant Galovich he had erased the messages. Sergeant Galovich stated he never saw anything from [redacted] that indicated Officer Stokhaug was the officer involved

with his wife [redacted]. Sergeant Galovich stated it was only from [redacted]' statement where he indicated it was Officer Stokhaug.

Sergeant Galovich stated he checked the Computer Aided Dispatch (C.A.D.) system and saw that Officer Stokhaug had responded to the residence only once on a previous call for service. Sergeant Galovich stated he never had any other contact with [redacted] beside the night of the incident at the elementary school. Sergeant Galovich stated there were kids in the residence when they were talking with [redacted] and maybe one of the kids possibly overheard what [redacted] was talking about and said something to [redacted].

Sergeant Galovich advised he was not supervising Officer Stokhaug at the time of the incident. Sergeant Galovich wasn't even sure if Officer Stokhaug was working that night. Sergeant Galovich didn't recall ever seeing Officer Stokhaug parked on Ellis Circle for long periods of time or even in the area of Ellis Circle on the RIMS mapping system.

Sergeant Galovich stated he believed [redacted] to be credible and that [redacted] had said to Sergeant Galovich that [redacted] had done this numerous times with the sheriff's department and corrections. Sergeant Galovich believed that [redacted] got scared that we would tell Officer Stokhaug what was going on and [redacted] became uncooperative.

END OF STATEMENT

The interview was concluded at 1521 hours. Sergeant Galovich was ordered not to discuss this investigation with anyone other than myself, or Sergeant Kehm.

[redacted] didn't remember who flashed Office Stokhaug first, but both of them flashed him. [redacted] stated she didn't make out with Officer Stokhaug and [redacted] possibly made out with him. [redacted] stated [redacted] could have grabbed Officer Stokhaug when they were hugging and kissing. [redacted] stated [redacted] was partially clothed because she was flashing Officer Stokhaug. [redacted] stated this meeting occurred near the playground in the parking lot. [redacted] confirmed that her and her cousin [redacted] came together.

END OF STATEMENT

The interview was concluded at 1148 hours.

[redacted]

On September 14, 2022, Sergeant Herndon and Sergeant Kehm interviewed [redacted] at [redacted] Comb's residence. [redacted] was asked if she could wait in another room while we interviewed [redacted] and [redacted] agreed. [redacted] stated the following in summary:

[redacted] stated she knew Officer Stokhaug through her cousin [redacted]. [redacted] stated she met Officer Stokhaug through talking on the phone. [redacted] said she met Officer Stokhaug at Livermore Park. [redacted] stated her and Officer Stokhaug had talked on the phone prior to the meeting at the park. [redacted] stated [redacted] did a three-way phone call with her and Officer Stokhaug. [redacted] stated [redacted] was interested in Officer Stokhaug and she would talk about him with

[redacted]. [redacted] stated that [redacted] then introduced her and Officer Stokhaug over the phone. [redacted] stated then she and Officer Stokhaug started communicating using Facebook Messenger. [redacted] stated her and Officer Stokhaug would talk about sexual stuff.

[redacted] confirmed that she met Officer Stokhaug and [redacted] at the park. [redacted] confirmed Officer Stokhaug was on duty and in uniform with his patrol vehicle. [redacted] said Officer Stokhaug was rubbing their breasts through their clothing and also when their breasts were exposed. [redacted] stated they showed him their breasts and then Officer Stokhaug started touching her breasts. [redacted] wasn't sure if Officer Stokhaug touched [redacted] breasts but stated he probably did. [redacted] stated this was occurring outside of Officer Stokhaug's patrol vehicle. [redacted] stated Officer Stokhaug then touched her genitals through her clothing and she touched his genital area through his clothing. [redacted] stated it never progressed beyond the touching through the clothing. [redacted] stated she did not feel Officer Stokhaug get an erection.

[redacted] stated [redacted] was touching Officer Stokhaug at this moment as well. [redacted] stated [redacted] was right next to them and all three of them were participating. [redacted] stated [redacted] was grabbing Officer Stokhaug's genitals as well.

[redacted] stated she believed that this meeting occurred approximately three months ago. [redacted] stated she doesn't communicate with Officer Stokhaug because her cousin asked her to stop. [redacted] stated she blocked Officer Stokhaug. [redacted] wasn't aware if Officer Stokhaug and [redacted] relationship was sexual prior to the meeting at the park.

[redacted] stated she and Officer Stokhaug had sent pictures back and forth of each other, but none of the pictures of Officer Stokhaug were of him in uniform. [redacted] stated she had never been to Officer Stokhaug's house. [redacted] stated she had never been in Officer Stokhaug's patrol vehicle either. [redacted] stated the meet with Officer Stokhaug was at Livermore Park.

[redacted] wasn't sure how the decision to meet at Livermore Park came about. [redacted] stated [redacted] was talking with Officer Stokhaug. [redacted] stated she was with [redacted] at [redacted]' house on Ellis Circle. [redacted] stated

[redacted] gave her a ride, but was not sure how Officer Stokhaug and [redacted] decided to meet up.

END OF STATEMENT

The interview was concluded at 0812 hours.

[redacted]

Based on Officer Stokhaug's statement during his initial interview, attempts were made to contact [redacted] to confirm his statement. On September 27, 2022, I contacted someone via telephone who claimed to be her mother. She stated that she would pass along my contact information. On September 28, 2022, I received a phone call from [redacted] from the phone number 916-776-0538. At the time that I received the phone call, I was unable to record the conversation. [redacted] declined to be interviewed in person. I have spoken with her before and have heard her recorded voice during an unrelated investigation. I recognized the voice as that of [redacted]. She told me the following in summary:

*Sean and I were dating for about three and a half years, but we are done now. He is a cheater and a liar. We did meet sometimes while he was on duty. We would meet sometimes by the Jamba Juice in Folsom. There was never anything else other than kissing and hugging. He was always very respectful. I do remember him coming by my house when I lived in Roseville. He let the dog out and let me meet Astro. He came inside the house and there was some small talk. We did have sex those times when he came by my Roseville house. [*Earlier in the conversation she denied that there was any sexual contact between the two during these meetings*] I think it was maybe three times. He came by my parent's house one time when he was on duty. He only stayed about three minutes though.*

He lied to me and said he was separated from his wife, but he wasn't. I went to [redacted]*. It was traumatic. He went to a Green Bay Packers game one time and told me that he was taking* [redacted]*, but he actually took* [redacted]*. The Packers lost that day. That's all I want to say right now.*

On September 28, 2022, at 1127 hours, I received an additional incoming phone call from [redacted] [redacted]. Except for approximately the first one minute, the phone call was recorded and later transcribed. [redacted] stated that she had just spoken with her mother and had been encouraged by her to tell the whole truth about her relationship with Officer Stokhaug.

[redacted] stated that she met Officer Stokhaug during a call for service. At the time, she was visiting her boyfriend that lived in Folsom, an argument ensued, and the Police were summoned by [redacted]. *[[redacted] [redacted] Interview Page 2]*

[redacted]:	And so, then Sean and the sergeant came over, and he was really nice, and kind, and funny. And -- uh -- he loaned me his like weather pants.
D.C.:	He -- I'm sorry --
[redacted]:	And --
D.C.:	-- he what?
[redacted]:	He loaned me his weather pants, like the --
D.C.:	Oh, right.
[redacted]:	Yeah. And so, then I was like, okay, thank you.
D.C.:	Uh-huh.
[redacted]:	And -- uh -- then I was like, okay, well, I have to wash them and, you know, make sure they're dry and fold them nicely before you give them back, and you know, that's protocol.
D.C.:	Right.
[redacted]:	And -- uh -- so, then that's kind of where the -- the relationship started after that.

After several questions regarding the subject of Officer Stokhaug's visits to her Roseville house after training, [redacted] stated that Officer Stokhaug would touch her vagina with his fingers while lying in bed. She confirmed that this occurred after one of Officer Stokhaug's

training days and stated that the actions were consensual. She estimated that this occurred on three occasions.

[redacted] was asked if there were any other occasions where she and Officer Stokhaug engaged in any type of sexual contact while he was on duty. She described an occasion where she "jumped into his Police car" and Officer Stokhaug played with her "clit ring" [[redacted] [redacted] *Interview Page 7-8*]. She could not recall when this occurred and then stated that this act occurred "like a gajillion (sic) times".

D.C.: What's -- what's that same thing? What do you mean?

[redacted]: I mean, I once jumped into his police car and he played with my clit ring, and it was --

Foothill Transcription Company, Inc Page 7

D.C.: Right.

[redacted]: -- and it was a (inaudible) --

D.C.: Okay. Do you remember when that occurred or --

[redacted]: No.

D.C.: Okay.

[redacted]: I don't remember. It happened like a gajillion times.

[redacted] described a location that her and Officer Stokhaug would meet while he was on duty. She stated that there was an empty parking lot down the road from Jamba Juice on Blue Ravine where the two would frequently meet. She denied that there was any other sexual contact between the two but stated Officer Stokhaug would place his hand down

her pants every time the two met at this location. She estimated that this occurred approximately three times per week during their relationship.

[redacted] stated that Officer Stokhaug never removed any part of his uniform or unzipped his pants in any way. She related that he was "very good about his protocol". According to [redacted], these events usually occurred inside her vehicle.

[redacted] was asked if there was any other information that she wanted to add to the record. She related that she wanted me to "just clear him" and then stated that Officer Stokhaug utilizes his position "in a manner that's seductive to women". According to [redacted], Officer Stokhaug's wife told her that she is not the first one and possibly the third woman.

She ended the conversation by stating that Officer Stokhaug is going through a hard time, that he just needs a mental break, and needs help. Prior to hanging up though, she stated "take him off duty, he's a terrible person".

[redacted] refused to conduct this or any further interviews in person. Based on my training and experience, [redacted]'s behavior and speech patterns during this interview were indicative of someone that was under the influence of some type of intoxicant.

OFFICER SEAN STOKHAUG (Second Interview)

On September 29, 2022, Officer Stokhaug was interviewed a second time at the Folsom Police Department in the administrative conference room. Officer Stokhaug elected to have Attorney Sean Howell present with him during the interview. that he could remember occurring that night related to sexual contact. Officer Stokhaug confirmed he was on duty with his police car and in uniform during this incident. Officer Stokhaug stated this was the only contact he had with [redacted] while on duty. Officer Stokhaug stated he is not still in communication with [redacted]. Officer Stokhaug stated nothing beyond hugging and kissing occurred with him and [redacted] during this incident. Officer Stokhaug couldn't remember if he touched [redacted] exposed breast or her groin area during the meeting at Livermore Park.

Officer Stokhaug stated he never mentioned [redacted] during his initial interview because after talking about the blow job he received in Kemp Park it was stilling bothering him. He inferred that these other actions were "lesser included" actions but stated that he was not intentionally attempting to hide his involvement.

Memo

SUMMARY:

On April 15, 2022 at approximately 1544 hours, [redacted] called the Folsom Police Communication Center via the non-emergency line. She stated her husband, [redacted], had been intoxicated for the previous two days and was now "falling over face first drunk", accusing her of "things", and making sexual advances towards her cousin that also lived at the residence. She requested Officers respond to the residence and force him to leave.

Officer Galovich first contacted [redacted] at a park near their residence. She explained her husband ([redacted]) had been drinking and she didn't feel safe with him at the residence. [redacted] also stated [redacted] was "telling the kids things that I am not doing".

Upon contact [redacted] stated having issues because his wife is having sex with a Folsom Police Officer. [redacted] made further statements such as "He's a K9 cop, he works until about 10:30 or 11" and "She's been fucking him on duty." [redacted] later hands his cellular telephone to Sergeant Galovich and says "Sean Stokhaug" referring to the name of the officer he believed his wife [redacted] was having a sexual affair with, while on duty. Before leaving the residence, [redacted] makes reference to the screen shots telling Sgt. Galovich, "him saying he's on duty, has his uniform and all that shit on and he's doing that with my fucking wife."

Later, Sergeant Galovich informed Lieutenant Lockhart about the incident. Lieutenant Lockhart directed Sergeant Galovich re-contact [redacted] the following day and author a memo describing any additional information.

On April 16, 2022 at approximately 1526 hours, Sergeant Galovich again met with [redacted] outside his residence.

[redacted] tells Sergeant Galovich he started to suspect something was going on about a month and a half ago. [redacted]'s suspicions began after seeing his wife ([redacted]) texting on her phone more than usual. [redacted] also stated his wife has a history of having illicit affairs with other men and referred to her as a "badge bunny".

[redacted] tells Sergeant Galovich the screenshots he showed him the previous evening were obtained from an old phone (that belonged to [redacted]) which was still connected to a messaging service. [redacted] claimed he didn't have the phone anymore and didn't want to "start problems for him" (Officer Stokhaug.)

[redacted] tells Sergeant Galovich he confronted his wife about the affair and accused her of "messing" with someone from the Folsom Police Department approximately one month prior to this contact. [redacted] learned of Officer Stokhaug's affiliation with the department from the text messages he discovered.

[redacted] stated his wife ([redacted]) admitted to the affair with Officer Stokhaug as well as other law enforcement Officers from other departments. Sergeant Galovich asked [redacted] about any on-duty sexual contact between his wife and Officer Stokhaug. [redacted] tells Sergeant Galovich, "Well if not on-duty then while he was in uniform". [redacted] learned this information "from the messages". [redacted] again states he doesn't want to get anyone in trouble.

Sergeant Galovich provided [redacted] with his phone number and directed him to send him (Sgt. Galovich) the screenshot messages within the next five to ten minutes. [redacted] reluctantly agreed to the request. [redacted] never followed through with the request and declined to answer his phone or return Sergeant Galovich's voicemails after this meeting.

STATEMENTS:

[redacted]

On [redacted] 21, 2022 at the Folsom Police Department, [redacted] was interviewed by Lieutenant Canepa. [redacted] stated the following in summary:

[redacted] remembered the call for service where Sergeant Galovich and Officer Moniz were dispatched to his residence. He stated that he was intoxicated and trying to sleep it off when his wife called the Police and requested he go to a hotel to avoid conflict. [redacted] remembered making the allegations that his wife was involved in a relationship with Officer Stokhaug and describes him using his full name. He knew Officer Stokhaug's name through text messages he had observed between his wife and Officer Stokhaug. He claimed he first observed the messages 2-3 weeks ago. He didn't not know how long the relationship had lasted but opined they may have met online. He also said, "she could have met him at Starbucks".

[redacted] stated Officer Stokhaug had never been to a call for service at his residence and that he has never met Officer Stokhaug in person. At some point, [redacted] claimed he

looked at his wife's actual phone (possibly Facebook Messenger) and saw messages about "them hooking up in parks and stuff like that'. He didn't know the name of any of the parks or if they were in the City of Folsom.

When asked what led him to believe these acts occurred while Officer Stokhaug was on duty, he alluded to a statement one of them made in the messages saying, "we shouldn't be doing this" but then stated he is "just done with it" and couldn't remember anything else. When pressed further about what specifically caused him to believe these acts occurred on duty he stated, "I guess nothing really, I'm fine with it'. He also claimed he's no longer in possession of the messages and his wife erased them from his phone. He stated he didn't remember anything more about the "we shouldn't be doing this conversation" and didn't know about any further contact between his wife and Officer Stokhaug. He described his belief of the acts occurring on-duty as an "assumption" but wouldn't elaborate on any underlying details. He believed that Officer Stokhaug was just using his wife for "sexual advances" and described her as "somewhat of a badge bunny'.

END OF STATEMENT

[redacted] (FIRST INTERVIEW)

On June 9, 2022, Lieutenant Lockhart and Lieutenant Canepa interviewed [redacted] at her residence. She stated the following in summary:

[redacted] stated that she knew Officer Stokhaug and described their relationship as "friends'. She claimed they met at Dutch Bros. about a year ago when she bought Officer Stokhaug a coffee (her practice is to buy Police Officers coffee when she sees them at work). [redacted] located Officer Stokhaug on Facebook after this initial encounter and asked if he was the Officer she had purchased a coffee for at Dutch Bros. They began talking through the messaging service at that time.

[redacted] claimed the relationship was never romantic and mostly consisted of just chatting over social media. She stated they had met on one occasion, but the encounter consisted of just conversation in the middle of the day. It didn't occur while Officer Stokhaug was on duty. She further claimed that Officer Stokhaug had never been to her residence while on or off duty, for any reason and that she'd never been inside Officer Stokhaug's assigned vehicle.

[redacted] was aware [redacted] (who she refers to as, her "psycho husband") was the person who initiated this personnel investigation. [redacted] stated he ([redacted]) still lived at the Ellis Circle residence at the time of the interview but will be moving out in October. [redacted] believed her husband was "imagining things" and claimed he had done this sort of thing in the past with people she is not even friends with. According to [redacted], it wasn't uncommon for [redacted] to accuse her of having relationships with people she didn't even know.

[redacted] denied she and Officer Stokhaug engaged in any sexual conduct either on or off duty. She also denied they had ever met at a hotel. [redacted] stated the last time they messaged each other was "last night".

[redacted] acknowledged [redacted] may have seen some of the messages between her and Officer Stokhaug stating, "I don't keep anything from him ([redacted])". She was unaware that [redacted] may have taken screenshots from an old device and stated that possibility never arose during one of their arguments. She added, "If he has anything then he's free to give it to you, so he doesn't have them".

[redacted] offered to unlock her phone and display the most recent conversations between her and Officer Stokhaug. The conversations on the phone did not appear to be romantic or include any references to an illicit affair.

END OF STATEMENT

SERGEANT TIM GALOVICH

On August 17, 2022, Lieutenant Canepa and Sergeant Kehm interviewed Sergeant Tim Galovich at the Folsom Police Department. He stated the following in summary:

Sergeant Galovich stated he had Officer John Moniz, Officer Austin Alvarez and Officer Brian Airoso assigned to his shift. Sergeant Galovich stated he was working April 15, 2022 and that he and Officer Moniz were dispatched to a residence on Ellis Drive.

Sergeant Galovich described the circumstances of the call as first meeting with [redacted] at [redacted] Gallardo Elementary School. Sergeant Galovich explained [redacted] told him and Officer Moniz that her husband [redacted] had been drinking all day at the house. Sergeant Galovich continued by saying [redacted] stated her and [redacted] had been having marital problems. Sergeant Galovich stated [redacted] asked if Sergeant Galovich and Officer Moniz would make contact with [redacted]

[redacted] and ask him to go to a hotel or his mother's house for the night. Sergeant Galovich stated [redacted] told him no crime had occurred.

Sergeant Galovich stated when they went to the house, they located [redacted] upstairs with the obvious signs of intoxication from drinking. Sergeant Galovich stated [redacted] said that his wife was sleeping with one of your guys' canine officers *(Galovich BWC Axon Body 3 Video 2022-04-15 1605 X60A22366 09:02.)* Sergeant Galovich stated due to [redacted]' intoxication level he wasn't sure if [redacted] was referring to another agency. Sergeant Galovich told [redacted] that he would give [redacted] a ride to a hotel and they could talk about it there and not in front of other Officers. Sergeant Galovich stated [redacted] had slurred speech, slow mannerisms Sergeant Galovich estimated [redacted] to be a .12 (Blood Alcohol Concentration). Sergeant Galovich stated [redacted]' walking was very slow and deliberate and [redacted] was fumbling through his phone trying to get text messages, so he finally handed it to Sergeant Galovich.

Sergeant Galovich stated at some point [redacted] showed him text messages and identified the officer having the affair with his wife as Officer Stokhaug. Sergeant Galovich stated the phone was [redacted]' phone and he was showing Sergeant Galovich a screen shot of a message thread. Sergeant Galovich explained he couldn't scroll up through the message thread and that's how he knew it to be a screen shot of a message thread. Sergeant Galovich stated [redacted] showed him one picture of a message thread while at the house and another one while driving to the hotel.

Sergeant Galovich estimated the screen shot had approximately eight messages back and forth. Sergeant Galovich stated there was no name nor phone number at the top of the screen shot indicating who it belonged to. Sergeant Galovich stated [redacted] informed him that his wife, [redacted], got a new phone and never disconnected the old phone so [redacted] was still getting all their text messages and he had taken a picture of it with his cell phone. Sergeant Galovich stated the messages appeared to be text messages because the messages had the blue and green indicating one person had an Android phone and the other person had an iPhone.

Sergeant Galovich stated when [redacted] was coming down the stairs and handed him the phone, Sergeant Galovich remembered reading a message that read "I could suck the cum out of you." Sergeant Galovich stated he remembered that because it caught his attention. Sergeant Galovich recalls on the second screen shot he was shown by [redacted] had a message reading "well, I know you're okay with anal." Sergeant

Galovich stated the following message read, "well, duh." Sergeant Galovich stated the second screen shot of a text message thread also had the colored messages indicating text messaging. Sergeant Galovich stated there was no name at the top of the screen indicating who the messages belonged to.

Sergeant Galovich stated [redacted] was upset [redacted] had called the police on him, so [redacted] wanted to report the affair. Sergeant Galovich advised he informed [redacted] to come to the Police Department the following day to look further into the affair. Sergeant Galovich informed Lieutenant Lockhart of the incident. Sergeant Galovich was advised by Lieutenant Lockhart to let [redacted] know he (Sergeant Galovich) would meet with [redacted]. Sergeant Galovich called [redacted] and arranged a meeting the following day.

Sergeant Galovich met with [redacted] down the block from his house. Sergeant Galovich stated [redacted] seemed apprehensive about talking with him. Sergeant Galovich stated [redacted] informed him his wife confronted him about talking to the police about Officer Stokhaug. Sergeant Galovich stated it seemed like [redacted] was suspicious of FPD telling Officer Stokhaug. Sergeant Galovich stated he had spoken with Officer Moniz the night of the incident and informed Officer Moniz not to talk about anything he had heard. Sergeant Galovich advised during the incident he had cleared Officer Moniz once the situation was under control.

Sergeant Galovich stated he didn't believe [redacted] had even mentioned Officer Stokhaug's name while Officer Moniz was present, but that [redacted] had said the Officer worked weekdays and was off at 10:30.

Sergeant Galovich stated while on the way to the hotel with [redacted], he had mentioned the affair was happening while Officer Stokhaug was on duty. Sergeant Galovich asked [redacted] the next day when they met down the block from [redacted]' house how he knew it these acts occurred on duty and [redacted] stated he wasn't sure if it was on duty, but that he knew from text messages that Officer Stokhaug was in uniform. Sergeant Galovich stated he didn't ask [redacted] to further clarify how he knew Officer Stokhaug was in uniform. Sergeant Galovich stated he was trying to get the text messages from [redacted] and [redacted] kept assuring him he would send him the text messages. Sergeant Galovich advised he never received the screen shots from [redacted]. Sergeant Galovich stated he was told by [redacted] he had erased the screen shots.

Sergeant Galovich didn't recall ever seeing Officer Stokhaug parked on Ellis Circle for long periods of time or even in the area of Ellis Circle on the RIMS mapping system.

Sergeant Galovich stated he believed [redacted] to be credible and that [redacted] stated [redacted] had done this numerous times with "a couple different cops, she's a badge bunny pretty much" *(Galovich BWC Axon Body 3 Video 2022-04-16 1526 X60A22366 02:03 through 02:07.)* [redacted] also related to Sergeant Galovich, [redacted] had been sleeping with a "Sac Sheriff for a couple years" and that [redacted] and her "cousin" attended a crab feed in South Sacramento and slept with a Captain from the CHP" *(Galovich BWC Axon Body 3 Video 2022-04-16 1526 X60A22366 07:41 through 08:02.)* Sergeant Galovich believed [redacted] got scared that we (FPD personnel) would tell Officer Stokhaug what was going on and [redacted] became uncooperative.

*Sean and I were dating for about three and a half years, but we are done now. He is a cheater and a liar. We did meet sometimes while he was on duty. We would meet sometimes by the Jamba Juice in Folsom. There was never anything else other than kissing and hugging. He was always very respectful. I do remember him coming by my house when I lived in Roseville. He let the dog out and let me meet Astro. He came inside the house and there was some small talk. We did have sex those times when he came by my Roseville house. [*Earlier in the conversation she denied that there was any sexual contact between the two during these meetings*] I think it was maybe three times. He came by my parent's house one time when he was on duty. He only stayed about three minutes though.*

He lied to me and said he was separated from his wife, but he wasn't. I went to [redacted] *It was traumatic. He went to a Green Bay Packers game one time and told me that he was taking* [redacted] *but he actually took* [redacted] *That's all I want to say right now.*

[redacted] stated that she had just spoken with her mother and had been encouraged by her to tell the whole truth about her relationship with Officer Stokhaug.

After several questions regarding the subject of Officer Stokhaug's visits to her Roseville house after training, [redacted] stated Officer Stokhaug would touch her vagina with his

fingers while lying in bed. [redacted] confirmed this act occurred after one of Officer Stokhaug's training days and stated the actions were consensual. She estimated this occurred on three occasions. *Officer Stokhaug's current assignment as a K9 handler began in September of 2020. At the time Officer Stokhaug was assigned a new K9 partner, Astro. The current trainer used by the Folsom Police Department has training locations throughout the region that the class attendees travel to during the 6-week period.*

[redacted] was asked if there were any other occasions where she and Officer Stokhaug engaged in any type of sexual contact while he was on duty. She described an occasion where she "jumped into his Police car" and Officer Stokhaug played with her "clit ring" She could not recall when this occurred and then stated that this act occurred "like a gajillion (sic) times".

[redacted] described a location that her and Officer Stokhaug would meet while he was on duty. She stated that there was an empty parking lot down the road from Jamba Juice on Blue Ravine where the two would frequently meet. She denied that there was any other sexual contact between the two but stated Officer Stokhaug would place his hand down her pants every time the two met at this location. She estimated that this occurred approximately three times per week during their relationship.

[redacted] stated Officer Stokhaug never removed any part of his uniform or unzipped his pants in any way. She related he was "very good about his protocol". According to [redacted], these events usually occurred inside her vehicle.

[redacted] was asked if there was any other information she wanted to add. She related she wanted me (Lt. Canepa) to "just clear him" and then stated that Officer Stokhaug utilizes his position "in a manner that's seductive to women". *(In speaking with Lieutenant Canepa, he believed [redacted] was generalizing and stating to clear officer Stokhaug of whatever allegations he was being investigated for.)* According to [redacted], Officer Stokhaug's wife told her that she is not the first one and possibly the third woman.

When asked by Lieutenant Canepa if she ([redacted]) knew the names of people with whom Officer Stokhaug had been sexually involved with, [redacted] provided the name "[redacted]." [redacted] went on to tell Lieutenant Canepa "[redacted]" was an "officer from another area." Lieutenant Canepa wasn't able to confirm this statement or identify "[redacted]."

She ended the conversation by stating Officer Stokhaug is going through a hard time, that he just needs a mental break, and needs help. Oddly, prior to hanging up, she stated "take him off duty, he's a terrible person".

[redacted] refused to conduct this or any further interviews in person. Based on my training and experience, [redacted]'s behavior and speech patterns during this interview were indicative of someone that was under the influence of some type of intoxicant.

OFFICER SEAN STOKHAUG (Second Interview)

On September 29, 2022, Officer Stokhaug was interviewed a second time at the Folsom Police Department in the administrative conference room. Officer Stokhaug elected to have Attorney Sean Howell present with him during the interview. Officer Stokhaug was ordered to cooperate with the investigation and directed to answer all questions in a truthful and accurate manner. He stated the following in summary (audio and transcript attached):

Officer Stokhaug advised he did receive a copy of the transcript from his initial interview, and he had an opportunity to review the transcript.

Officer Stokhaug was shown a California DMV photo of [redacted] ([redacted]) and asked if he recognized her. Officer Stokhaug stated he recognized the person in the photo as [redacted] ([redacted]).

Officer Stokhaug stated there was no more information related to his on duty sexual contact or policy violations regarding his relationship with [redacted]. Officer Stokhaug stated there were no additional on duty meetings between him and [redacted].

Officer Stokhaug confirmed the three meeting locations as Mikuni's, Kemp Park, and Livermore Park. Officer Stokhaug stated he had communication about this case with [redacted]' cousin. Officer Stokhaug stated he just found the message not too long ago. Officer Stokhaug stated [redacted]' cousin had informed him that [redacted] was re-interviewed. Officer Stokhaug stated all he said was that nothing happened and then he blocked her. (Officer Stokhaug was shown a California DMV photo of [redacted] and asked if he recognized her) Officer Stokhaug stated the female in the photo was [redacted]' cousin, [redacted] ([redacted]).

Officer Stokhaug remembered that he was asked during his initial interview if he had ever stayed at a hotel with [redacted]. He added the fact the [redacted] wanted to bring her cousin, [redacted], to the hotel as well.

Officer Stokhaug stated he is not still in communication with [redacted]. Officer Stokhaug stated nothing beyond hugging and kissing occurred with him and [redacted] during this incident. Officer Stokhaug couldn't remember if he touched [redacted] exposed breast or her groin area during the meeting at Livermore Park.

Officer Stokhaug stated he never mentioned [redacted] during his initial interview because after talking about the blow job he received in Kemp Park it was still bothering him. He inferred that these other actions were "lesser included" actions but stated that he was not intentionally attempting to hide his involvement *(Officer Stokhaug Transcription #2, pg. 11.) It's my belief the term "Lesser Included" as used by Officer Stokhaug in this*

statement was inferring he had already truthfully admitted to [redacted] performing oral copulation on him in a City of Folsom Park, while in full police uniform, on duty and standing on the open door of his fully marked police vehicle and as such, the act of kissing in a public place, including a park, was comparatively less in scope.

Officer Stokhaug confirmed that [redacted] and he hugged and kissed while at Livermore Park and Officer Stokhaug believed [redacted] put her hand on his crotch.

Officer Stokhaug confirmed that [redacted] knew about he and [redacted]' relationship. Officer Stokhaug stated he had not had any on duty sexual conduct with any other person.

Officer Stokhaug confirmed that he went to [redacted]'s house after K9 training in Yuba City on possibly two occasions. Officer Stokhaug confirmed that he let [redacted] see his Police K9 and then he left. Officer Stokhaug said this occurred when he received his new Police K9. Officer Stokhaug stated he was in dog school at that time for about six weeks. Officer Stokhaug stated his training included several cities such as San Ramon, Pittsburg, Antioch, Yuba City, Chico, and Folsom. Officer Stokhaug stated he couldn't remember if he went into [redacted]'s house, but if he did it was for a short period of time.

Officer Stokhaug stated he has never had any on duty sexual contact with [redacted]. Officer Stokhaug stated he and [redacted] just kissed while he was on duty. He said that she wanted to do more than kissing but he declined.

Officer Stokhaug confirmed that he met [redacted] while on duty near Blue Ravine and Folsom Boulevard. Officer Stokhaug stated this was a normal meeting spot for he and [redacted], and that he met her there on approximately five occasions. Officer Stokhaug stated he got into [redacted]'s car once or twice, but it wasn't comfortable. Officer Stokhaug stated he and [redacted] just talked and kissed. Officer Stokhaug stated [redacted] has been inside his Police vehicle, but he couldn't remember. Officer Stokhaug stated [redacted] got into the car to see it and to see Astro. Officer Stokhaug stated he and [redacted] also stood outside the car and talked. Officer

Stokhaug stated this probably occurred in 2020-2021. Officer Stokhaug stated he never put his hand down [redacted]'s pants and touched her genitalia in any of those five meetings or anywhere else.

Based on a statement made by [redacted] in regards to a possible additional female in which Officer Stokhaug had a sexual relationship with, Lieutenant Canepa asked if Officer Stokhaug knew a woman "[redacted]" who's in law enforcement. Officer Stokhaug stated "I have no idea who you're talking about" and asked Lieutenant Canepa who "[redacted] was."

Officer Stokhaug stated his understanding of the admonishment which was read to him during the first interview and during this interview was to tell the department what happened between he and [redacted]. Officer Stokhaug stated he had already been reprimanded for the relationship with [redacted]. Officer Stokhaug never mentioned [redacted] in the previous interview because he felt he had been disciplined for it already.

Officer Stokhaug stated that on the onset they ([redacted] and [redacted]) were going to lie about what happened and he decided to tell the truth. Officer Stokhaug stated he believed the [redacted] thing was handled, but it wasn't. (*Officer Stokhaug expressed to Lieutenant Canepa he was under the impression his involvement with Personnel Investigation #21-001 involving [redacted] and the end result of being given a letter of reprimand due to his actions was his only involvement with a Personnel Investigation involving him and her and that it had been completed.)* Officer Stokhaug stated everything that went on with [redacted] had completely killed him inside. Officer Stokhaug stated he and his wife are going to therapy next week and he is going to a therapist by himself. Officer Stokhaug stated he is looking into inpatient treatment. He was ashamed about his involvement in this, especially after 22 years. Officer Stokhaug stated with the investigation and everything going on he believes he is still doing a good job.

Officer Stokhaug stated there was nothing else regarding the investigation that he wanted to add. Officer Stokhaug explained that he let his personal issues bleed over into his work, but that he was working on correcting it. Officer Sean Stokhaug has been a police officer for the City of Folsom since June of 2004. Prior to coming to Folsom Sean was a Police Officer with the Sacramento Police Department. Sean has spent his entire tenure with the Folsom Police Department in patrol and has been assigned to the K9 unit on two occasions, Sean is currently assigned to patrol team 5 (weekday swing shift) as a K9 officer with his K9 partner Astro. Sean's annual evaluations have described him as a productive and helpful officer who routinely trains new members of the department with an overall rating of meeting standards (2018,2019,2020.) Having personally worked with and/or supervised Sean both directly and indirectly I know him to be a caring individual with a mild demeanor and strong work ethic. Sean commonly volunteers to hold over after his shift ends to maintain staffing levels, take civilian ride-alongs and is always available for preplanned operations wherein him and his K9 partner are requested.

Memo

[redacted]

For many, the importance of honesty is taught to us as a child, wrong from right, truth not lie as well as the consequences of the undesired behaviors. For peace officers this is further engrained throughout the respective POST academy we attend prior to being sworn in as law enforcement officers. We take classes on ethics, courtroom testimony, are taught our written word is our identity. We are also taught as hard as this job is to attain, it's very easy to lose, the easiest way being dishonest in any aspect of the job. This includes while being the subject of a personnel investigation. Furthermore, as a profession and an agency, we demand honesty from ourselves as does the public. Our co-workers and citizens both within our direct jurisdiction and throughout the state, have the expectation, albeit a very reasonable one, that what an officer writes and/or says is both accurate and truthful. Without honesty we have little to offer the profession and those we serve. Sean has been an officer for over two decades, held special assignments and been entrusted to train new and lateral police officers alike. He understands the need for honesty as much as anyone and his past practice of falling on is sword rather than making excuses shows this quality within his character.

Sean was asked why he didn't mention [redacted] in the first interview. Sean stated he was still bothered by the "blow job" and that this incident (the meeting at Kemp Park

where [redacted] performed oral copulation on him) was on the forefront of his mind. An event of this magnitude, one Sean had to personally divulge in an uncomfortable environment to longtime co-workers would likely be on the forefront of anyone's mind in the same situation as he. Understanding the stress an investigation such as this can put on a person who by all measurable accounts (annual evaluations and direct supervision) has always been forthcoming and empathizing with that person, I can see how one can be laser focused on the questions being asked of them to ensure they tell the entire truth, may forget some details in error.

When asked this line of questioning during his second interview, Sean acknowledged he was aware of the [redacted] contact during the initial interview. In regards to this personnel investigation, I can see no motive for Sean to intentionally omit the details of his actions with [redacted] which were minor in scope when compared to the acts he fully admitted too.

While listening to the audio recording of Lieutenant Canepa's September 28th interview with [redacted] and based on my training and experience, [redacted]'s behavior and speech patterns were consistent of a person who was under the influence of an intoxicant. This observation of [redacted] was also documented during PERSONNEL INVESTIGATION #21-001, specifically during a 911 call made to FPD Dispatch in December of 2019 and again in February 2020. I feel this is an important observation to note as subject's under the influence of an intoxicant can at times embellish and/or fabricate the premise of their message.

Regarding the allegations that Sean engaged in on-duty sexual activity and conducted himself in an unbecoming manner, I believe there is sufficient evidence to show this to be true. Again, Sean's honesty related to these accusations being the most substantial evidence garnered in this investigation.

We, as peace officers, are held to high standards, both on and off duty. As a veteran officer with over 20 years on the job, Sean should have no doubt about the expectations of both our department, our community and the profession. It's disappointing to me Sean for whatever reason allowed these events to occur. Frankly, I believe Sean is lucky in the fact a member of the public didn't come across the meetings in Kemp and Livermore Parks involving him, [redacted] and [redacted]. Having worked for the city for over 18 years myself, I'm aware members of our community as well as those from outside of it, commonly visit, walk through and use our parks at all hours of the day, despite local ordinance stating parks are open from 7am until 1 hour after sunset. That said, there's no way to say for sure no one did see Sean at those times, chose not to record the act(s)

taking place or if they did record them, post the recording(s) on social media or chat groups specific to Folsom. While I can't opine as to everything that could have come as a result had that occurred, I can say without hesitation, further embarrassment to himself as well as our agency and profession was guaranteed had they occurred and made public. In a time where officers and agencies throughout the country struggle to remain relevant with positivity rather the negativity this type of behavior is reprehensible. Sean being a veteran police officer which, in my view, makes his behavior that much worse and intolerable, put both himself and the Folsom Police Department at risk.

In Sean's second interview, he concluded by stating he let his personal issues bleed over into his work, (organically resulting in time and attention away from his assigned duties) but he was working on correcting it. Sean stated he is [redacted] and he doesn't drink or do drugs. Sean, concluded the interview by stating that he is working on being better for himself and his family. Unfortunately, the personal issues Sean referenced had in fact bled over into his professional life and impaired his judgement and decision making to a point those decisions caught up to him in a negative manner. A manner in which Sean seemingly justified to himself on-duty sexual activity was appropriate to participate in, not once, but twice with [redacted], one of those times also including [redacted]. While it's difficult for me to determine with accuracy how many times this same behavior took place with [redacted], I have no doubt this sort of behavior took place in some form while Sean was representing the Folsom Police Department in some way, even if just while returning from training in his training uniform, a marked patrol vehicle and with a police canine purchased and owed by the city.

Sean with his tenure in the profession reasonably should've known the possible consequences of his actions and unbecoming conduct. To think Sean believed his actions were minor in scope to the point he continued to repeat the unbecoming conduct with at least three women he had some form of relationship with, is a sign of poor decision making, maturity and common sense. Based on statements made by [redacted] in regards to her first meeting him during a call for service where Sean allowed her to borrow a pair of his "weather pants" seems like a very calculated decision on Sean's part. It assured [redacted] would have to contact him at some point to return the pants to him. This would allow Sean to attempt to progress the relationship from professional to personal if he chose to do so. [redacted] confirmed in her statement this was in fact where their relationship started.

[redacted] went on to state when she and Sean would meet in the empty parking lot down the road from Jamba Juice while Sean was on duty, one time she "jumped into his police

car." [redacted] elaborated, saying Sean never removed any part of his uniform or unzipped his pants in any way and he was "very good about his protocol." This tells me Sean was aware of his actions, knew they were unbecoming conduct of an officer and wanted to be able to appear as if nothing was occurring should a member of the public or other officer came upon him and [redacted] during the acts as they occurred. [redacted] also stated Sean used his position (as a police officer) "in a manner that's seductive to women." Again, this tends to show Sean was calculated in his actions during his initial contacts with [redacted] and likely [redacted].

Going back to my earlier explanation of the POST academy and ethics portion, Sean and I'd think all sworn police officers as well as members of the public, would agree sexual conduct on duty, while in unform in a city park is unbecoming and a poor professional and ethical decision alike. Furthermore, its outlined in FPPM 339-Standards of Conduct, sub-section 339.5.4(b), Relationships. This is built upon further in sub-section 339.5.9(m), Conduct which states, "Any other on or off-duty conduct which any member knows or reasonably should know is unbecoming a member of this department is contrary to good order, efficiency or morale, or tends to reflect unfavorably upon this department or its members."

For the reasons stated throughout this insight, the discipline of 160 hours without pay is reflective of the poor decision making, conduct, maturity and common sense displayed by Sean. This is especially true for an officer with over 20 years' experience and one responsible to training (molding) new officers to the department as they embark upon their careers here. The potential embarrassment for all members of this agency as well as the burden each would bear as well as the city as a whole had these choices lead to public awareness was far greater in scope than the suggested discipline.

The selection process for an officer attempting to attain the position of canine handler is both formal and informal in nature. On the formal end there's an oral interview and in the past, scenario and report writing based portions as well. On the informal end of the process and always included is the applicant's demonstration of maturity, sound decision making abilities and common sense. These traits are important to the position as a result of the high liability it carries. In Sean's 2018 annual evaluation, Sergeant Baade (now retired) wrote "He [Sean] recognizes the potential for liability to the department and consistently advises his immediate supervisor on calls and subjects that need attention."

As a former canine handler, canine unit supervisor and currently the canine unit manager, I need the assigned officers to be able to act on their own, without or without direct supervision and trusted to make sound decisions. The decision to deploy a police patrol

canine to seize a person without violating their 4th amendment rights is one that can't be taken lightly or with bad conscious. Being assigned as a K9 handler has great benefits the successful applicant(s) including but not limited to a take home vehicle, autonomy and a pay raise for the 7 days a week, 365 days a year care of the K9. These included benefits are taken into account during the selection process which is why successful applicants must demonstrate maturity, good decision making, responsibility and a strong ethical base. What once wasn't a worry in my mind in regards to Sean nor was it in Sergeant Baade's when he wrote Sean's 2018 annual evaluation, has now become one for me through Sean's actions.

Being selected as a Field Training Officer (FTO) can often times be one of the more valued selections in a police officer's career. Essentially an FTO is the first line supervisor for the trainees under their leadership, mentoring and direction. When selecting new FTOs, the FTO Sergeant and Lieutenant consider the applicant's decision making, maturity, evaluation history, ethical base and moral fortitude. Unfortunately, the actions taken by and poor decisions made by Sean as related to this personnel investigation have shown a vacancy within Sean and one, we as an agency in good conscious cannot continue to allow train rookie nor veteran officers who have decided to join our agency and serve our community.

Every six months patrol officers and supervisors bid by seniority for their assigned shifts, supervisors, days on, hours and days off alike. Since 2019 Sean has shown he not only struggles with decisions directly affecting him but also with ones potentially affecting the agency on a much larger scale. For that reason, we have an obligation to both Sean and the agency to minimize those risks. By placing Sean on a shift, where he can be more closely supervised by a sergeant and/or corporal that practice active supervision in addition to minimizing the possibility of Sean being "out of sight, out of mind" during his work hours, removing the added responsibilities of being an assigned K9 handler and FTO, both parties have a greater chance for success and less chance of liability or wrong doing.

Summary of Facts

1. On April 15, 2022, at approximately 1544 hours the Folsom Police Communications Center received a call from [redacted] via the non-emergency line stating her husband, [redacted], was intoxicated and accusing her of "things" and she did not want him around their children in that state. [redacted] requested Officers respond to the residence and force him to leave.

2. Sergeant Galovich and Officer Moniz were dispatched to the call. Upon contact, [redacted] told officers that he and his wife, [redacted], were having "issues" because his wife was having sex with a Folsom Police Officer.

3. [redacted] made further statements, saying, "He's a K9 cop, he works until about 10:30 or 11" and "She's been fucking him on duty." [redacted] later handed a cell phone to Sergeant Galovich and said, "Sean Stokhaug" referring to the name of the officer he believed his wife, [redacted], was having a sexual affair with, while on duty.

4. On April 16, 2022, Sergeant Galovich met with [redacted] who informed Sergeant Galovich that the screen shots he showed Sergeant Galovich the night prior were obtained from an old phone that belonged to [redacted] which was still connected to a messaging service. [redacted] learned of your affiliation with the department, and the fact that you had sexual contact with [redacted]

Combs while on duty and/or in uniform, from the messages he discovered on that phone.

5. An Internal Affairs investigation was initiated regarding the on-duty sexual conduct allegations.

6. On April 21, 2022, [redacted] was interviewed, and he confirmed the information given to Sergeant Galovich. [redacted] stated at some point he looked at [redacted]' actual phone, possibly Facebook Messenger, and saw messages about "hooking up in parks and stuff like that." [redacted] was asked what led him to believe these acts occurred while you were on duty, and [redacted] alluded to a statement one of you made in the messages saying, "we shouldn't be doing this."

7. On June 9, 2022, [redacted] was interviewed, and she stated that she knew you and that you two met at Dutch Brothers about a year ago. [redacted] stated she located you on Facebook after the initial encounter and you two began talking through the messaging service at that time. During this interview, [redacted] claimed the relationship was never romantic and mostly consisted of just chatting over social media. [redacted] stated you two met on one occasion which consisted of conversating in the middle of the day, and it did not occur while you were on duty.

8. On August 17, 2022, Sergeant Galovich was interviewed, and he mentioned [redacted] handed his phone to Sergeant Galovich to have Sergeant Galovich view the messages. Sergeant Galovich recalled seeing a message that read, "I could suck the cum out of you." Sergeant Galovich also recalled seeing a message that read, "well, I know you're okay with anal" with a response reading, "well, duh." Sergeant Galovich asked [redacted] how he knew you were on duty when these sexual acts occurred and [redacted] stated he was not sure it was on duty, but he knew from the messages that you were in uniform.

9. On September 8, 2022, you were interviewed regarding the allegations made against you. You stated you met [redacted] at Dutch Brother's while at work. You confirmed [redacted] had messaged you on Facebook and you two began talking through social media. You stated your relationship with [redacted] progressed with the two of you sending pictures through Facebook messenger.

10. You stated you met with [redacted] in person three times while you were on duty and in uniform with your patrol vehicle. Two of these three meetings involved on duty sexual contact between you and [redacted] in public parks.

11. The second time you met with [redacted] while you were on duty, in uniform, and with your patrol vehicle was at Kemp Park. You stated this meeting occurred by the baseball fields around 2300 hours one night, but you could not recall the date. You stated that during this encounter, [redacted] gave you a "blow job", meaning that she performed oral copulation on you. You stated this occurred at Kemp Park, right at the door of your patrol vehicle, while you were standing up with the door open. You stated there was also hugging and kissing between you and [redacted] during the same encounter at Kemp Park.

12. The third time you met with [redacted] while you were on duty, in uniform, and with your patrol vehicle was at Livermore Park. You stated this meeting occurred around 2300 hours one night, several months after the Kemp Park encounter, but you did not remember the date. During your first interview, you stated that during this meeting, you and [redacted] "just kissed". You stated you did not remember there being any touching through the clothing or anything like that during the Livermore Park meeting. You did not mention any other person being present during this encounter.

13. On September 14, 2022, [redacted] was interviewed a second time, after your first interview, to follow up on what you had said.

14. In this interview, [redacted] stated that you two met up at Kemp Park, where she performed oral copulation on you while you were standing outside your patrol vehicle. [redacted] confirmed that you were in uniform when this occurred.

15. In this same interview, [redacted] stated that she met with you on a separate occasion, at Livermore Park. [redacted] stated she "flashed" you, meaning that she exposed her breasts to you during this meeting. She could not remember whether there was touching between the two of you during this encounter.

16. During her second interview, [redacted] also stated that her cousin, [redacted], was present when you met Combs at Livermore Park.

She stated that you and [redacted] were "making out" during this encounter. [redacted] stated you grabbed [redacted]'s exposed breast as well during the meet. She believed [redacted] touched your genital area during this encounter. [redacted] confirmed you were in uniform and had your patrol vehicle during the meeting in Livermore Park when this contact occurred.

17. On September 14, 2022, [redacted] was interviewed and she confirmed having met you through her cousin, [redacted]. She stated that she communicated with you through Facebook Messenger. [redacted] stated that when the two of you communicated, you talked about "sexual things". [redacted] stated that one of your conversations led to in person contact. Specifically, she stated the only time she met you in person was at Livermore Park with [redacted]. [redacted] confirmed that you were on duty in full uniform with your patrol vehicle during the Livermore Park incident.

18. [redacted] stated that you rubbed her breasts and also [redacted] breasts through their clothing and also rubbed their exposed breasts during this encounter. [redacted] stated that you touched her genitals through her clothing, and she touched your genitals through your clothing. [redacted] stated that, while this was happening, [redacted] was "touching him as well, right next to us". She confirmed that it was the three of you, [redacted], and you, all participating in this contact. [redacted] stated this occurred at night, just outside your patrol vehicle, in Livermore Park, near the playground.

19. On September 29, 2022, you were interviewed a second time regarding the information received from the interviews with [redacted] and [redacted]. You identified both women through DMV photos presented to you.

20. You confirmed meeting [redacted] at Livermore Park with [redacted] while you were on duty, in uniform, and with your patrol vehicle. You confirmed this was the same encounter described above as your third meeting with [redacted]. This meeting involved on duty sexual contact between you, [redacted], and [redacted] at a public park.

21. You stated that during this encounter, [redacted] "flashed" you, meaning that she exposed her breasts. You then told [redacted]

[redacted] and [redacted] that "we can't do that here" and you all moved to another part of Livermore Park, near the softball field.

22. Once there, you stated that you, [redacted], and [redacted] were kissing and hugging. You also stated that during this same time, you touched [redacted]'s genitals over her clothes. In addition, while all of this was happening, [redacted] was grabbing your genitals while you were touching [redacted]'s breasts under her shirt. You confirmed that while this all occurred, you were on duty in full uniform with your patrol vehicle.

23. When asked why you did not tell investigators during your first interview about [redacted], or the extent of the on-duty sexual contact that occurred during the Livermore Park incident, you stated, "because after talking about the blow job ... that I received from [redacted] at Kemp Park ... I was still and am still bothered by it ... and ... because the kissing and stuff that was not necessarily like a lesser included, it's still bad to do that, I understand, ... but ... this whole thing has just bothered me so much.... I wasn't trying to hide it or anything like that."

24. At the start of the first interview, you were admonished to "answer all questions asked of you completely and that all of your answers are to be truthful. Knowingly make[ing] false or misleading statement during this interview will be considered a separate offense that could result in discipline up to and including termination."

25. In the second interview, you admitted that you knew about your sexual contact with [redacted] during the first interview. However, you never mentioned [redacted] during your first interview. In addition, when describing what occurred during the Livermore Park incident in your first interview, you stated that you and [redacted] "just kissed".

26. During the second interview, in attempting to explain why you failed to mention [redacted] or the extent of the on-duty sexual conduct that occurred during the Livermore Park incident, you stated, "I knew ... at the outset that they lied. And that was what their story was going to be... but I'm like, no, I'm not gonna go and lie about what ... happened, what was done to me, what I did."

Analysis

As police officers we are held to a high standard, both on duty and off duty. As a veteran officer with over 20 year on the job, you should have no doubt about the expectations of both our department and our city. The sexual acts that were performed in public parks while on duty and in full police uniform were in clear violation of the Folsom Police Policy Manual (FPPM), City of Folsom Personnel Rules and Regulations, and the Folsom Police Officers' Association Memorandum of Understanding. This occurred not only once but on two separate occasions in public parks.

During both your interviews you were admonished and ordered to answer any and all questions asked of you in a complete, truthful and accurate manner. You were admonished that making false or misleading statements could be deemed insubordination and could result in discipline, up to and including termination.

Near the end of your first interview, you were asked if there was anything else that you wanted to add that might be discovered during the investigation, to which you said, "No." You were also asked if the extent of your on-duty contacts which included sexual acts was only the one incident at Kemp Park where oral copulation occurred and you stated "yes". During the investigation it was discovered that there was another incident involving sexual conduct while on duty. This was at your meeting in Livermore Park. You initially stated there was only hugging and kissing with [redacted]. Actually, as you admitted in your second interview, there was a second female, [redacted], and more then hugging and kissing occurred not only with [redacted], but with [redacted]. There was also touching of exposed breasts with both women, and the touching of genitals through clothing by all three of you.

It is your duty as an officer to give a full and accurate statement regardless of the circumstances. You stated that you did not mention [redacted] or accurately report the extent of the sexual contact that occurred during the Livermore Park incident because you were still bothered by the "blow job" and it was on the forefront of your mind.

Understanding the circumstances and the stress involved with an internal investigation it is still your duty to notify the department and the investigators of any information related to the investigation. Performing sexual acts with two women in a public place while on duty and in uniform is a relevant piece of information and is something that would be hard to not remember especially when asked about it in the course of an investigation specifically focused on such conduct.

Right to Respond

Please note this is a Preliminary Notice of Disciplinary Action. Before the implementation of any discipline, you have the right to review all relevant documents and materials and to respond orally and/or in writing to the charges and to the proposed discipline. Copies of the material and documents supporting this proposed discipline are enclosed.

You have a right, per the MOU between the City and FPOA, to request a Skelly meeting within five (5) workdays after receiving this Preliminary Notice of Disciplinary Action. The request must be made in writing by you or your representative and delivered to the Human Resources Director, within the specified time frame. Failure to respond or inaction within the specified time will result in the waiver of the right to a Skelly meeting and the proposed discipline will become the final order. Should you choose to request a Skelly meeting, please address the request to the City of Folsom, Human Resources Director, Allison Garcia, 50 Natoma Street, Folsom, CA 95630.

You may bring a representative of your choice to the Skelly meeting; however, this is not an evidentiary hearing. No witnesses will be permitted or examined. This is an opportunity for you to provide a response to the allegations supporting the proposed discipline and to explain why it should not be imposed or why the level of discipline should be modified.

Memo

To: Lt. Lockhart

From: Sgt. Galovich

Date: 04/17/2022

Subject: Officer Stokhaug

On 04/15/2022, at about 1551 hours, Officer Moniz and I went to [redacted] Ellis Dr on report of a 415DV (FPD incident #2204150082). On this call for service, [redacted] was reporting that her husband, [redacted], was intoxicated, and she didn't feel comfortable with him being intoxicated in front of their children. She asked that we ask [redacted] to leave for the evening until he sobered up. Upon contact in their bedroom, [redacted] was extremely intoxicated and when asked, he agreed to go to a hotel for the evening.

While waiting for [redacted] to gather some personnel items, he told me he and his wife were having marital problems because she was sleeping with a Folsom PD K9 Officer, but at that moment he could not remember the officer's name. I advised [redacted] he and I could talk more later and I waited at my patrol vehicle to give him a ride to a hotel. I advised Officer Moniz not to tell anyone what [redacted] had told us and Officer Moniz left the scene.

A short time later, I transported [redacted] to a local hotel and while en route, [redacted] advised his wife was sleeping with Officer Stokhaug and that they have had sex while Officer Stokhaug was on duty. [redacted] then showed me screen shots of two text messages that he claimed were between his wife and Officer Stokhaug. One of the texts talked about them having anal sex and other text talked about her performing oral sex on Officer Stokhaug. Neither of the screen shots showed [redacted]'s or Officer Stokhaug's names nor their phone numbers. The screen shots were just of the text messages.

I dropped [redacted] off at the Larkspur Landing Hotel and later contacted you regarding what [redacted] has said.

At your direction, the next day, I met with [redacted] again and spoke with him further regarding the matter. About a month ago, [redacted] observed his wife was texting

Memo

someone a lot. [redacted] retrieved one of [redacted]'s old cell phones that was still connected to her Itunes account and had received all of the text messages between her and Officer Stokhaug. In viewing the text messages, he learned Officer Stokhaug's name and that he was a Folsom K9 Officer. [redacted] advised it was pretty apparent by the text messages that they have had intercourse while Officer Stokhaug was on duty. [redacted] believes his wife has been seeing Officer Stokhaug for at least a month, but has no idea where or when they actually met. [redacted] advised he has about five or six screen shots of the text messages between his wife and Officer Stokhaug.

I gave [redacted] my work cell phone number and asked him to send me the screen shots, but he was hesitant because his wife had already asked him why he told us about her seeing Officer Stokhaug. ([redacted]'s kids were present in the hallway outside the bedroom when he initially told us that his wife was seeing a Folsom K9 Officer.) [redacted] assured me he would send me the text messages later during the evening.

As of 04/17/2022, [redacted] has not sent me the screen shots of the text messages. I left a voicemail and two text messages asking [redacted] to send me the text messages, but he has not responded.

- INTERVIEW -

D.C.: All right. Today is April 21st, 2022. The time is 11:28 a.m. We're here at the Folsom Police Department in the Admin Conference Room. Present for this interview is myself, Sergeant David Canepa, Professional Standards Unit. And I'm here with -- uh -- [redacted] [redacted].

[redacted].: Yes.

D.C.: Is that correct?

[redacted].: Correct.

D.C.: Okay. All right. So, [redacted] -- um -- I just want to talk to you just briefly about -- um -- there was a call at your -- at your house the other night where you were in contact with a couple of Folsom Police Officers. And -- um -- do you rem -- do you remember the call I'm talking about?

[redacted].: Yes.

D.C.: Okay. All right. Can you describe to me what happened?

[redacted].: Um -- well, I was intoxicated but I was asleep. You know, I sleep -- was trying to sleep it off and my wife decided to call and wanted me to get a hotel room.

D.C.: Right.

[redacted].: And then the police department showed up and offered me a ride to the -- to a hotel room --

D.C.: Okay.

[redacted].: -- to avoid conflict with her.

D.C.: Right.

[redacted].: And I accepted it.

D.C.: Okay. And -- and your wife is [redacted], right?

[redacted].: Yes.

D.C.: Okay. Do you guys live together still?

[redacted].: Yes.

D.C.: Okay. And you live at -- um -- on [redacted] -- [redacted] --

[redacted].: Yeah.

D.C.: -- [redacted]. Is that it?

[redacted].: Yeah, [redacted] [redacted] Circle.

D.C.: Okay. Um -- and at some point, you made some statements to our officers, who are -- um -- regarding the fact that your wife was possibly involved in a relationship with an employee here at the police department.

[redacted].: Correct.

D.C.: Okay. And do you know who that employee is?

[redacted].: Uh -- Officer Sean Stockholm.

D.C.: Okay. And how do you --

[redacted].: Stokhaug or something like that. Stok-something.

D.C.: Okay.

[redacted].: Yeah.

D.C.: How do you -- how do you know his name?

[redacted].: Um -- through text messages that I've seen between them.

D.C.: Okay. So, like, you saw --

[redacted].: (Overlapping).

D.C.: -- messages in her phone that -- where he's -- his name is listed as it?

[redacted].: Yeah.

D.C.: As a contact?

[redacted].: Yeah.

D.C.: Okay. All right. And when did you see those messages?

[redacted].: Oh, maybe three weeks ago. I don't know. Two weeks ago. I can't

--

D.C.: That's when it started?

[redacted].: -- remember exactly. Yeah.

D.C.: That's when you saw them or that's --

[redacted].: That's -- that's --

D.C.: Okay.

[redacted].: -- when I saw them.

D.C.: Okay. All right. As -- as far as you know -- um -- how long have they been in a relationship?

[redacted].: Uh -- I have no idea.

D.C.: Okay. Do you have -- I mean, like a ballpark idea or?

[redacted].: Um -- no, I really have zero idea. I don't think it's been that long.

D.C.: Okay. So, maybe like were talking months not years?

[redacted].: Yeah.

D.C.: Okay. Do you know how they met?

[redacted].: Um -- I don't know for sure. But I know she has a -- a Facebook page with a lot of law enforcement. She's like the admin on a law enforcement page, so.

D.C.: Oh, okay.

[redacted].: She has contact with a lot of them all over.

D.C.: Okay. So, maybe it could have been by Facebook?

[redacted].: Yeah.

D.C.: Okay. But do you have -- that's just your suspicion. You don't know --

[redacted].: Yeah. I don't know --

D.C.: -- exactly.

[redacted].: -- for sure. She could have met him at Starbucks. I mean, I don't --

D.C.: Right. Okay.

[redacted].: -- yeah.

D.C.: Um -- has he ever been to a call for service at your house?

[redacted].: No.

D.C.: Okay. All right. And have you ever met him?

[redacted].: No.

D.C.: Okay. Um -- at some point, you became suspicious and looked at your wife's phone? Is that correct?

[redacted].: Ye -- yeah.

D.C.: Okay. And you -- or was it her phone or was it another device or?

[redacted].: Uh -- this is text. But her -- yeah, Face Messenger -- messages on her phone.

D.C.: Okay. On a different device or on her -- on her phone?

[redacted].: Yeah, on her phone.

D.C.: On her phone? Okay. And what did -- what did you -- what did you see?

[redacted].: Um -- messages about them hooking up in parks and stuff like that.

D.C.: Okay. Um -- like, parks that were in Folsom?

[redacted].: I could assume but I'm -- I mean, I don't know where exactly.

D.C.: Okay. There wasn't any name of any particular park or anything like that?

[redacted].: No.

D.C.: Okay. The -- um -- the person you talked to -- um -- because of what you said -- um -- it seemed to believe that this occurred while -- uh -- Officer Stokhaug was on duty.

[redacted].: Uh -- I could assume but I'm not -- I'm not sure.

D.C.: Okay. Do --

[redacted].: Yeah.

D.C.: What would -- what made, what led you to that assumption?

[redacted].: Just -- just their conversation.

D.C.: Like --

[redacted].: But --

D.C.: -- what specifically, though, about their conversation?

[redacted].: -- um -- uh -- just it was that -- like, her saying she could or it was people saying they shouldn't be doing this. I mean, I -- I can't remember exactly now. So, I mean, it's -- like, I'm just done with it. I'm --

D.C.: No, I hear you. Um --

[redacted].: But --

D.C.: What -- uh -- I'm just wondering what -- um -- what specifically made you think that this occurred while you -- the officer was on duty as opposed to just on his off time?

[redacted].: Hmm. I don't know. I just -- I guess nothing really. I mean -- yeah. I'm --

D.C.: It --

[redacted].: I'm -- I'm fine with it. And it's --

D.C.: I -- I -- get --

[redacted].: I -- I --

D.C.: I get -- I get that part.

[redacted].: Yeah.

D.C.: But also, like -- like, there was something that -- um -- there was something that -- that triggered that response, like, in your mind. You, like, you -- I think you had mentioned prior saying like, oh. We shouldn't be doing this or something like that.

[redacted].: Yeah.

D.C.: What -- can you tell me more or can you elaborate on that?

[redacted].: Um -- no. I jus -- I don't have the messages anymore, so I don't

know -- I can't --

D.C.: Right.

[redacted].: -- yeah, I had it. It -- it's hard to remember, but I was just so -- so upset that --

D.C.: Right.

[redacted].: -- you know, I'm just trying to break free and do my own thing now. And --

D.C.: Right.

[redacted].: -- you know, I just want everything to be fine, so. And I know you have an obligation for, you know, the Folsom Police Department and that image and everything. And --

D.C.: Exactly.

[redacted].: -- if I -- if I or if I ever find out anything more, then I'll -- I'll definitely let you know if I find out --

D.C.: Yeah, no. I apprec --

[redacted].: -- anything wrong.

D.C.: -- I --

[redacted].: You know what I'm saying? Like, I don't want you guys to look bad either. It's like --

D.C.: Yeah. I -- I -- I appreciate that what you're saying and -- and that's part of my job is to -- is to kind of protect our -- our reputation --

[redacted].: For sure.

D.C.: -- as well.

[redacted].: Definitely.

D.C.: So, I -- and I understand you don't have the messages anymore.

[redacted].: Yeah.

D.C.: How did -- uh -- how did they disappear?

[redacted].: Uh -- she got my phone and erased them.

D.C.: Oh, okay.

[redacted].: Yeah.

D.C.: All right. So, there is no screenshots or anything --

[redacted].: No.

D.C.: -- like that that exists anymore?

[redacted].: No.

D.C.: Okay.

[redacted].: Yeah. She -- she knows of the passcode to my phone and she get it and periodically does stuff, so.

D.C.: Okay. All right. Um -- and as far as the -- um -- the -- the on-duty stuff, I -- I -- I -- I understand why you're hesitant -- uh -- to talk it because you're saying like, yeah. I just want to be done with this.

[redacted].: Yeah.

D.C.: And I'm not trying to get anyone in trouble. And I think, you know, the fact of the matter is that you're -- you're not getting anyone in trouble. Like, people make their own decisions --

[redacted].: Got it.

D.C.: -- about what --

[redacted].: Oh, for sure.

D.C.: -- they do and what they don't. And so, if -- if, legitimately, nothing happened as far as -- um -- on-duty activities --

[redacted].: Yeah.

D.C.: -- then nothing happened.

[redacted].: Yeah.

D.C.: And, you know, and then that’s that.

[redacted].: Yeah.

D.C.: But if it did --

[redacted].: Then there is --

D.C.: -- then don't you think it's something that we should know about?

[redacted].: Oh, definitely. Most definitely.

D.C.: Right.

[redacted].: Yeah.

D.C.: So, I guess what I'm asking you is for your help to kind of clarify that -- that one portion for me. If your -- if you know a certain date or if you know a certain location or if you know -- um -- a message that, you know, triggered that thought in your mind. Oh, for it -- they just plainly said it.

[redacted].: Yeah.

D.C.: You know? It --

[redacted].: No, yeah. They didn't plainly say it. I guess it was just an assumption. I was, like I said, very upset about this whole situation. And you know --

D.C.: Right.

[redacted].: -- I'm -- I'm hurt and --

D.C.: Right.

[redacted].: -- all that stuff. But, you know, I need to put my big boy pants on and just deal with it, so, you know.

D.C.: Okay, okay. Um -- the -- the message about it saying, oh. We shouldn't be doing that. Is there anything other that you remember about that -- that conversation.

[redacted].: No.

D.C.: No? Okay. Um -- have there been any other contacts that you know about?

[redacted].: No.

D.C.: No? Okay. Do you know if they're still talking to each other?

[redacted].: No.

D.C.: No? Would you assume -- you would assume so, though or?

[redacted].: I'd assume but I -- I don't know for sure because, like, she's very secretive and --

D.C.: Right.

[redacted].: -- all that stuff, so.

D.C.: Okay, okay. And is there any -- any screenshot in your phone right now that you have that is -- it would -- that you would be able to provide to me that would --

[redacted].: No.

D.C.: -- give me any type of -- okay. All right.

[redacted].: Not right now.

D.C.: Okay. Um -- And is there -- okay. I guess -- um -- if you -- uh -- if you don't remember specific conversations, then -- um -- and -- all right. I guess is it -- what you're -- were telling me is you're not a hundred percent that this happened while he was on duty or not.

[redacted].: Correct.

D.C.: Okay. But it did happen?

[redacted].: Yeah.

D.C.: And -- um -- you know that their -- um -- well, can you describe their relationship? I mean, is it -- are they just talking or?

[redacted].: I think he's just uses her for -- hmm -- for sexual advances or whatever. For whatever --

D.C.: Okay.

[redacted].: -- he uses. I don't think they've -- I don't think he plans on getting with her -- with her or anything.

D.C.: Right. So, basically --

[redacted].: So, he --

D.C.: Sorry. Go ahead.

[redacted].: Yeah. Like I said, like she's turned into somewhat of a badge bunny kind of, so. I mean --

D.C.: Oh.

[redacted].: -- and he's skinny, so.

D.C.: Okay. So, you -- it's your understanding that they're just like hooking up right now?

[redacted].: Yeah.

D.C.: Okay, okay. Um -- if and when -- um -- anything else comes -- uh -- available or if you remember something or you feel like elaborating further --

[redacted].: Yes.

D.C.: -- um -- would you reach out to me?

[redacted].: Oh, definitely. Most definitely.

D.C.: Okay. And like I said, I'm here just to prove that someone, you know, didn't do something wrong as much as I am to prove that they did do --

[redacted].: Oh, for sure.

D.C.: -- something wrong. I'm just trying -- I'm just basically a finder of facts, you know.

[redacted].: Yeah.

D.C.: So -- um -- you know.

[redacted].: I can fully understand your position.

D.C.: Right. Like you said, yeah, you do.

[redacted].: Yeah.

D.C.: You're in the -- you're in the -- in the world so you know, like, you know, we have to be -- we have to police ourselves too.

[redacted].: Yeah.

D.C.: Right? So, okay. All right. I'll give you my contact interview or -- or

information and -- uh -- you have my phone number, obviously.

[redacted].: Yeah.

D.C.: Okay. All right. Time is 11:39 and this concludes the interview.

Sean, what is your -- uh -- current assignment?

S.S.: Uh -- patrol -- uh -- K9 han --

D.C.: Okay.

S.S.: -- K9 handler.

D.C.: And how long have you been in that assignment?

S.S.: Uh -- with this department for -- well, for patrol 18 and a half -- 18 years.

D.C.: Eighteen years with Folsom?

S.S.: Yes.

D.C.: Okay. Does your current assignment provide you with a take-home car?

S.S.: Yes.

D.C.: And how -- how long have you had a -- a take-home car with you?

S.S.: Uh -- for this assignment since -- uh -- I think September of 2020.

D.C.: Okay. And so, you -- that's the car that you, obviously, take home, park it at your house, and you drive it work. It stays at your house, obviously, the whole time --

S.S.: Yes.

D.C.: -- through your off time? So, okay. Um -- do you ever make, like, and stops on your way home in your -- in your patrol vehicle?

S.S.: Do I make any stops on my way home?

D.C.: Like, do you ever -- yeah. I mean, do you ever go, like -- I don't know -- to anywhere? To the grocery store? To --

S.S.: Yes.

D.C.: Yeah?

S.S.: Yeah.

D.C.: Like, what type of -- like, what's some of the places you might have gone in your patrol vehicle?

S.S.: Yeah, yeah. I've to the -- yeah. I've gone to the grocery store. Um -- I've gone to -- to visit friends but that's about it.

D.C.: You've gone to -- I'm sorry. You've gone to do what?

S.S.: Gone to visit friends but that's about it.

D.C.: Okay. And what -- describe, like, what -- what do you mean by that?

S.S.: Just, I don't know. Like, I think there have been maybe after a training, I've gone to visit a friend but nothing else.

D.C.: So, tell me -- uh -- can you elaborate on that. Like, what -- what do you mean by after a training you go and visit friends.

S.S.: Like -- um -- just go and say hi. See -- let them see the dog and --

D.C.: Okay. Like -- and who -- and who would that be?

S.S.: Um -- I have -- I've saw [redacted] --

D.C.: Okay.

S.S.: -- at one point, after -- like, after training when I was first training Astro.

D.C.: Okay. And -- and -- can you -- I mean, can you tell me how that occurred or what, like -- um -- any details of that. I -- I don't understand. So, you went to the training and then you went over to -- um -- [redacted]'s house?

S.S.: I believe so.

D.C.: Okay. And what -- uh -- what occurred?

S.S.: I let her see Astro and then I left.

D.C.: Okay. So, basically just to show her the -- is that when you got the new dog?

S.S.: Yeah.

D.C.: Okay. All right. And how many times did that happen?

S.S.: It happened maybe a couple times.

D.C.: Does she live in town?

S.S.: Uh -- no.

D.C.: Okay. Where does she live?

S.S.: Um -- at that time she was living in ro -- in Roseville. But I was coming from training, like, in Yuba City.

D.C.: Oh, okay. And you estimate that that happened, like, maybe two to three times or how -- how?

S.S.: Like once or twice.

D.C.: Once or twice? Okay.

S.S.: Yeah.

D.C.: All right. You -- did you take the dog out of the car or anything?

S.S.: Uh-huh.

D.C.: Okay. All right. Um -- how did -- or do you know someone named [redacted]?

S.S.: Um -- I know [redacted] (phonetic).

D.C.: Who's -- who's [redacted]?

S.S.: Uh -- I don't know if that's -- if that's her maiden name -- [redacted]. But --

D.C.: Okay. Um -- how do you know [redacted]? Well, okay. Where does it -- where does [redacted] live?

S.S.: I have no idea.

D.C.: Okay. How did you -- so, how did you meet [redacted]?

S.S.: Uh -- she -- we met -- uh -- at Dutch Brothers one time.

D.C.: Okay. How -- tell me the circumstances on your meeting. Uh --

S.H.: We -- we know we're talking about the same person, right?

D.C.: I -- I believe so, yeah.

S.H.: Okay. You don't have a picture or anything of her or anything like that?

D.C.: Um --

S.H.: Just to make sure he -- we're talking about the same person.

D.C.: I -- I don't but -- um -- I think the -- the meeting will clear that --

S.H.: That's fine.

D.C.: -- up, I'm sure.

S.H.: I just wanted to -- I'm sure.

D.C.: Yeah.

S.H.: But

D.C.: I think the -- uh -- the circumstances on the meeting will -- will clear that up one way or the other. Uh -- how did you, like, can you elaborate on how you guys met?

S.S.: Yeah. I was -- I was at Dutch Brothers. I had -- uh -- um -- I had Roxanne Alby was my ride along that day. We're just hanging out and I can remember she came through to Dutch Brothers. She had a dog with her.

D.C.: Uh-huh.

S.S.: Um -- I was just talking to her about the dog and that was pretty much it.

D.C.: Okay. And did you continue the relationship with her?

S.H.: I don't --

D.C.: With [redacted].

S.H.: I don't think there was a relationship at that point.

D.C.: Did you continue to talk to her in any -- in any form or fashion?

S.S.: Uh -- she -- she, like -- I can't remember how long it was after that. But she found me on -- on Facebook.

D.C.: Okay.

S.S.: And sent me a message on Facebook.

D.C.: Okay. Yeah. I think we're talking --

S.S.: If that's what you're talking --

D.C.: -- about the same person.

S.S.: -- about. If that's what you're --

D.C.: Well, is it --

S.S.: -- asking.

D.C.: If that's what happened, yeah.

S.S.: Yeah. That's -- yeah. Yes, I'm sorry. That -- yeah.

D.C.: Okay. So, at -- at some point, after your -- this initial meeting at Dutch Bros, you got a message on some type of social media --

S.S.: Yes.

D.C.: -- from her? Okay.

S.S.: Yes.

D.C.: Okay. And did you two begin talking after that?

S.S.: Yes.

D.C.: Okay.

S.S.: We began talking just on -- on the social media messenger. I never gave my phone number or anything like that.

D.C.: Okay. All right. Um -- at -- at -- at any point during -- while you were talking -- um -- did the relationship ever -- um -- include anything more than talking?

S.S.: Uh -- yes, it did.

D.C.: Okay. And what, like, what did it -- what did it progress to? I guess, is what I'm asking.

S.S.: Uh -- well, we sent each other pictures.

D.C.: Okay.

S.S.: Just through -- just through the messenger.

D.C.: Okay. All right. Um -- what else?

S.S.: Uh -- that's pretty -- that's about it as far as just talking. Yeah.

D.C.: Okay. Did -- okay. So, at any point --

S.H.: Hang on -- hang on. He's asking if it progressed to any -- he's not just about talking, right?

D.C.: Yeah.

S.H.: You're asking if it progressed beyond talking at some point?

S.S.: Oh. Um --

S.H.: That's what he -- that's your question --

S.S.: Okay.

S.H.: -- right?

S.S.: That's I -- that's what I -- I --

S.H.: Go ahead.

S.S.: -- misunderstood. Um -- yes, it did progress past -- past talking.

D.C.: Okay. And so, did the relationship become intimate or sexual at -- at one point?

S.S.: Yes, yes, it did.

D.C.: Okay. Um -- okay. So, how -- how many ti -- times would you estimate that you guys have seen each other just, you know, like ballpark?

S.S.: Um -- three.

D.C.: Three times? Okay.

S.S.: I'd seen her -- uh -- I had seen her, like, walking down the street --

D.C.: Right.

S.S.: -- when I've been --

D.C.: I meant, like --

S.S.: But -- but -- but -- but -- but I'm just -- I'm -- because I -- I -- I want to be honest.

D.C.: Right.

S.S.: So, I'd seen her, like, walking down the street walking -- walking her dog as I was driving, like, down East Bidwell.

D.C.: Right. Okay.

S.S.: Because I thought -- I think she lived in that -- in that area.

D.C.: Okay.

S.S.: But that's -- but that's -- that part, face-to-face, I think it had been -- it was three times.

D.C.: Okay. And this is three times that you guys met up for some type of, like, date or -- um -- or hooking up or something like that?

S.S.: Uh -- well, no the -- the first time that we met -- uh -- was -- um -- at -- uh -- Mikuni's parking lot and we were just talking.

D.C.: Was this while -- was this while you were at work?

S.S.: Yes.

D.C.: Okay. All right. And what happened during -- during that -- that meeting.

S.S.: We just talked. That's it.

D.C.: So, did you -- what -- did you -- did she get in your car? Did you get out and talk? I mean, how did it -- it --

S.S.: I -- yeah. I got out of -- I got out of my car. She got out of her car.

D.C.: All right.

S.S.: Uh -- we just stuh -- stood there and talked. Um -- I was, like, I can't remember, like, 9:00, 10 o'clock. So, the parking lot was pretty -- was pretty full.

D.C.: Okay.

S.S.: Um -- I think that's about time. I just remember -- um -- there was a bunch of people outside.

D.C.: Okay.

S.S.: Um -- yeah. She saw -- she leaned in and saw Astro. But --

D.C.: Uh-huh.

S.S.: -- that's -- that's it.

D.C.: No -- um -- hugging, kissing, anything like that?

S.S.: No.

D.C.: No? Okay. All right. Um -- the second time that you guys met, what -- were you at work?

S.S.: Yes.

D.C.: Okay. And what happened -- where was -- where -- when did that occur and what happened?

S.S.: Um -- I don't -- I have no idea when -- when that occurred. Um -- I th -- it may have been, like, a few months after that -- that first initial one.

D.C.: Okay.

S.S.: Um -- but that was at -- uh -- at Kemp Park -- um -- over by the -- uh -- by the baseball fields.

D.C.: Okay. Kemp Park?

S.S.: Yeah.

D.C.: And what -- what time of -- what time of -- of night would that -- was that at or day?

S.S.: It may have been like at -- like midnight or 1 o'clock.

D.C.: So, it --

S.S.: Or it's prob -- uh -- no. I'm sorry. It was problem closer to, like, 11:00, midnight.

D.C.: Okay. And what -- what -- what is your -- your schedule right now? What time are you off?

S.S.: It's 3:00 to 1:00.

D.C.: 3:00 to 1:00? Okay. So, it's --

S.S.: So, it wasn't -- it wasn't at -- it wasn't like I met her after -- after work or anything. It was during -- during the shift.

D.C.: Okay. All right. And what occurred during that meeting?

S.S.: So -- uh -- on that meeting -- um -- we ended up -- we were hugging. Um -- we were -- uh -- we were hugging -- um -- we

started -- ended up kissing. She started -- uh -- rubbing my penis. Um -- and then un -- unzipped my pants and gave me a blow job.

D.C.: Okay. Where -- where did that -- did that occur, like, in your -- inside your vehicle or?

S.S.: No, it was just a -- just right up at my door.

D.C.: So, you were --

S.S.: I was standing up.

D.C.: -- standing up and you had your door open?

S.S.: Yes.

D.C.: And this was at -- you said Kemp Park?

S.H.: I got it. Yeah. I think he said at Kemp Park by the baseball --

S.S.: Yeah.

S.H.: -- fields or something.

S.S.: No.

D.C.: If you -- if you guys want to take a break --

S.S.: No.

D.C.: -- at any point and stuff, that's fine --

S.S.: No.

D.C.: -- too.

S.S.: No.

D.C.: Um -- after she gave you the blow job, did she -- did you guys part ways and then -- okay.

S.S.: Yeah.

D.C.: And obviously, you were on duty and in uniform in that -- at that time?

S.S.: Yeah.

D.C.: Okay. The third -- the third time you -- you guys met up, do you -- uh -- remember that occasion too, as well?

S.S.: Yeah.

D.C.: Okay. Where -- um -- where with -- where was that third time?

S.S.: I believe that was at -- uh -- Livermore Park.

D.C.: Livermore Park?

S.S.: Yeah.

D.C.: Do you know, like, a -- a date or anything like that?

S.S.: I don't remember.

D.C.: Okay. How about --

S.S.: It was -- it was several months after -- after that -- that Kemp Park -- um --

D.C.: Okay.

S.S.: Just because I was -- I was, obviously, just kind of disgusted with myself.

D.C.: Right.

S.S.: And so, I cut off communication with her. And then, you know, a few weeks go down and we started talking again and it was more, you know, professional at that time because --

D.C.: Right.

S.S.: -- I was embarrassed.

D.C.: Okay. Um -- so, you started talking several -- uh -- or several months, couple months af -- afterwards. Um -- what -- what time of night do you think it was at -- uh -- Livermore Park?

S.S.: It was probably like around the same time.

D.C.: Like, maybe midnight --

S.S.: Like, mid --

D.C.: -- or so?

S.S.: -- midnight, 11:00-something.

D.C.: Okay. And what -- what occurred during that meeting?

S.S.: Uh -- we just kissed. That's it.

D.C.: Okay. Um -- was there any, like, touching through any clothing or anything like that during that one?

S.S.: Not that I remember.

D.C.: Okay. And how long -- how long did that -- uh -- occur for?

S.S.: Like, maybe a -- a few minutes. Not -- not very long.

D.C.: Okay.

S.S.: I can't -- I can't remember.

D.C.: And why did you guys leave or how did the meeting end?

S.S.: We just -- we just stopped. I stopped.

D.C.: How come?

S.S.: Because I was feeling guilty.

D.C.: Okay. Do you still communicate with her?

S.S.: No.

D.C.: No? How long has it been since you guys last talked?

S.S.: Uh -- well -- uh -- honestly, when I brought -- uh -- I stopped talking to her -- uh -- when my dad passed away for like a couple weeks. And then sporadically, up until -- up until -- uh -- last, what, Thursday when I got the letter.

D.C.: Okay. You guys talked when you -- when you got the letter?

S.S.: Uh -- I talk -- I -- yeah. I got the letter. Told her I got a letter and I cut everything off.

D.C.: Okay.

S.S.: I -- obv -- she -- so, she blocked on all -- everything. So, I haven't said anything to her.

D.C.: Do you -- what apps did you guys use? Just --

S.S.: It was face -- Facebook Messenger.

D.C.: Facebook Messenger? Okay.

S.S.: Yeah.

D.C.: Uh -- have you ever been to -- um -- [redacted]'s house?

S.S.: No.

D.C.: No? Have you ever been there for work-related purposes on there?

S.S.: No.

D.C.: No? So, never --

S.S.: Never --

D.C.: -- ever --

S.S.: -- uh -- never been to her house -- to home -- yeah.

D.C.: Do you know where she lives?

S.S.: No. I know about the area but I don't know her -- the exact address.

D.C.: Um -- I -- I still cover this, like, not even on a call for service or --

S.S.: No.

D.C.: -- anything like that? Okay. Okay. Um -- and -- and never in your patrol vehicle ever?

S.S.: No.

D.C.: Is that correct?

S.S.: Never been in my patrol vehicle. Never in my personal vehicle. I've never been -- I've never been to her house.

D.C.: Okay. Um -- so, other than the -- the on-duty, you know, sexual relations that you described earlier, the kissing and the -- the blow job on -- on one occasion, is there any been other contact with her while you're on duty?

S.S.: No.

D.C.: Just those three times?

S.S.: Yes, yes.

D.C.: Okay. Um -- do you know her relationship status?

S.S.: Uh -- I -- I think she's --

D.C.: Like --

S.S.: -- well -- I'm sorry. Go ahead.

D.C.: No, go ahead. No, no.

S.S.: Uh -- it -- she -- well, she was at that time getting -- getting a divorce. At least I --

D.C.: Okay.

S.S.: -- I thought she was. But I -- shouldn't make a difference because I'm still married.

D.C.: Why did you think she was getting a divorce?

S.S.: Because that's what she told me.

D.C.: Okay. Have you ever met -- uh -- her family or her ex or current husband or anything?

S.S.: No.

D.C.: No? Uh -- is -- is there anyone else that knows of -- uh -- about this relationship between you and [redacted]?

S.S.: Not that I know of.

D.C.: No? You -- have you told anyone about it?

S.H.: Let's say it -- have you told anybody about it that is not -- there is no attorney-client/doctor-patient privilege --

D.C.: Obvious --

S.H.: -- clergy privilege.

D.C.: Yeah.

S.H.: Anybody else that's not a doctor, a pastor, or me.

S.S.: Huh-uh.

D.C.: No?

S.S.: No.

D.C.: Okay. Um -- at -- at any time during your relationship, did you -- uh -- ever stay or rent a hotel room together?

S.S.: No.

D.C.: Okay. Never?

S.S.: No. She did rent a hotel room expecting me to come and I never went.

D.C.: Okay. So, she --

S.S.: Not -- and that wasn't anything that I -- that I asked and I don't know if I'm -- sorry if I'm volunteering way too much, but she had -- she was staying away from her husband one night. Um -- she invited me over. I didn't go.

D.C.: Okay. Do you remember the name of the hotel?

S.S.: No. I don't remember.

D.C.: Was it local?

S.S.: Yeah.

D.C.: Yeah?

S.S.: I believe so.

D.C.: So, she was having problems or whatever and she said, hey, I got this hotel room. Why don't you drop by.

S.S.: Uh-huh.

D.C.: Okay. But you'd have no idea what it is --

S.S.: No.

D.C.: -- the hotel? Okay.

S.S.: No.

D.C.: All right. So -- um -- and I -- I just want to clarify. So, other than that -- those three times, there's nothing else?

S.S.: Correct.

D.C.: Okay. And the extent of your on-duty contact with her -- um -- as

		far as sexual, was the -- the blow job --
	S.S.:	Yeah.
	D.C.:	-- um -- that one -- uh -- meeting?
	S.S.:	Yeah.
	D.C.:	And -- and just to clarify, when you say blow job, you're talking about oral copulation, right?
	S.S.:	Yes.
	D.C.:	Okay. All right. Uh -- all right. And that the only times that you had contact with her in that manner was during these three occasions towards the end of your shift? Um -- outside of work, you guys just never really hung out --
	S.S.:	Correct.
	D.C.:	-- ever?
	S.S.:	Correct.
	D.C.:	Okay. All right. Um -- all right. Do you have anything you want to ask?
	R.K.:	No.
	D.C.:	No? Okay. Sean?
	S.H.:	No.
	D.C.:	Okay. Um -- is there anything else you want to tell me that you think I've missed or I'm going to uncover or anything that you want to be part of the -- the record?
	S.S.:	No. There's --
	D.C.:	There's nothing else?
	S.S.:	No.
	D.C.:	Okay. All right. This concludes the interview. I'm going to order you not to discuss this interview or our investigation with anyone other than your representative or myself. Do you understand?

S.S.: Yes.

D.C.: Okay. The time is -- uh -- 4:25 and we're going to be stopping the recording.

S.S.: Yes.

D.C.: You have the right to make your own tape recording of this interview. You will have access to the Department's tape recording

of your interview if further proceedings are contemplated or prior to any further questioning at a subsequent time. After the interview, you're entitled to a transcribed copy of any notes or to any reports of complaints except those that are deemed confidential. You will be questioned by no more than two interrogators -- uh -- during the course of this interview. If this interrogation is occurring during your off-duty time, you will be compensated in accordance with regular Department procedures, and you'll not be released from employment for any time missed. This interview session will be for a reasonable period of time based on all circumstances and you'll be allowed to tend to your own physical necessities. Do you understand these rights?

S.S.: Yes.

D.C.: All right. While you do not have the right to remain s -- while you have the right to remain silent with regard to any criminal investigation, you do not have the right to refuse to answer my administrative questions. This is an administrative investigation only. I am therefore now ordering you to discuss this matter with me. If you refuse to discuss this matter, your silence can deemed insubordination and result in administrative discipline up to and include -- including termination. Any statement you made under compulsion of the threat of such discipline cannot be used against you in a later criminal proceeding, do you understand this?

S.S.: Yes.

D.C.: I order you to answer any and all questions asked of you in a truthful and accurate manner. Failure to do so may be deemed insubordination, and result in administrative discipline up to and including termination of your employment with the City of Folsom.

Okay. Did you rec -- did you receive a -- a copy of the -- the transcript from your initial interview?

S.S.: Yes.

D.C.: Okay. Did you have an opportunity to review it?

S.S.: Yes.

D.C.: Okay. All right. Um -- and do you need any additional time to do that or --

S.S.: No.

D.C.: Okay. Uh -- all right. Let's start with here. And I know that last time we talked, there was some differences as far -- um -- as the person's name that we were talking about. I know we had the first name the same. Uh -- so I just want to make sure that we're talking about the same person. Who -- who do you recognize this person as?

S.S.: [redacted] (phonetic).

D.C.: Okay. And you know her as [redacted] what?

S.S.: [redacted] (phonetic).

D.C.: Okay. And I -- I think I referred to her as [redacted] [redacted] (phonetic) during the -- the last interview just because that's what I understood her name to be. Um -- but you know her as [redacted] [redacted].

S.S.: Yeah.

D.C.: [redacted]?

S.S.: [redacted], I think.

D.C.: Okay. After your initial interview, we spoke with [redacted] again in order to clarify -- uh -- your statement. Is there any in -- other information that you would like to add regarding your relationship?

S.S.: Um --

S.H.: Hang on. Is there any information he would want to add about --

D.C.: Let's -- well, let's --

S.H.: Because, I mean, as it relates to a policy violation, you know, like doing something on duty that you're not supposed to be doing, is -- is that what you want to ask him about? Is there anything else he did on duty with her?

D.C.: I will narrowly -- I'll tell or -- uh -- tailor the question a little more narrowly. Um -- is there any other information -- um -- regarding policy violations or on-duty sexual condu -- contact between you and [redacted] -- um -- that you would like to add -- uh -- regarding your relationship?

S.S.: Between me and -- between me and [redacted]? No.

D.C.: Okay. Any -- um -- additional meetings that took place that you did not tell us about -- um -- during the initial -- uh -- any on-duty additional meetings you did not tell us about during the initial interview?

S.S.: Between me and [redacted] -- uh -- on-duty meetings? Not that I know. Not that I know of. Not that -- no.

D.C.: Okay.

S.S.: (Overlapping) --

D.C.: So, just the -- uh -- initial one which was at Mikuni's.

S.S.: Uh-huh.

D.C.: Uh -- I think the second one was --

S.S.: At Kemp Park.

D.C.: At Kemp Park. And the third being at -- uh --

S.S.: Liver -- Livermore.

D.C.: -- Livermore Park. Okay.

S.S.: Yeah.

D.C.: All right. Have you had any type of communication with anyone

regarding this case, except obviously privileged information since our first interview?

S.S.: Um -- did I have -- uh -- yeah, I did have communication with -- uh -- with her cousin. Her cousin sent me, I guess, I just found it. Not too long ago, she sent me a message.

D.C.: Okay. And what did her cousin say?

S.S.: That -- uh -- you had gone back to [redacted]'s house to interview her.

D.C.: Okay. And did you guys have a conversation about the interview?

S.S.: Uh -- sh -- I just said, you know, nothing happened, and I deleted the message.

D.C.: Okay. So, there was no talking about the case?

S.S.: I just -- I just said -- I said nothing happened, and that's it.

D.C.: Okay.

S.S.: That's all I -- that's all I said. And I deleted the message and I block -- blocked her because I th -- honestly, I thought she was -- had been blocked before.

D.C.: Okay. Who -- uh -- or -- or do you recognize this person?

S.S.: Yes.

D.C.: Okay. Who is that?

S.S.: That's her cousin.

D.C.: Okay. And what's her name?

S.S.: Uh -- [redacted], I think.

D.C.: Okay. Do you know her last name?

S.S.: No.

D.C.: All right. How do you know [redacted]?

S.S.: Um -- because [redacted] -- that was the person that -- um -- [redacted] wanted me to meet up with at the hotel.

D.C.: Okay. What -- what -- um -- can you elaborate on that? I don't

know what you're talking about.

S.S.: That's when you had asked last -- last time if I had met with [redacted] at a hotel or anything like that. Correct?

D.C.: Yes.

S.S.: Okay. So, she was also -- wanted to be part of that whole thing.

D.C.: She wanted to bring [redacted]?

S.S.: Uh-huh.

D.C.: Okay. Okay, so when -- when you were talking about -- uh -- [redacted] inviting over to the hotel that was in town here -- um -- she was staying there because she was having problems. She said [redacted] was going to be there, too.

S.S.: I believe so, yeah.

D.C.: Okay. How -- how did you -- how did you guys meet?

S.S.: How did who?

D.C.: You and [redacted] meet?

S.S.: I've only met her with -- with -- uh -- with [redacted].

D.C.: So, I meant like you didn't know her at one point, and then you did. So, did [redacted] introduce you? How did you guys -- how did you meet?

S.S.: I want to say -- I think the only -- uh -- she intro -- introduced just over -- she just m -- s -- mentioned her through -- um -- through our Facebook -- the Facebook Messenger.

D.C.: Okay.

S.S.: So, that's -- that's how.

D.C.: And then, okay, so you ment -- she mentioned her, and then how did you come to know her, or meet her, or talk to her?

S.S.: I never really talked -- I didn't talk to her until way later -- until probably after -- I don't think I -- I only talked to her after the -- uh --

the incident in Kemp Park. But that was all just through social media.

D.C.: Okay. So, you found her on social media and began reaching out to her or --

S.S.: No, she found me.

D.C.: She found you --

S.S.: Yeah.

D.C.: -- and began reaching out to you --

S.S.: Correct.

D.C.: -- and you guys started talking.

S.S.: Correct.

D.C.: Okay. All right. Uh -- and I'm talking about [redacted] here. Have you ever had any on-duty contact with her?

S.S.: Um -- at -- at -- um -- Livermore Park when I met with -- um -- when I met with [redacted].

D.C.: Okay. Des -- describe that encounter in detail.

S.S.: Um -- with -- uh -- with [redacted] and [redacted] -- um -- we had met -- we had met at Kemp Park. Um -- I believe -- um -- I'm sorry, Kemp -- I said Kemp Park, didn't I.

D.C.: Yeah. Uh -- do --

S.S.: Yeah. I'm sorry --

D.C.: -- do you mean.

S.S.: -- I'm sorry, I meant Livermore Park.

D.C.: Livermore Park.

S.S.: Yes.

D.C.: Okay.

S.S.: I'm sorry. That's my bad. Um -- they're were both -- they were both in the car.

D.C.: Okay.

S.S.: Um -- uh -- they got out, we started talking -- um -- I believe [redacted] may have flashed me, and I said, you know -- uh -- we can't do that here. Um -- and then we moved to the other part of Livermore Park by the -- uh -- um -- softball field.

D.C.: Right.

S.S.: Um -- and then that's where -- that's where we -- uh -- we were kissing.

D.C.: Okay. You and [redacted].

S.S.: Uh -- [redacted] and -- and [redacted] was there, too.

D.C.: Okay. And you -- uh -- were kissing [redacted] while [redacted] was there.

S.S.: Yes.

D.C.: Okay. And --

S.S.: And we were both -- and we were both like hugging.

D.C.: Okay. And did it -- uh -- lead to anything else?

S.S.: No, that's it.

D.C.: Did -- uh -- [redacted] ever take her shirt off?

S.S.: I don't remember if she took her shirt off. I know she --

D.C.: You don't remember?

S.S.: -- I know she'd -- I know, like I said, I know she flashed up at Kemp Park. I don't remember if she took her shirt off down at -- at the lower -- I'm -- I said Kemp Park again. Sorry, Livermore Park.

D.C.: Livermore Park, right?

S.S.: I don't remember her taking her shirt off down at the bottom part of Livermore Park.

D.C.: Okay. Did you put your hands on her breasts at any point under her shirt?

S.S.: (No audible response.)

D.C.: I'm talking about [redacted].

S.S.: I may have. I don't -- I don't remember, honestly.

D.C.: Okay. Did you -- um -- touch [redacted] like in the like crotch or genital area like over or under her clothes?

S.S.: Um -- I did over -- I did over her clothes.

D.C.: Okay. And did she touch you over or under your clothes?

S.S.: That I don't -- uh -- no, I think -- uh -- I think [redacted] was.

D.C.: [redacted] was.

S.S.: Yes.

D.C.: And so, you're both --

S.S.: We're both right there right next to each other.

D.C.: Right.

S.S.: Yes.

D.C.: Okay. So, you're kind of kissing one and one is -- [redacted] is grabbing you like in the crotch area, and at the same point -- the same time, you're -- um -- touching [redacted] under her shirt.

S.S.: I believe so.

D.C.: Okay. Was there anything else that occurred that --

S.S.: No.

D.C.: -- evening?

S.S.: No.

D.C.: As far as like sexual contact.

S.S.: No.

D.C.: And that was -- um -- I think we talked about this last time, but at that point, you were -- um -- on duty with your --

S.S.: Yeah.

D.C.: -- issued -- um -- police car and in uniform?

S.S.: Yes.

D.C.: Okay. (Inaudible) one of them? All right. Have you ever -- did you have any other contacts with [redacted] while on duty?

S.S.: No.

D.C.: So, just the one time at Livermore Park?

S.S.: Yes.

D.C.: Okay.

S.S.: I guess like -- like I said, again, I -- I s -- stopped it and --

D.C.: So, my next question was, are you still in communication with her and you've -- you've -- uh -- you said no --

S.S.: No.

D.C.: -- you're not. Okay.

S.S.: No.

D.C.: Since --

S.S.: (Overlapping) --

R.K.: Uh -- regarding [redacted] at Livermore Park --

S.S.: Yeah.

R.K.: -- did you ever -- uh -- do anything with [redacted] during this incident beyond hugging and kissing?

S.S.: Not that I re -- not that I remember.

R.K.: Okay. You never touched her exposed breasts or her breasts through her clothing?

S.S.: Not that I remember, no.

R.K.: And n -- not her groin area or --

S.S.: Not that I remember, no.

R.K.: Okay.

D.C.: Okay. Um -- why didn't you tell us about her during your initial interview?

S.H.: About [redacted]?

D.C.: About [redacted].

S.H.: Okay. Why didn't you tell them about [redacted], he's asking.

S.S.: Um -- because the -- uh -- the -- after telling you about the -- uh -- the blow job that I had that I'd given to -- oh, I'm sorry, that I had given -- that I had received from [redacted] at Kemp Park -- um -- obviously, just -- uh -- I just -- I just still -- and I'm still bothered by it, and so that was still fresh in my mind. And -- and honestly -- uh -- because of the -- the kissing -- uh -- and stuff that was not necessarily like lesser included, it still -- that due -- due to that, I under -- I understand -- um -- but like I said -- uh -- uh -- that this whole thing has just bothered me so much. And that's -- I wasn't trying to say anything, or I wasn't hide or anything like that.

D.C.: Um -- but you knew about it during the initial interview, right?

S.S.: Yeah, I -- I knew about it, yeah.

D.C.: Okay. In your previous statement, you stated that you met [redacted] at Livermore Park. Um -- you infer that you two were alone and just kissed. Do you still consider that to be a true statement?

S.H.: Hang on, can you read that?

D.C.: I'm sorry, what?

S.H.: Okay -- um -- "Where was -- where was the third time?"; "I believe it was at -- uh -- Livermore Park." "Livermore Park?" "Yeah." "Do you know like a date or anything like that?" "I don't remember." "Okay. How about it was -- it was several months after that Kemp Park." "Um -- okay." "Just because I was -- I was obviously kind of disgusted with myself." "Right." "And so, I cut off communication with her, and then, you know, a few weeks go down, and we started talking again. I was embarrassed. We started talking several months. It was late at midnight, and what occurred, we just kissed,

that's it." "Um -- was there any like touching thro -- through the -- uh -- through the clothing or anything like that during that one?" "Not that I remember." "How long did it last?" "A few minutes." I don't see where he's saying that he implied that it was just the two of them.

D.C.: Well -- uh -- when you say "we" and whi -- I -- I see your point, but the fact that [redacted] was known at the point, and it was not -- um -- stated during that time, implies it was just the two them.

S.H.: Okay. So, he --

D.C.: I can't infer that anyone else was there if you don't tell me.

S.H.: So, you want to know why he didn't tell you even though he -- why the first time he imply -- that -- that's what I was getting at, your question was saying that he was implying that there was only two of them there the first time. And I'm saying it doesn't say that anywhere in there. If you believe that he's implying that, that's argument. But --

D.C.: I do --

S.H.: -- it's a --

D.C.: -- I do believe that, that that was inferred from that statement. And -- um -- there was ample opportunity to talk about any further activities as well. So, I'll continue to with my question. Um -- do you -- and there's two parts to it really, that you two were alone, or at least in my mind, inferred that you were alone, and that you just kissed. I mean, do you still consider that a true statement?

S.S.: That we just kissed?

D.C.: Yeah.

S.S.: Oh -- uh -- [redacted] and I, yeah, we just kissed.

D.C.: Okay. And there was no other -- nothing else that went on between

you and [redacted]?

S.S.: Just, you know, like I -- like I said, with her hand on my -- on, I believe it was her hand.

D.C.: [redacted]'s hand?

S.S.: I believe so. On --

D.C.: That was on your --

S.S.: -- on my crotch.

D.C.: Okay.

S.S.: I believe it was.

D.C.: Okay.

S.S.: I don't -- I -- like I said, it was dark. I don't remember.

D.C.: Okay. Uh -- in your previous statement, you stated that no one else knew about your relationship with [redacted]. Do you consider that to be a true statement?

S.S.: Um -- relationship as far as -- uh -- as far as just us knowing each other or --

D.C.: Uh -- I mean, the -- the question is what it is. Uh -- you said that no one else knew about your relationship with [redacted].

S.S.: Okay. Yeah, I guess -- I guess she did -- she did know about our -- that we had been talking.

D.C.: And when you say she, you're referring to [redacted]?

S.S.: [redacted].

D.C.: Yeah.

S.S.: Yeah.

D.C.: Besides [redacted] [redacted] and [redacted], have you had any on-duty sexual conduct with any other person?

S.S.: No.

D.C.: Um -- okay. I'm going to show you a picture here. Who is this, and

do you know her, if you do.

S.S.: That's [redacted].

D.C.: [redacted]?

S.S.: Yeah.

D.C.: [redacted]?

S.S.: Uh-huh.

D.C.: Or am I saying that correctly?

S.S.: Yeah.

D.C.: All right. In your previous statement, you say that you went to [redacted]'s house after a K-9 training in Yuba City on possibly two occasions.

S.S.: Yeah.

D.C.: You say that you let her see your K-9 and left. Is that a true statement or was that a true statement?

S.S.: Yes.

D.C.: Okay. Do you remember when this training occurred?

S.S.: This was when I --

D.C.: Year?

S.S.: -- when I had a -- when I just got Astro so.

D.C.: Were you in dog -- dog school at that --

S.S.: Yeah.

D.C.: -- point?

S.S.: Yeah.

D.C.: Okay. Uh -- and how long was that for?

S.S.: I'd say it was for -- it was six weeks.

D.C.: Six weeks. Okay. And all of it was in Yuba City?

S.S.: No.

D.C.: Okay.

S.S.: It was all over.

D.C.: It was all over.

S.S.: Yeah. Uh -- we went to San Ramon, we went Pittsburg, Antioch, Yuba City, Chico, s -- Folsom.

D.C.: Okay. Did you go inside her residence?

S.S.: On that day, I don't believe I did.

D.C.: Well -- uh --

S.S.: On those -- on those days, no, I don't believe I did. If I did, it was for a short period of time, but no.

D.C.: Okay. So, if -- if you went inside her -- her residence, do you remember what happened inside there?

S.S.: Nothing.

D.C.: Nothing happened?

S.S.: No.

D.C.: Well, I mean, not nothing happened like --

S.S.: Well -- what do you --

S.H.: You're -- on you saying on the way -- the times that he stopped by there with his K-9 on the way to or from training, I can't remember if it's on the way home or what, but did you -- did anything happen if you went inside the house, is that what you're asking?

D.C.: Yes.

S.S.: What do you mean anyth -- anything.

D.C.: Well, I mean, from the -- there's a range of we talked, to we had sex, to we laid on the bed and fooled around a little bit. Um -- there's a very broad range of things that could have occurred --

S.S.: Okay.

D.C.: -- and I wasn't there, so that's why I'm asking you.

S.S.: No. Previo -- there -- I went inside, I had a drink, and that's it, I left.

D.C.: Okay. How many times did you go over to [redacted]'s house while on duty or while driving -- well, let's -- uh -- let's start with on duty.

S.S.: Just that -- just that time. Just those times.

D.C.: Just those two times in -- when she lived in Roseville?

S.S.: I believe so, yeah.

D.C.: Never when she lived in the City, other than obviously being dispatched there, which I --

S.S.: She wasn't in -- she -- no, she didn't live in the City.

D.C.: I guess she was in the City at some point.

S.S.: Right.

D.C.: Her boyfriend lived here or --

S.S.: Yeah.

D.C.: -- something like that, her ex-boyfriend?

S.S.: Yeah.

D.C.: Okay. That was like back in like 2019. So, she didn't live here during that time?

S.S.: Huh-uh.

D.C.: Okay. Um -- okay, so other than -- other than in the course of your duty, those two times where you went after training to her house, were the only two times that you went to her place while on duty?

S.S.: That is correct.

D.C.: Okay. How about any time you went there driving your City vehicle where you're not on duty?

S.S.: No.

D.C.: Okay. Have you ever had any on-duty sexual condact [sic] -- contact with [redacted]?

S.S.: No.

D.C.: Okay.

S.S.: We just, again, kissed but that's it.

D.C.: Right. I guess, yeah, I'm referring to stuff other than like --

S.S.: No.

D.C.: -- maybe the --

S.S.: No.

D.C.: -- the hugging or just kissing that would be a natural occurrence in a --

S.S.: Yeah.

D.C.: -- in a --

S.S.: No.

D.C.: -- relationship.

S.S.: She wanted to, I said, no, I didn't. No.

D.C.: Okay. Did you ever meet -- uh -- did you ever meet [redacted] -- uh -- down, while on duty, down near -- uh -- like Blue Ravine and Folsom Boulevard?

S.S.: Yeah.

D.C.: Okay. And how many -- uh -- wa -- was that just a normal meeting spot for you guys or --

S.S.: Uh-huh.

D.C.: -- okay. How many times do you think you met her down there?

S.S.: I think about five times, I think.

D.C.: And was it your habit to get into her car ever?

S.S.: I think I got into her car like once or -- once or twice, but it wasn't comfortable cause they didn't-

D.C.: And what, if anything, occurred in her car besides talking?

S.S.: Just talking and kissing.

D.C.: Okay, did [redacted] ever get into your car?

S.S.: So, I think she may have.

D.C.: She may have?

S.S.: Of -- yeah.

D.C.: Or she did.

S.S.: Uh -- I think she may have. Um -- I don't -- like honestly, I -- I don't remember. She may have sat in there to -- to see or -- um -- but I -- I -- honestly, I -- I -- honestly, I don't remember.

D.C.: Okay. Sat in there to see what?

S.S.: Just to see the car and see Astro.

D.C.: Okay. And during any of those times would -- did you guy -- or is there occasions, too, where you just got out and talked and like stood outside your cars as --

S.S.: Yeah.

D.C.: -- well? Okay. And that happened like five times?

S.S.: Yeah, at least.

D.C.: At least?

S.S.: Yeah, I think at least five times.

D.C.: Okay. On the high number --

S.S.: I -- I -- I don't know.

D.C.: All right.

S.S.: That's probably -- uh -- like it would probably be like probably like midrange, I think. I don't -- I don't remember.

D.C.: Okay. Do you know when this was?

S.S.: No, I do not.

D.C.: The year?

S.S.: (No audible response.)

D.C.: I'm assuming you guys met in 2019, right?

S.S.: Uh-huh.

D.C.: Because that was the call --

S.S.: Right.

D.C.: -- that -- um -- that it was like a 415 DV call with her -- with her ex that you were on.

S.S.: Uh-huh.

D.C.: Is that where you guys met?

S.S.: Yes.

D.C.: Um -- did you start -- well, did you guys start talking shortly after that or --

S.S.: Yeah.

D.C.: Okay. And then, so do you think the meetings might have been 2019 or are we talking 2020?

S.S.: Probably 2020, 2021.

D.C.: Okay. Okay. At any time when you were sitting in [redacted]'s car, or she was in yours, or you were standing next to it during any of those meetings, whether it happened at Jamba Ju -- the Jamba Juice wherever -- the Blue Ravine, do you know where I'm talking about?

S.S.: Sure.

D.C.: The --

S.S.: Yeah.

D.C.: -- I guess there's an abandoned like --

R.K.: Parking lot.

D.C.: -- lot that's down there.

S.S.: Uh-huh.

D.C.: Right? Okay. Um -- at -- at any time during those meetings, did you ever -- um -- take your hand and put it down her pants and touch her like genitalia in an -- in any way?

S.S.: No.

D.C.: Did that happen on another occasion that --

S.S.: No.

D.C.: Okay. All right. So, your on-duty contact with [redacted] -- um -- exclu -- or just only included hugs, kisses, like --

S.S.: Yes.

D.C.: -- okay, hello, goodbyes, stuff like that.

S.S.: Yes.

D.C.: Okay. Uh -- have you ever had any type of relationship -- um -- with a woman named [redacted] (phonetic), who was also in the law enforcement field?

S.S.: Who?

D.C.: [redacted]?

S.S.: I have no idea who you're talking about.

D.C.: Okay.

S.S.: Who is [redacted]?

D.C.: That's what I'm asking you.

S.S.: Yeah, I --

D.C.: Uh -- all right. When I read you the admonishment on the first time, you -- the -- the one that like I just read today.

S.S.: Right.

D.C.: You know, what -- what was your understanding of that admonishment?

S.S.: To tell you -- honestly, to tell you what happened between -- between me and [redacted].

D.C.: Just between you and [redacted]?

S.S.: Yeah.

D.C.: Or to tell me everything?

S.S.: To tell you what happened between you -- uh -- me and [redacted]

because I knew that this -- that that's what this was -- was about.

D.C.: Okay.

S.S.: And -- and -- and this stuff -- well, the stuff with -- with [redacted], I believe I'd already been reprimanded about. I think I got a letter.

D.C.: The -- the Letter of Reprimand was for -- uh -- off-duty contact with another law enforcement agency, was it not?

S.S.: That was at -- that was at DC (phonetic). I -- there was a -- there was another -- because you and Lockhart (phonetic), I thought -- I could be wrong -- gave me a letter about [redacted]. This was -- and this was before the complaint that -- that Sergeant Ver Halen (phonetic) had made about the calls.

D.C.: Uh -- yeah, the on -- the only Letter of Reprimand you received was on for off-duty contact with another law enforcement agency. And there was, yes, there was an Internal Affairs investigation. It ended with a Letter of Reprimand, but it had to do with -- um -- yeah, it had to with the -- whatever the incident that happened in Rancho --

S.S.: Right.

D.C.: -- when her -- she was moving out --

S.S.: Right.

D.C.: -- and her ex or -- no her ex, but her roommate went crazy.

S.S.: And -- and maybe I'm -- I'm -- maybe I'm misinterpreting the -- either the -- the Letter of Reprimand or documented counseling. And -- um -- but I was almost positive that I got something -- um -- a couple years ago, because I discussed this with -- with you or Lieutenant Lockhart at one time.

D.C.: Right. I think that's the case I'm referring to.

S.S.: No, it was before.

D.C.: Uh -- uh -- s --

S.S.: But -- uh -- that's --

D.C.: -- the only --

S.S.: -- that's -- that -- um -- I -- but -- but that's nether -- nether here nor there. Uh -- you know, it was -- and that's why, you know, none of this came up in this -- the interview last time. This -- I'm -- the previous one.

D.C.: Because --

S.S.: Those with [redacted].

D.C.: Be -- because you felt like you've been disciplined for it already?

S.S.: Yeah.

D.C.: Okay. What discipline did you get?

S.S.: Uh -- like I said, I thought -- I thought I'd gotten a letter or documented counseling from either you or Lieutenant Lockhart. I was -- that -- that's why I was under the impression.

D.C.: Okay. So --

S.S.: Yeah.

D.C.: -- is it your understanding the admonishment that if it's a -- a prior disciplinary, that you don't talk about it in future Internal Affairs interview? I'm just trying to get to the --

S.S.: And -- and so -- and so am I. And -- and -- and that's why I'm -- I'm con -- like I'm confused at --

S.H.: I'm confused, too --

S.S.: -- this stuff --

S.H.: -- because if --

S.S.: -- was with [redacted].

S.H.: Well, hang if -- you know, you clearly knew about [redacted] before the first interview.

D.C.: Right.

S.H.: Full -- full stop. We had the first interview, why didn't you bring up [redacted] at the first interview and ask questions about [redacted]? If [redacted] was the subject of this investigation, one would have thought that questions about [redacted] would have come up at the last interview. Not now at a second interview purporting to -- to have been the first interview about [redacted]. That doesn't make any sense. You knew about [redacted] before. If you wanted to know about [redacted], if you -- from him, all you had to do was say, you know, well what about [redacted]? We've talked about [redacted] now, Sean, but what about [redacted]? And then he would have said, [redacted]? I thought we talked about it. We would have had this conversation we're having now, confusing ourselves, we would have had it at the first interview. Not now at the second interview.

D.C.: Right.

S.H.: So, either my client's confused and you're confused, or my client's not confused at all about what the subject matter of the first interview was, that it was about [redacted].

D.C.: Uh -- well --

S.S.: And -- and I'm sorry if -- if -- if I sound -- if I sound argumentative in that. And I'm -- and --

S.H.: No, I sound argumentative. You're not sounding argumentative.

S.S.: (Overlapping) -- and I -- and I -- and I --

D.C.: The --

S.S.: -- and I'm sorry if it feels -- if you feel like I was being inaccurate about s -- that stuff, but I like -- yeah, I'm --

D.C.: So, it -- you're saying it was -- it was your understanding that you only had to answer questions to which you were asked, and not offer up any other information which you felt could be relevant to

the charges, which were sexual conduct on duty. It wasn't sexual conduct on duty with [redacted].

S.S.: I'm sorry.

D.C.: The allegations --

S.S.: (Overlapping) --

D.C.: -- for the initial interview were sexual conduct on duty and conduct unbecoming. It did not say with a specific person.

S.S.: Okay.

D.C.: Right. That's my point. And two -- uh -- while I did know about the -- um -- well, I do know about [redacted], that's because I conducted an Internal Affairs investigation, I don't know, a couple years ago that had nothing to do with on-duty sexual conduct.

S.S.: Okay.

D.C.: But I obviously knew there was a la -- relationship there.

S.S.: Right.

D.C.: So -- um -- I -- I --

S.S.: And I --

S.H.: Well, what I don't understand -- I don't understand the -- Dave, I don't understand. If you knew about [redacted] before and we had the last interview, and you if think that the I -- that [redacted] was relevant to the notice to the nature of the interrogation and the subject matter of the questioning, why didn't you bring [redacted] last time and go, well, what about [redacted]? And then he would have said -- again, we would have had this conversation.

D.C.: Right.

S.H.: Now, you're trying to put some knowledge on him that he should have known you meant to talk about [redacted] as well in the last interview when you didn't even think you needed to be talking about

[redacted] in the last interview, and you did a whole investigation about it. So, don't -- don't characterize my client's -- uh -- knowledge about [redacted] as something he should have brought up when you didn't think it was important enough.

D.C.: Well, as -- as investigations progress, sometimes details come in that aren't initially known in the beginning of the investigation. That's -- sometimes, that's why we're here at a second interview. But -- um -- so, and when it comes to -- I'm only going to ask questions of things that I -- that I know about at the time. So, that's why we're here back again. It's still your client's obligation to disclose anything related to the allegation, which was not sexual contact with a certain person, it was sexual contact. But we'll just --

S.H.: I -- I got you.

D.C.: -- we'll let it --

S.H.: I got you.

D.C.: -- why we're --

S.H.: I wasn't trying -- I'm not trying to be argumentative. The point is like if you look at it, it -- I went back and looked at the transcript. You've read it. You've highlighted it. He lis -- he read it --

S.S.: Yeah.

S.H.: -- too. It -- it's very clear from the get-go like he's wanting to get out to you -- and both of you -- he wants to get out like I know what I did wrong.

D.C.: Right.

S.H.: I got a blow job in Kemp Park from this [redacted] lady. That's what I need to get to. How do I get there? Well, it's a whole thing that started here, here, here, and he's getting there. And -- and you -- I'm just -- uh -- asking you to look inside your head and put yourself

in his position. At that point, kissing some -- her cousin that happened to be standing there on one occasion, the -- after the -- the big thing that he was like, you know, thought he's really in trouble for, it -- that's like not even on the radar.

D.C.: Right. Well, I mean, in the end, what we're trying to get to is the entire picture. Not just the piece that someone wants to share with us, I guess.

S.S.: (Overlapping) --

S.H.: I know, but he -- it's like he -- ha -- hang on a second, Sean.

S.S.: It's fine.

S.H.: It's not like he held back the worst thing. It's not like he said, oh, yeah, I kissed her -- her cousin, and I touched -- and we hugged, and I -- I kissed and hugged [redacted], and he left out the oral copulation. And now you're having to swoop back around and go, man, you're wasting all our time. You left out the most important thing. That is not the fact pattern here. This is like admitting to like a 211 robbery and then later on saying, oh, and by the way, I forgot to pay for stick of gum when I was walking out of the 7-Eleven.

D.C.: Right.

S.H.: The -- uh -- yes, I did forget that, and did know it at the ti -- but I thought you really wanted to know about the fact that I held the place up with a gun. And so, I told you that. He's not being untruthful, or misrepresenting, or omitting when he's admitting to the -- the gravamen of the investigation.

S.S.: And I know that -- that if, you know, of the onset, that they lied and that was what their story was going to be to -- to me or that, hey, we're all going to go in and do this, but I'm like no, I'm not going to go and lie about what I had -- what happened, what I -- what was

done to me, what I did.

D.C.: Right.

S.S.: Abso -- absolutely. And -- and, you know, I'm trying to -- I'm -- uh -- d -- I'm -- and I know I told you this before, and I know I told you this, you know, when this whole [redacted] thing -- things started. You know, yeah, you know, it -- it's taken care of. It's taken care of. But -- uh -- it -- it wasn't. And that's what I'm doing better for myself right now in being -- trying to be honest with you and Roman. Because it -- it's -- this whole thing, since -- uh -- that and -- and everything that's gone on with [redacted] has like complete killed me inside.

D.C.: Right.

S.S.: And I'm trying to -- I'm trying to do better. You know --

D.C.: Right.

S.S.: -- I, you know -- I've seen or talked two chaplain's this week. You know, [redacted] and I gone t -- are going to thera -- had gone to therapy. We're going to therapy next week. Um -- I'm going to -- I've been seeing a therapist. It's not cheap.

D.C.: Right.

S.S.: I'm -- I'm -- I'm trying -- I'm looking into an inpatient thing. That's not cheap.

D.C.: Right.

S.S.: And -- and -- uh -- and -- uh -- had I -- uh -- I think had I had that out before, I maybe wouldn't be in this -- in this predicament to have my -- my -- my personal life bleed over into -- into work. And that -- uh -- it shames that -- that I've done this. Es -- especially after, you know, doing this job for, you know, 22 years.

D.C.: Right.

S.S.: And doing a really good job, I think, and still even with all this stuff going on, you know, this investigation, and everything still doing the job to my -- to the best of wa -- of what I can. And that's -- and that's what I'm trying -- and -- and I'm sorry if -- if my answers or if my disposition, or whatever it is, is frustrating you. And I -- I apologize for that, Dave, I -- I really do. And -- and I'm just, you know, going to -- figuring out an in -- inpatient thing for -- for me to get away for a little bit.

D.C.: Right.

S.S.: It's a -- it's like 30 to 70 thousand dollars. I don't have that.

D.C.: Yeah, and I -- and I guess my -- and I'm glad you're doing all that stuff. That makes me happy. And but I guess to my original point is, the reason we're doing the second interview is because we didn't have the full picture -- uh -- the first time as far as your on-duty activities with -- I -- I didn't know [redacted], who that even was.

S.S.: Uh-huh.

D.C.: So, that's why we're here today. And if that --

S.H.: You likely --

D.C.: -- have been di --

S.H.: -- wouldn't have non -- known who [redacted] was had my client just gone along with the story and lied like everybody else did.

D.C.: Well --

S.H.: Because then you wouldn't have been able to go back to them, and she wouldn't have said anything to you. Instead, he told the truth, which upset her, and then she decided she wanted to talk about all kinds of other things purportedly to embarrass him. That's the only reason why you know about [redacted] is because of my client, not

because of [redacted].

S.S.: And they've gone -- they've driven by my house. They've looked up [redacted]. They've looked up --

D.C.: Right.

S.S.: -- all that stuff.

S.H.: If he denied all of this, Dave, how would you know that [redacted] existed? You wouldn't. If he had come in last time and said, [redacted], buddy, met her one time, that's it, leave me alone. Any on-duty --

D.C.: Right.

S.H.: -- sexual -- no, of course, not. You'd have no other investigation -- in -- investigative vehicle other than that. And [redacted] would not have disclosed --

D.C.: Uh --

S.H.: -- anything about a [redacted] to you. He came in and told the truth about him and [redacted], knowing that the other person was going to back up a lie if -- if he wanted them to, and he just came in and told the truth. And so --

D.C.: Uh --

S.H.: -- I just -- it's weird that it's like it's feeling like, oh, you're holding back the side plate, or the -- the soda that goes with dinner. And -- and when he gave you the whole meal.

D.C.: Uh -- well, you and I'll have to agree to disagree on that. But -- um -- I mean, our investigative techniques may or may -- may not have led there, but either way like, in our opinion, it is, you know, during an Internal Affairs -- we expect, you know, complete and 100 percent honesty about it. And I think we should be able to expect that, in my opinion.

R.K.: I would think that women exposing their breasts and crotch

grabbing is -- would be something that would be considered sexual conduct on duty as well. That would be relevant. I get that you talked about Kemp Park, but like your attorney's saying, why wouldn't you just tell that as well and be done with it. And then we do find out about it later.

D.C.: It's actually a preventative tool to keep you from having to come back, and doing this thing over again, and doing this uncomfortable and having to serve you. Like that's why we read you the admonition. That's why we say you're required to tell us everything, because now we're back here again. We don't want to be here. You don't want to be here. I'm sure Sean doesn't want to either. But -- um -- I'm not going to put the onus on our -- on ourselves for doing a complete investigation when you have every opportunity to come here and give us the whole story. Um -- and I don't think these are insignificant details. I don't think it's something that you would just forget. You obviously didn't. And so -- um -- so, that's why I think it's important. Even if it -- like Sean says, it's not like the most, you know, damning admonition in the world, it still happened, and I had to find out about it from someone else.

S.H.: Which I get it. It -- Dave, the -- the point is, it's not -- you -- you go to the motive to why somebody's telling a lie if that's what you think is going on. What motive would you have to cover up something that is not as bad as what you admitted to, number one. And number two, and if you noticed, you asked the right question here in this interview. You asked is there anyone else. And (inaudible) I mean, I that's the subject matter of the investigation, that's the nature of the Internal Affairs investigation now in the second interview. And you're saying that this was also the nature of it in the

first one. And so, why didn't you ask at the end of the last one, hey is there anyone else that you've ever had any sexual contact with -- with anyone at any ti -- I mean, I don't know. It -- it -- in this one only talked about [redacted]. He was only talking about [redacted]. In his mind, I need to -- like I need to say what happened with [redacted]. I need to get this out. I know that they got issue with that, I blew it. And he -- that's what he's laser focused on. You've seen him, he's -- you know him outside of here. He's a very intelligent, articulate guy. He can barely string nine words together in a row right now because he's under a lot of stress as he was in the first interview. And I talked to him outside of this room, and he's very articulate. So, I think the stress of the si -- the whole event is something that just makes you kind of laser focused on what I need to disclose. I just ask that you take that into account. If this isn't as -- this isn't as black and white as, you know, hey, he should be thinking about all these things very specifically, and it was very easy, anybody would have brought this up. I think under the stress of the event, he did a great job giving you all the information that he thought he was supposed to be giving you.

D.C.: Right. Uh -- your -- your -- your points taken. And -- um -- I -- I hear you. I -- I just -- I think -- like I've said before, I think this -- uh -- could all have been -- uh -- prevented, but. Uh -- anything else that you want?

R.K.: (No audible response.)

D.C.: No? Okay. Is there anything else you want to add, or do you feel that we will discover, and this would be now time -- anyone else -- any additional in -- information that you think's out there that you want to get off your chest -- um -- regarding this investigation?

S.S.: No, sir.

D.C.: Okay. Is there anything you want to get on the record right now as far as -- um -- I know you talked about, you know, circumstances in mitigation as they call them like in a court of law, that you want on the record or on this transcript.

S.S.: I think -- I think that -- that's it. Is -- is -- yeah, I have -- like I said, I have my personal -- my personal issues that have bled -- uh -- bled over into work that I am work -- that I am working on. I'm going to, you know, [redacted] at [redacted].

D.C.: Right.

S.S.: Um -- I am seeing -- I've been seeing my therapist. It's again, for the last, you know, I've s -- been seeing her for -- for a bit now. It's -- it's not -- and I'm not asking for like what -- whatnot, but you come here and --um -- the sad thing about -- about these things -- um -- is you only really -- it -- it seems like you only really get help if sometimes you get into trouble. Um -- because, you know, right now, I'm just trying to claw out of the -- um -- out of the barrel right now.

D.C.: Okay.

S.S.: I don't drink. I don't do drugs. I don't do anything -- anything like that. I've not shown up to work drunk. I've not done any crimes like that. Yes, I have done something significantly horrible. Absolutely. My grandfather's probably rolling over in his grave right now. Absolutely.

D.C.: Hmm.

S.S.: So, well, yeah, for what it's worth, I'm trying right now, and I need to better myself and better my life for not only myself -- um -- but for my family.

D.C.: Good. Well, I'm good. I'm glad -- I'm glad to hear this. Mr. Howell, do you have anything you want to -- uh -- add?

S.H.: No, thank you though.

D.C.: Okay. (Inaudible). I'm going to order you to not discuss this interview or investigation with anyone other than your representative or myself. Do you understand that?

S.S.: Um -- therapy.

D.C.: Uh -- uh -- uh -- I'll -- anyone like privileged --

S.S.: Okay.

D.C.: -- yeah.

S.S.: Okay.

D.C.: Obviously, clergy --

R.K.: Yeah, clergy -- you know --

S.S.: Yeah -- yeah, I -- I'd ju -- okay.

D.C.: Yeah. All right, the time is -- uh -- 4 -- 2:57 p.m. and this concludes the interview. (Recording Ends)

Representing Professional Standards is myself, Sergeant David Canepa, and assisting is Sergeant Roman Kehm. I'm conducting an interview with you regarding allegations of sexual misconduct and conduct unbecoming -- uh -- by Officer Sean Stokhaug, to which you may be a witness. This is an administrative investigation only, do you understand this?

TG: Yes.

DC: This interview is being tape recorded, do you understand this?

TG: Yes.

DC: The result of this investigation could lead to disciplinary action up to and including termination of the accused employee, do you understand this?

TG: Yes.

DC: At this time I order you to cooperate with this investigation. This means you must be truthful in all your statements and answer all questions fully and honestly. DC: Okay. What is your current assignment?

TG: Uh -- current assignment, traffic sergeant.

DC: All right. And how long have you been there?

TG: About three months.

DC: Okay. And in April of 2000 -- or April of 2022 what was your assignment?

TG: I was patrol sergeant and I was -- uh -- on Team Two, which is weekend swings.

DC: Okay. And who was on your team, if you remember?

TG: Uh -- I believe Officer John Moniz , Officer Austin Alvarez, and Officer Brian Airoso.

DC: Okay. Um -- and at some point -- uh -- were you working on April 15th, 2022 to the best of your --?

TG: Yes, I was.

DC: Okay. And at some point you and Officer Moniz were dispatched to a residence on Ellis Drive, is that correct?

TG: Yes.

DC: Okay. Do you -- do you remember that call?

TG: Yes.

DC: Can you explain to me what the circumstances were of it?

TG: Yeah, initially we met with [redacted] over at Sandra Gallardo Elementary. She said that her husband -- uh -- I believe it's [redacted] --

DC: Uh-huh.

TG: -- not [redacted]? Yeah, [redacted] had been drinking at the house that day. They had been having some marital problems and she didn't want him there at the house while he was drinking, so she asked us if we'd make contact with him at the residence and just simply ask him to go to a hotel or to his mom's for that night, and she said no crime had occurred at that point so she was just asking us to make

contact with him to see if he would leave.

DC: Okay. And at some point you went over to the residence?

TG: Yes.

DC: And what did you encounter over there?

TG: Uh -- [redacted] was upstairs -- uh -- in bed. He had obviously had signs of intoxication, been drinking. Uh -- we explained to him why we were there and let him know that his wife had said -- asked that he -- uh -- would go to a hotel for the night. He did first initially said well hey, what -- uh -- my wife is basically sleeping with one of your guys' canine officers.

DC: Right.

TG: And due to his level of intoxication I wasn't sure if he was totally aware of what he was saying, because he also said he gets off at 10:30 at night. So a first I didn't immediately respond to it because I've had people mistake us for County before, and so we were just kind of going along trying to usher him out of the room, and he made a couple more comments, and finally I just told him, I said tell you what, why don't I give you a ride to the hotel, we can talk about it there, but we won't talk about it right now while the other officer is in the room.

DC: Okay. Um -- what -- you said he was intoxicated. What would you estimate his level of intoxication was?

TG: Uh -- just from talking to him and hearing him slur his words and his slow mannerisms, I would say probably a one two --

DC: Okay.

TG: -- around there.

DC: He was able to walk on his own?

TG: Yeah. He was slow and deliberate and very -- very slow and

deliberate, like at one point he handed me his phone and he was fumbling, trying to get to text messages, and it took a lot of concentration for him to do such.

DC: Okay. And at -- at some point during the call -- um -- he identified the -- the officer by name that he said was having an affair with his wife?

TG: Yes.

DC: And -- and who did he say?

TG: At first initially in his room he couldn't remember his name. Um -- he agreed to leave. Moniz went outside, I went downstairs, he was still in the residence talking to his kids, explaining with was coming down -- what was happening. He then walked downstairs, and I believe that's when he showed me the text and told me it was Officer Stokhaug.

DC: Okay. And he showed you -- as he's coming down the stairs he showed you a phone?

TG: Yes.

DC: This was his phone, right?

TG: It was his phone.

DC: Okay. And -- um -- the phone that he handed you, did it have -- um -- a picture of a message thread? Or the actual message thread on it? Or do you know?

TG: It was a -- uh -- screen shot of a thread. He went on to explain once we got into -- actually, it wasn't until the next day --

DC: Let me -- let me stop you real quick, though, how -- how do you know that it was a screen shot of a -- of a thread?

TG: Because I had it in my hand and --

DC: Okay.

TG: -- like I wasn't able to swipe up through the thread to see more comments.

DC: Okay. And was it just one picture?

TG: Uh -- that -- right then he showed me one there, and showed me I think at least one more when we were driving to the hotel.

DC: Okay. So let -- let's begin with the screen shot that he showed you -- um -- in the house.

TG: Uh-huh.

DC: It was a picture of a message. Do you remember, you know -- uh -- most phones these days have like message bubbles --

TG: Yes.

DC: -- you know, to and from type of thing?

TG: Uh-huh.

DC: Do you remember like how many messages back and forth were on it at all?

TG: It was the full screen of what would be captured in a screen shot, so I'm just estimating maybe eight messages back and forth.

DC: Okay.

TG: Just of the one screen.

DC: And was there any name at the top? Or was there any phone number or any other identifying information that would lead you to believe that it belonged to someone?

TG: Uh -- there was nothing visible on it. I think he could -- he later advised he had a separate phone, it was his wife's old phone because she'd gotten a new phone.

DC: Right.

TG: Well, she never disconnected her old phone from the iTunes --

DC: Right.

TG: -- so she was -- he was getting all of their text messages. And he took a picture of it with his cell phone.

DC: Got you. Okay.

TG: And so I think he screened in because I didn't see a number up top, it didn't say wife, it didn't show any phone number --

DC: Right.

TG: -- to and from who the contacts were.

DC: So it could have been text messages, it could have been from a messaging service, could have been from --

TG: Well, it -- it appeared to be text messages, because I believe they were green and blue, indicating one person had an Android phone and another person had an iPhone, or actually they would both be there.

DC: Okay. Do you remember anything -- when he initially came down the stairs and handed you the phone and you kind of look at it for a second before you hand it back to him -- do you remember anything that was on that screen at all?

TG: Um -- there was messages back and forth on that one. The one that stood out to me, I remember she said -- um -- I could suck the cum out of you. That was about the -- all that I remember on that one because it caught my attention as far as that.

DC: Right. All right. And any other thing -- nothing else you remember just from that initial time where he handed you the phone?

TG: Not on that one there.

DC: Okay.

TG: Noting stood out to me that I can recall now.

DC: All right. Okay. And then -- uh -- on the way to the hotel --

TG: Uh-huh.

DC: -- he showed you the phone again?

TG: Yeah, he pulled up another screen shot, or another photo he had taken of it -- of his wife's phone.

DC: Okay. And do you remember anything it said on that additional one?

TG: Uh -- that one, it seemed like it was talking back and forth, and the thing that stood out to me on that one I recall is it said well, I know you're okay with anal. And she said -- responded back, well, duh.

DC: Okay.

TG: And that was about all I remember as far as that.

DC: And on that second screen, was there -- was it similar to the first as in you said there was colored messages to indicative of--

TG: Yes.

DC: Okay. Indicative text messages?

TG: It was the same style as the first.

DC: Okay. All right. And was there any identifying information on the second screen shot which would lead you to believe that -- or a phone number associated with it or a contact name or anything like that?

TG: No, there was no -- it didn't show any phone numbers at like at the top of the page, or a name, that if you were to typically message on a phone with, it didn't have of either the sender or the receiver. And there was nothing in the actual messages on the screen with anybody's name on it.

DC: Okay. All right. All right. And you dropped him off at the hotel and --

TG: Yeah, I -- he was upset and everything, he was highly intoxicated, I told him --

DC: Right.

TG: -- I'll tell you what, why don't you sober up tonight. I said -- first I said you can contact you -- I said come to the PD tomorrow, we can let them know, I said this is something we'll definitely need to look into. And he was very gung ho at that time, adamant that it wanted it -- he wanted it looked into -- um -- because he was -- basically he saw it as in his wife -- [redacted] I believe?

DC: Uh-huh.

TG: Yeah, had called us on him that night so he was doing it back to her by reporting the affair.

DC: Right.

TG: And reporting what was going on.

DC: So you believe that it might have been like retaliatory?

TG: Yeah, at the moment, or maybe he said it was just like I'm tired of this, it's done, we're done. He -- he was just tired of it.

DC: Okay. All right. Uh -- how did you end your con -- that's how you ended your contact with him?

TG: I told him to come down to the PD tomorrow and let us know. When I left from there I contacted Lieutenant Lockhart --

DC: Right.

TG: -- and advised him of it, and he said no, it's kind of serious, this is not the first that we've heard of Sean doing this. And he said definitely go -- he told me, he goes I -- tell him not to come into the PD tomorrow, you'll meet him.

DC: Okay.

TG: So I believe I called him on the phone and said hey, I'll call you tomorrow and we'll arrange a time and place to meet, and we can talk about this further. And this was shortly after leaving, like

maybe an hour --

DC: Okay.

TG: -- and he was still agreeable to all that.

DC: Okay. Um -- and so he agreed to meet you the next day, and did you meet him the next day?

TG: Yes, I did.

DC: Where'd you meet him?

TG: Um -- basically just down the block from his house. I believe it's Grover at Ellis Circle.

DC: All right. Okay. And what did he say during your second conversation about the messages?

TG: So in talking with him again I'd say he just started to relay this to me and everything and you could easily -- already see that he was apprehensive in talking to me at that point.

DC: Right.

TG: And --

DC: Was he sober?

TG: Yeah, he appeared sober at that time.

DC: Okay.

TG: Um -- he said that his wife confronted him that morning, this was the 16th, I believe.

DC: Right.

TG: Confronted him that morning about talking -- telling us about her and Officer Stokhaug.

DC: Right.

TG: And from what I gathered from him, he was suspicious of us telling Sean --

DC: Uh-huh.

TG: -- and then Sean telling his wife. I assured him that -- uh -- that we didn't talk to anybody after that. I -- uh -- did contact Officer Moniz and I said you didn't tell anybody, right?

DC: Right.

TG: And he said no. And when we left to the residence the day before I said mum's the word on this, don't tell anybody. He goes I'm just trying to keep my nose clean.

DC: Right.

TG: Because that was [redacted] so he didn't want to --

DC: Right.

TG: -- get involved in anything.

DC: I guess just -- I -- I saw that on the thing as you -- once you had the call under control you excused Officer Moniz and just -- and then handled the situation here.

TG: Yeah. Yep.

DC: So Officer Moniz was just privy to that initial --

TG: Yeah.

DC: -- talking to him in the bedroom and -- and nothing else after that?

TG: Yeah. I don't think --

DC: Okay.

TG: -- uh -- I don't believe he even said Officer Stokhaug's name, but he said he works weekdays and he's off at 10:30.

DC: Okay.

TG: So I think he probably could have put two and two together it would have been.

DC: Did you -- at some point during that conversation -- um -- you asked -- uh -- [redacted] -- um -- and that's based on his allegation that some

of this had occurred on duty and/or in uniform?

TG: Yeah. At first -- uh -- I think it was even driving over to the hotel he had had said oh, this happened on duty, this guy's on the -- this guy's on duty doing this with my wife. So the next day I asked him again and he goes well, I don't know if it was on duty but I know it was definitely in uniform. I asked him how do you know that, and he said by the text messages.

DC: Right. And did you ever elaborate with him about that --

TG: I didn't at that point --

DC: -- based on what message led him to believe that? Or --

TG: Did I elaborate? Or --

DC: So when he said --

TG: -- or what made him believe that?

DC: -- yeah, so when he said, you know, I believe he was in uniform and you asked him I remember that and you said because of the text messages.

TG: Yeah.

DC: Um -- I don't see anything on the video that leads me to believe that, but at -- at any point, in any phone conversation that you had with him, or any contact, did you get into the subject of the uniform? And why he believed that?

TG: No, I didn't go any further with him there because he was very hesitant --

DC: Right.

TG: -- with me, and he said the text messages. And even talking with him there on the next day -- uh -- he assured me several times he was going to send me the text messages, so I didn't want to push him too hard and have him just recant everything or not go forward,

because he was -- I think he was fearful of thinking that we would protect Sean or that we would inform Sean.

DC: Right.

TG: I assured him that if Sean probably would have been smarter than to contact him, even if he did find out. But I didn't believe he had found out at that point.

DC: Right. Okay. All right.

TG: So I thought I had the text messages coming at that time so I didn't push him further with it.

DC: Okay. And you told him to send you the screen shots to your phone?

TG: Yeah. And I gave him --.

DC: Did you ever receive them?

TG: No.

DC: Okay.

TG: I gave him my work cell. Um -- I even called him after that and he just told me at one point, he goes well, I don't have them anymore, I erased them.

DC: Oh, so you did have a further conversation on with -- on the phone with him?

TG: Yeah, because I --

DC: After that day?

TG: -- talked to him that day and he said that, you know, oh, I'm definitely going to assure you I'm going to text, and I think I'd even texted him to be like -- because I told him I was going to make a ruse like hey, if his wife asked why he was talking to me, just saying hey, I'm here to help you with your alcohol problem and just wanted to make sure you get there. And so I texted him, I was like hey, this

is -- uh -- Sergeant Tim Galovich, something to the effect of can you call me? And I wasn't getting any response.

DC: Right.

TG: And then a couple times I went by, and I think it was the following day, on the 17th -- um -- when I did call him and he was like yeah, I don' t know, I don't think I want to do this anymore. He said that he erased the messages at that time.

DC: Okay. All right. All right. Was that your last contact with him?

TG: Yeah, on the 17th. Yeah.

DC: Okay. All right.

TG: Or whatever days. The day of the call I contacted him in person. The next day, and then the following day was the phone call was my last one.

DC: Okay. And did you ever leave him any voice mails or text messages after that saying, you know, hey, what's going on? Or where's my messages? Or anything?

TG: After the 17th, I don't believe so.

DC: No? Okay.

TG: Yeah.

DC: All right.

TG: Because that's when Brian told me to go ahead and just write up what I had and send it to him.

DC: Okay. All right. All right. Um -- okay. Sergeant Kehm, you got anything for him?

RK: Just there's -- on your experience, is there any indication that would involve Sean in this? Or indicate Sean was the person?

TG: Just from --

RK: Or that the wife and Sean were the ones communicating?

TG: -- yeah, I never saw any evidence of that other than his statement. At the time when I contacted the wife -- um -- I didn't know anything about this.

DC: Right.

TG: Um -- I never saw any of the messages between them afterwards in preparing for the memo for Lieutenant Lockhart.

DC: All right.

TG: I did a CAD search and I'd only found one previous call that they went on together.

DC: Right.

TG: That -- I think -- I believe he, Sean, responded to the residence.

DC: Right. Um -- other than what's on the body cam, did you have any contact with the wife [redacted] in which she mentioned anything about Sean? Or anything about the Folsom Police Department? Or dating anyone? Or allegations that her husband had made against her?

TG: I never had any contact with her regarding that, other than just the initial -- uh -- contact with her at the school --

DC: Right.

TG: -- when she asked him to leave. And then I can't remember if I had turned my camera off when I was waiting for him out in my car -- um -- she had pulled up behind our police cars, and I just went up to her and I said yeah, he's agreeable to leave.

DC: Uh-huh.

TG: I'm going to take him over to the hotel. I just ask when he comes out you don't chirp at him or anything.

DC: Okay.

TG: And that was it. So I didn't say anything to her about that.

DC: And you didn't call her that night to update her on the progress of it or anything like that?

TG: No.

DC: It was just -- that was -- that was the last time you've ever talked to her?

TG: No, I hadn't any other contact with her. And -- uh -- when -- I believe what happened as far as if she did find out about this and fronted him, because we heard his kids moving around --

DC: Right.

TG: -- in the hallway after -- or when he was in bed. So I -- I probably suspect that one of them heard something and told mom.

DC: Okay. Um -- Sean. You were not supervising him at the time?

TG: No, I was not.

DC: Okay. Was he working overtime or something? Or --

TG: No, he wasn't even on duty that night. He was -- um --

DC: Oh, that's correct, yeah, okay.

TG: -- weekdays --

DC: That's right.

TG: -- weekday he -- uh -- I mean he worked a lot of overtime.

DC: Right.

TG: I don't remember specifically if he was working -- I don't believe he was working that night. He worked a lot of overtime on my shifts --

DC: Right.

TG: -- and -- but I don't believe he was working that night. I'd have to go back and look.

DC: Okay. As a patrol supervisor, do you regrl -- reg -- do you make it a practice to like look at RIMs maps every now and then?

TG: Yes.

DC: Yeah?

TG: Yeah.

DC: And at any time when Sean was on your shift, do you remember him like being in that area? Or parked for long times on Ellis Circle?

TG: Not --

DC: Or that you recall?

TG: -- not -- afterwards, I know I looked up a couple of times, just being paranoid, afterwards.

DC: Right.

TG: A couple of times in that area when he was on my shift, and he never went onto Ellis.

DC: Okay. All right. All right. Is there anything else to this matter which I have not covered that needs to be added, clarified, or changed?

TG: Uh -- nothing factual. It's just in my opinion the guy did seem very credible --

DC: Uh-huh.

TG: -- at the time, and had been frustrated. He said his wife had done this numerous times --

DC: Right.

TG: -- with the Sheriff's Department, and even within Corrections, and he was just tired of it. And really, I just believe that he got scared that maybe we were kind of telling Sean what was going on and that's why he recanted and became uncooperative.

DC: Okay. Um -- all right. I am ordering you not to discuss this interview or investigation with anyone other than myself or Sergeant Kehm. Do you understand that?

TG: Yes.

DC: Should you remember any additional pertinent information, or become aware of new related information, you are ordered to advise me immediately. Do you understand?

TG: Yes.

DC: That concludes this interview. The time is 3:21.

- INTERVIEW CONCLUDED -

- INTERVIEW -

[redacted].: -- park at a -- a [redacted] facility.

B.L.: Uh-huh.

D.C.: Oh, okay. Are you --

[redacted].: So --

D.C.: -- [redacted] or something?

[redacted].: Uh-huh.

D.C.: Oh, nice. Okay. Um -- do -- do you mind if we talk over here? Just because I --

[redacted].: Yeah.

D.C.: -- I going to need someone -- to lay some -- something down real quick.

[redacted].: Uh-huh.

D.C.: Um -- I --

B.L.: Yeah. You're going to get water spots on this car.

[redacted].: I know.

D.C.: Yeah.

[redacted].: It's pissing me off every day.

D.C.: Is this one yours?

[redacted].: Yes.

D.C.: Oh, okay. So, I'm a sergeant with the Folsom Police Department.

[redacted].: Uh-huh.

D.C.: This is -- uh -- Brian. He's the lieutenant. And we -- um -- I do, like, personnel, like, investigations. Do -- do you know what this is about already? You do? Okay.

[redacted].: Uh-huh.

D.C.: All right. So, would you mind just answering a coup -- I got to shore this up some way or the other? And would you mind asking her a

couple questions or answering --

[redacted].: Go for it.

D.C.: -- a couple of questions? Okay. All right. Um -- so, do you -- do you know -- um -- and I'm going to re -- record this just so I can take good notes and stuff. All right?

[redacted].: That's fine.

D.C.: Do you -- do you know -- um -- Officer -- uh -- Sean Stokhaug?

[redacted].: Uh-huh.

D.C.: Okay. What's the nature of your guys' relationship?

[redacted].: We're friends.

D.C.: You're friends? How did -- how did you guys meet?

[redacted].: Um -- we met at Dutch Bros.

D.C.: At Dutch Bros?

[redacted].: Uh-huh.

D.C.: When -- when about was that?

[redacted].: Actually, a year ago.

D.C.: A year ago?

[redacted].: Uh-huh.

D.C.: Okay. How -- what was the -- the -- um -- circumstances of how you guys met?

[redacted].: Just how -- meeting anybody else.

D.C.: What's that?

[redacted].: Just how -- meeting anybody else for getting a drink.

D.C.: Oh, okay. I mean, was he at -- um -- was he at work or not at work or were you at work or?

[redacted].: Um -- I was not at work. I believe he was at work.

D.C.: Okay.

[redacted].: Um -- that's just how we initially met.

D.C.: Right. Okay. And how -- how did that occur? Like, just if you remember.

[redacted].: What do you mean?

D.C.: Like, did he come up --

[redacted].: Like, I was buying --

D.C.: -- and approach you?

[redacted].: -- a coffee and I always buy -- if there's any of our -- uh -- any of our officers there, I buy their coffee. So, I bought everybody's coffee.

D.C.: Oh, nice. Okay.

[redacted].: So, that's initially how it started.

D.C.: Okay.

[redacted].: And then he used to train with my cousin. And so, then -- um -- we got in contact that way.

D.C.: Okay. All right. Oh, so, he reached out to your cousin and then --

[redacted].: No, no, no, no, no, no.

D.C.: -- got your phone number?

[redacted].: No. I sent him a message on Facebook one day.

D.C.: Oh, okay.

[redacted].: And I was, like, oh. Are you the one I bought a coffee for? And then --

D.C.: And then you guys just started talking.

[redacted].: Uh-huh.

D.C.: Okay. All right. And at some point, the relationship became, like, romantic, I guess?

[redacted].: We are friends.

D.C.: No? Oh, it never --

[redacted].: No.

D.C.: -- never more --

[redacted].: We are friends.

D.C.: Okay. All right.

[redacted].: We've been friends for a year -- this month is a year, actually.

D.C.: Okay. And do you guys -- do you guys do stuff outside of work or anything or?

[redacted].: Um -- no. We don't get a lul -- together that much. Basically, we just chat.

D.C.: So -- okay. So, your -- your relationship just consists of you guys chatting over social media or text or anything like that?

[redacted].: Yeah. I met him at Lembi park once.

D.C.: Okay.

[redacted].: Um -- nothing happened.

D.C.: Right.

[redacted].: It was strictly conversation, middle of the day. Gosh, it was probably 4 o'clock in the afternoon.

D.C.: Right.

[redacted].: But nothing more than that.

D.C.: You guys just met up and chatted?

[redacted].: Uh-huh.

D.C.: Okay. Was he at -- at work during that time?

[redacted].: No.

D.C.: Okay. All right. Uh --

[redacted].: We don't meet at work.

D.C.: Okay.

[redacted].: For personal conversation. We don't even meet off of work for a personal conversation.

D.C.: Right.

[redacted].: Just one time.

D.C.: Okay. Um -- has he ever been over here at the house for any call for service --

[redacted].: No.

D.C.: -- while on duty? Okay. Has -- um -- he ever been here just while on duty or off duty -- um --

[redacted].: No.

D.C.: -- for any reason?

[redacted].: No.

D.C.: Never? Okay.

[redacted].: No.

D.C.: Um -- did -- uh -- have you ever been inside the -- his police car --

[redacted].: No.

D.C.: -- or the K9 car? Anything like that?

[redacted].: No.

D.C.: Okay. Um -- so, I -- do you know how this all came about and started?

[redacted].: Yes.

D.C.: Okay. Do you -- what's your understanding of how it did?

[redacted].: My psycho husband.

D.C.: Right. And I -- did he still lives here, [redacted]?

[redacted].: Uh-huh.

D.C.: Okay. And so, do you --

[redacted].: Until October.

D.C.: Until October? Okay. All right. Um -- what do you -- what do you know about what [redacted] did?

[redacted].: Um --

D.C.: Or said or?

[redacted].: -- just said something was going on. Um -- but he imagines a lot of

things.

D.C.: Right.

[redacted].: He imagines things happened with people I'm not even friends with. But at least this one I'm friends with. So, I mean --

D.C.: Right.

[redacted].: -- it's a little closer than he normally gets.

D.C.: So, he made, like, allegations about other people that you were friends that you had some type of intimate relationship with them and?

[redacted].: He has before, yeah. He's --

D.C.: He has?

[redacted].: -- assumed I parked close to a car at an MMA party at my friend's house. So, I was with him. I was, like, what?

D.C.: Okay. All right.

[redacted].: I was, like, that's the craziest thing I've ever heard. So, then I started sending pictures -- am I parking too close or should I back up a little bit? I'm just, like.

D.C.: Right. Okay. Got you. All right. Um -- so, it -- one of the -- one of the things that -- um -- has come up in -- in the investigation that there may or may -- there may or may not have been a time where -- um -- you guys engaged in any type of intimate or sexual contact at some point. Is that true at all?

[redacted].: No.

D.C.: Okay. And that never happened while he was on duty?

[redacted].: Never.

D.C.: Never?

[redacted].: Never on or off.

D.C.: Never on or off?

[redacted].: No.

D.C.: Okay. Um -- when is the -- when is the last time you guys talked?

[redacted].: Last night.

D.C.: Last night? And just through, like, text message or --

[redacted].: Uh-huh.

D.C.: -- phone or anything?

[redacted].: Uh-huh.

D.C.: Okay. Um -- have you ever met him, like, at a -- uh -- a hotel --

[redacted].: Pff --

D.C.: -- anywhere ever?

[redacted].: No.

D.C.: Okay.

[redacted].: No.

D.C.: Have you ever met Sean at a park in town or out -- out of town?

[redacted].: The one I told you about.

D.C.: Just the one you told me about?

[redacted].: Uh-huh.

D.C.: Okay. So, when -- um -- when I -- well, when someone talked to [redacted], not me, he made a mention of some text messages that he had seen. Do you know what he's talking about?

[redacted].: Okay. He could have seen our conversation.

D.C.: Right.

[redacted].: I don't keep anything from him.

D.C.: Okay. All right. Um -- he made mention of the fact that there was maybe like an old device. You know, sometimes with Apple -- I don't know. Do you have Apple devices?

[redacted].: Uh-huh.

D.C.: You know, they like send messages --

[redacted].: I got a new Apple ID though, so.

D.C.: Okay.

[redacted].: When I got my new phone.

D.C.: Okay. So -- uh -- what -- there was a possibility that messages were being sent to, like, an old device that you may not have know of that -- um --

[redacted].: I have my old phones.

D.C.: Yeah. It's like an old phone or something like that.

[redacted].: Uh -- I have my old phones. They're not even at my house, so.

D.C.: Okay. Um -- did he ever talk to you about any, like, screen shots or anything that he took from old messages?

[redacted].: Huh-uh.

D.C.: No? Okay. That's never an argument you guys had or anything?

[redacted].: Um -- he's -- uh -- he's argued with me about being friends with him. He's never told me about any screenshot though.

D.C.: Right.

[redacted].: No.

D.C.: Okay. All right. Um -- all right.

[redacted].: And if has anything, he's free to give it to you. So, he doesn't have them.

D.C.: Right, right. Yeah, I don't -- I don't -- I don't have them.

[redacted].: Yeah. Well --

D.C.: I'm just wondering if they exist or not.

[redacted].: No.

D.C.: And the reason --

[redacted].: I mean, he could have seen our conversation. I don't know --

D.C.: Right.

[redacted].: -- whether he has screenshots or not. I don't know.

D.C.: Yeah.

[redacted].: I don't go through his phone. I don't look at his phone. So, I don't know what --

D.C.: Okay.

[redacted].: -- he has or doesn't have.

D.C.: You know, sometimes like people look at my job and -- um -- sometimes they say, oh. You're just trying to get people in trouble. And that's sometimes people do get in trouble. But most of my job is to --

[redacted].: You got a job to do.

D.C.: -- well, but most of my job is actually trying to prove, like, they didn't do anything wrong.

[redacted].: Right.

D.C.: You know, until I can't anymore and then --

[redacted].: Right.

D.C.: -- and then it's, like, we've got to go from there.

[redacted].: Uh-huh.

D.C.: So, like, if there is some screenshots out there that would tend to prove someone's innocence, I'd be just as interested in those as I would be if someone were to be doing something wrong.

[redacted].: Right. I have -- I mean, all I have is our conversation from recently in the last few days. And I mean, you're free to look at. There is absolutely no flirting, inappropriate conversation, anything. It's total normal friend conversation.

D.C.: Would -- if -- if you would -- and it's completely up to you, but would you mind? That way I can just kind of characterize --

[redacted].: I don't mind.

D.C.: -- your relationship a little bit.

[redacted].: Yeah.

D.C.: Thank you.

[redacted].: Let me go get my phone.

D.C.: Thank you. Do you have anything you want to ask.

B.L.: No.

D.C: No? All right.

B.L.: A hundred percent.

D.C.: I appreciate that [redacted], thank you.

[redacted].: No problem.

D.C.: What do you guys usually use? Just like Facebook Messenger or --

[redacted].: Uh-huh.

D.C.: -- a text or any? Thank you, ma'am.

[redacted].: Uh-huh.

B.L.: I can't believe you let this nice car just sit here and get -- get watered on.

[redacted].: You know I wash it every day. I'll take it to the car wash. It gets me so mad every time it gets water on it. But I think I did a, like, a 24-hour shift and then I did a 12-hour shift and I was just too tired to care. So, we're just talking about music and --

D.C.: Right.

[redacted].: -- just normal conversation.

D.C.: So, what -- um -- did he ever -- um -- [redacted], did he ever confront you with some screenshots that he --

[redacted].: I've never seen --

D.C.: -- possibly had?

[redacted].: -- any screenshots he's had.

D.C.: You've never seen anything?

[redacted].: No.

D.C.: Okay. All right. When the -- um --

[redacted].: It's totally, literally regular normal conversation --

D.C.: Right. Yeah.

[redacted].: -- about normal things.

D.C.: Right. Um -- yeah. Okay. Um -- when he -- when we came to your house that one time for a -- it was like a civil standby type of thing. It had to be the -- the kids that was -- because he was intoxicated.

[redacted].: Uh-huh.

D.C.: Okay. All right. All right.

[redacted].: He likes to fight with me a lot -- um -- when he's drinking. Actually, it's the only time he'll really fight with me.

D.C.: Oh, really?

[redacted].: Yes. So, it -- in that situation when the kids are around, I -- they don't need to sit there and listen to that.

D.C.: Right.

[redacted].: And so, I'm, like, you need to go sleep it off somewhere else, come back, and then we can talk when you're sober because you can be normal. And he won't go. He'll just sit there and fight. And --

D.C.: Right.

[redacted].: -- you know, the kids don't need to be in the middle of that.

D.C.: Right.

[redacted].: So --

D.C.: Yeah, absolutely.

[redacted].: That was what that was.

D.C.: Okay. All right. And I'm assuming that you don't have any reason to not tell me the truth if -- if -- uh -- any of this stuff was true that I was talking about?

[redacted].: I don't.

D.C.: Okay.

[redacted].: It's not going to affect me any.

D.C.: Is it your -- uh -- it's your opinion that he's just trying to cause problems between --

[redacted].: A hundred percent.

D.C.: -- someone that is your friend?

[redacted].: Uh-huh.

D.C.: Okay. All right. Um -- do you have anything else --

B.L.: No.

D.C.: -- that you'd like to add? Okay. Hey, I appreciate you taking the time to -- uh -- talk to me today.

[redacted].: Uh-huh.

D.C.: To help clear this up because, like I said, sometimes we look into stuff and it's nothing. But as the police department, we still have to make sure --

[redacted].: I get you have to do it.

D.C.: -- it's -- it's -- we have to do it, you know.

[redacted].: I get it.

D.C.: So, once there's allegations and things have been made. Um -- I would appreciate -- um -- you're not a police officer, so I can't tell you what to do. But I would appreciate it if you kept the conversation between you and I --

[redacted].: Uh-huh.

D.C.: -- um -- while we -- uh -- work this thing out. And -- um -- you know, like I said, I'm pretty much done with everything. I just need to talk to you, so.

[redacted].: Okay.

D.C.: All right. I appreciate your time. It was nice meeting you.

[redacted].: It was nice meeting you.

D.C.: All right.

[redacted].: Sanitize your hands. I don't want you to get COVID again.

D.C.: Uh -- no. I'm -- I'm good with it. Thank you, though.

[redacted].: I'm, like, I don't want it a third time. There's something (inaudible) --

D.C.: Oh, my phone, yeah. Thank you.

[redacted].: Okay.

D.C.: Have a good day.

[redacted].: You too.

- INTERVIEW CONCLUDED -

- INTERVIEW -

[redacted].: Crazy looking cat, right?

R.K.: This is Sergeant Kehm, representing the Professional Standards Unit. I'm here with [redacted] at her apartment. Um -- also present is Sergeant Warner Herndon. Um -- it is September 14th at 11:25. Okay -- um -- so like I said, [redacted], I'm just here to -- I'm going to step over here -- clarify some stuff from -- uh -- the original statement.

[redacted].: Uh-huh.

R.K.: So -- uh -- I don't know if you're aware, we spoke with Sean.

[redacted].: I know.

R.K.: Okay. Um -- we spoke with Sean --

[redacted].: Uh-huh.

R.K.: -- and -- uh -- with that -- um -- I just need to ask you some stuff to kind of clarify.

[redacted].: Uh-huh.

R.K.: He gave a -- a full statement --

[redacted].: Okay.

R.K.: -- um -- as he has to being an employee of ours. Um --

[redacted].: All right.

R.K.: -- obviously, you don't have those same -- we don't have the same requirements of you, but, you know, we're just trying to get to the end of this.

[redacted].: Of course.

R.K.: And get everything -- uh -- resolved. So -- um -- you, in your original statement, had mentioned that you guys met up one time in person -- um -- for -- beyond the original meet up at Dutch Brothers?

[redacted].: Yes.

R.K.: Okay. And you had said that was Lembi Park.

[redacted].: Is that the park that's by the waterpark?

R.K.: By the where?

[redacted].: Waterpark?

R.K.: Like the water --

[redacted].: I don't the name of it. Like which -- which parks are where, but it's by the Aquatic Center.

R.K.: The Aquatic Center. So, that -- I believe that's Lembi Park.

[redacted].: Okay. Yeah --

R.K.: Um -- okay. Did you guys -- uh -- ever meet in the Mikuni's parking lot?

[redacted].: You know what, we did.

R.K.: You did, okay. Do you --

[redacted].: And I --

R.K.: -- know --

[redacted].: -- I totally, absolutely forgot about that. But yes -- yes, we did.

R.K.: Do you know when that was?

[redacted].: Over -- over a year ago now.

R.K.: Over a year ago?

[redacted].: Yeah.

R.K.: You don't know like a month or --

[redacted].: I could guess it would be -- uh -- uh -- it would be a guess -- um -- I would say that was like right around when we very first met and that was like right before his birthday, so maybe the month before his birthday.

R.K.: Month before his birthday.

[redacted].: Or the month of. It was around there, but I -- it's a guess.

R.K.: Okay. Do you know about what time of night that was or day?

[redacted].: Uh -- it was at nighttime. I don't --

R.K.: Yeah.

[redacted].: -- remember the time.

R.K.: Okay. Were there people at the restaurant or --

[redacted].: There were people everywhere -- yeah.

R.K.: Okay. So, during business hours of the restaurant?

[redacted].: Yeah. I -- I mean, I don't know who's the restaurant, the other places in the -- in the building, I don't know. I honestly do not remember the time.

R.K.: Okay. And -- uh -- was Sean in -- uh -- his patrol car in uniform --

[redacted].: Yeah, I was --

R.K.: -- when you guys met up?

[redacted].: -- sitting off to the side, and yeah, he pulled up. It was like less than five minutes.

R.K.: Okay.

[redacted].: Bye-bye.

R.K.: Can you describe the -- the -- uh -- circumstances of that meet?

[redacted].: Um --

R.K.: D -- uh --

[redacted].: Oh, I'm sorry.

R.K.: No, you're okay. I just don't --

[redacted].: I can put him in --

R.K.: -- want to --

[redacted].: -- the room.

R.K.: It's okay.

[redacted].: He's like part leopard, so he's a little wild. Um -- I -- there -- there was nothing to it really.

R.K.: Just talking --

[redacted].: It was literally just hi/bye. It was very, very short. Very brief. Okay.

R.K.: So, I -- [redacted], and I know some of this may be embarrassing to talk about -- um -- but, you know, we're all adults here, and we know --

[redacted].: I don't embarrass easy. It's fine.

R.K.: Huh?

[redacted].: I don't embarrass easy. It's fine.

R.K.: Okay. But I just want that out there to know that it -- it's -- we're all adults. We know stuff happens. It's -- it's life. But --

[redacted].: Right.

R.K.: -- uh -- what was your conversations about?

[redacted].: At Mikuni's?

R.K.: Yeah.

[redacted].: I don't even remember what our conversation was about. Certainly, hi and bye.

R.K.: Hi/bye.

[redacted].: There really wasn't much to that. I don't remember the conversations.

R.K.: Okay.

[redacted].: It's been a long time ago.

R.K.: Okay. Um -- did you guys -- so, after the Mikuni's -- um -- did you guys meet up any time after that?

[redacted].: Other than the park, no.

R.K.: Um -- do you know -- uh -- Kemp Park over there by Home Depot?

[redacted].: Kemp, yeah.

R.K.: Do you remember meeting up with Sean there?

[redacted].: Um -- no.

R.K.: Over by the baseball fields?

[redacted].: Kemp Park. That's great, and the cat's moving in. Uh -- yeah.

R.K.: Yeah.

[redacted].: Uh-huh.

R.K.: Do you mind telling me what occurred at that meet?

[redacted].: Uh -- um -- I think you probably already know what occurred.

R.K.: What's that?

[redacted].: I said, you probably already know what happened there.

R.K.: So, this is what I was getting at. I mean, it -- it's -- I know it's uncomfortable, but did you perform --

[redacted].: I did.

R.K.: -- oral cop? Yeah.

[redacted].: Uh-huh.

R.K.: Okay. And was Sean in uniform during this?

[redacted].: Yeah.

R.K.: Okay. Did anything beyond that occur?

[redacted].: No.

R.K.: Nothing at all?

[redacted].: No.

R.K.: Were you guys in the patrol vehicle?

[redacted].: No.

R.K.: How -- how did it -- did it go down?

[redacted].: Just outside.

R.K.: Outside? By the door, or somewhere else?

[redacted].: Um -- by the door.

R.K.: By the door?

[redacted].: Yeah, I believe so.

R.K.: Was he sitting, standing --

[redacted].: Standing.

R.K.: He was standing. Okay. Did anything beyond that happen?

[redacted].: No.

R.K.: What led up to that point?

[redacted].: I -- I don't even remember about how it happened exactly.

R.K.: You guys hugging, kissing --

[redacted].: Yeah, I believe we were -- I mean --

R.K.: Um -- uh -- kissing and stuff?

[redacted].: I don't think we did.

R.K.: No?

[redacted].: I don't think we did.

R.K.: Okay. Um -- okay. So, nothing beyond the oral cop at the Kemp Park?

[redacted].: No.

R.K.: Okay. How -- did you guys communicate after that?

[redacted].: Uh-huh.

R.K.: Yeah. What were those conversations like?

[redacted].: I think they varied.

R.K.: What's that?

[redacted].: They varied.

R.K.: Meaning?

[redacted].: We go from friends to flirting friends, flirting friends, flirting, so.

R.K.: All right. Any details on those?

[redacted].: I mean --

R.K.: Did you guys talk about meeting up?

[redacted].: We talked about it.

R.K.: Yeah. Did you guys -- uh -- ever meet up at Livermore Park? That's the one off by -- uh -- Riley, has the big water tower.

[redacted].: Um -- is that where they have football practice?

R.K.: Yes.

[redacted].: Yes.

R.K.: You did. Okay. So, you mind telling me what happened there?

[redacted].: Um -- nothing like happened there. Like nothing happened, anything -- any interaction that might --

R.K.: What's that?

[redacted].: There was like no sexual interaction.

R.K.: Okay.

[redacted].: Flashing, maybe, that's it. Not on his end.

R.K.: Was there touching and stuff?

[redacted].: Um -- not me.

R.K.: So, he touched you?

[redacted].: Huh-uh.

R.K.: You touched him?

[redacted].: Um -- no. Like but who knows, it's -- no, my cousin was there so it was more my cousin.

R.K.: Huh?

[redacted].: Yeah, lucky Sean, right?

R.K.: Your cousin was there?

[redacted].: Uh-huh.

R.K.: And they were making out?

[redacted].: Uh-huh.

R.K.: And who's your cousin?

[redacted].: Uh -- [redacted].

R.K.: [redacted].

[redacted].: Uh-huh.

R.K.: What's [redacted]'s last name?

[redacted].: [redacted].

R.K.: Does Sean know [redacted] [redacted]?

[redacted].: Yes.

R.K.: How does he know her?

[redacted].: Through me.

R.K.: Through you. Um -- so what was occurring between Sean and Ms. [redacted]?

[redacted].: What was the what?

R.K.: What was occurring between Sean and Ms.[redacted]

[redacted].: Nothing really. That's whether only time they met that -- that I'm aware of.

R.K.: That you're aware of.

[redacted].: Could have met up outside of that -- uh – I don't know.

R.K.: So, they were -- what were they doing?

[redacted].: Flirting.

R.K.: And?

[redacted].: That's it, they were just flirting through texts.

R.K.: You said they --

[redacted].: But they were -- they were touching each other, not --

R.K.: Like how so?

[redacted].: Um -- he grabbed her boobs and that's about it.

R.K.: And she exposed her boobs?

[redacted].: Yeah.

R.K.: Okay. Was Sean in uniform?

[redacted].: Um -- yeah.

R.K.: Okay. Was he in his patrol car?

[redacted].: Uh-huh.

R.K.: What's that?

[redacted].: Yes.

R.K.: Okay. And how -- how -- where were you at this time?

[redacted].: Um -- I was standing off to the side.

R.K.: Kind of watching it go down?

[redacted].: Uh-huh.

R.K.: Did anything beyond the grabbing of her breasts --

[redacted].: No.

R.K.: -- occur? Did she touch Sean?

[redacted].: Could have.

R.K.: You didn't see?

[redacted].: Um -- not that I seen if she did -- I think she did. I think she made a comment and then, yeah, so I think she did.

R.K.: Well -- uh -- what -- what was her comment?

[redacted].: That he wasn't that impressive.

R.K.: Like --

[redacted].: That's what she said.

R.K.: Okay. Do you know what she was referencing to?

[redacted].: Um -- I mean, I'm -- I can assume.

R.K.: So, what do you assume?

[redacted].: That --

R.K.: Intercourse --

[redacted].: No, that his size --

R.K.: -- oral cop.

[redacted].: -- was not -- not impressive, that's what she was --

R.K.: What's that?

[redacted].: His size was not impressive is what she was leaning towards.

R.K.: His size?

[redacted].: Yes.

R.K.: Meaning his genitalia?

[redacted].: Uh-huh.

R.K.: Okay. Um -- so, how did that come about that your cousin came with you that night?

[redacted].: Um -- just -- we pretty much go everywhere together, do everything together so.

R.K.: Were you aware of their relationship before?

[redacted].: Uh-huh.

R.K.: Yeah. Is that how you and Sean met?

[redacted].: Huh-uh. It's how they met.

R.K.: How did they meet?

[redacted].: Through me.

R.K.: Through you.

[redacted].: Uh-huh.

R.K.: Is this -- they met through you af -- once you and Sean met at Dutch Brothers?

[redacted].: Correct.

R.K.: You introduced them?

[redacted].: Uh-huh.

R.K.: Okay. And how -- uh -- did they normally communicate?

[redacted].: Uh -- through texts.

R.K.: Through texts?

[redacted].: Yeah.

R.K.: Okay. And where does [redacted] live?

[redacted].: Here.

R.K.: In --

[redacted].: Not --

R.K.: -- Folsom?

[redacted].: Yeah, two doors down.

R.K.: Oh, in this --

[redacted].: She's at --

R.K.: -- apartment?

[redacted].: -- work though.

R.K.: What's her apartment?

[redacted].: Uh -- what's mine, [redacted]?

R.K.: Yeah.

[redacted].: Hers is[redacted].

R.K.: [redacted] Um -- do you know roughly what time of year or when that was, the meet at --

[redacted].: I --

R.K.: -- Livermore?

[redacted].: -- couldn't even guess. I honestly, don't want to even guess.

R.K.: Okay. And back to the --

[redacted].: Oh, that's her.

R.K.: What's that?

[redacted].: Oh, that's her.

R.K.: Texting?

[redacted].: Yeah.

R.K.: Oh. Um -- [redacted], there was another time at a hotel room.

[redacted].: Was there? Not with me.

R.K.: Well, did you -- uh -- you never met up with Sean at a hotel?

[redacted].: No.

R.K.: Did you communicate about meeting at a hotel?

[redacted].: Uh -- we had talked about wanting to a long time ago.

R.K.: Yeah, what was the circumstances regarding that?

[redacted].: Uh --

R.K.: I'm going to move over here so the --

[redacted].: Do you want me to put him in another room --

R.K.: No -- no, it's okay.

[redacted].: Oh, because he's paper – I got it.

R.K.: Yeah -- yeah -- yeah.

[redacted].: Okay. Um -- I just had one get away from my husband where I couldn't leave yet, and -- um -- I had a hotel room. I had a hotel room a few times though so.

R.K.: And did he ever meet up with you?

[redacted].: No.

R.K.: No. But did he say why?

[redacted].: Um -- uh -- he said he was in therapy for issues and just trying to contain himself, I guess.

R.K.: Was he -- uh -- were you aware of his -- uh -- marital status?

[redacted].: Um -- he said that he was married, but that he was going to be separating, that they had a terrible marriage. That was about it.

R.K.: Okay. Do you know where he was living?

[redacted].: Uh -- I did know where he lived.

R.K.: You did?

[redacted].: Uh-huh.

R.K.: Had you been to his house?

[redacted].: No.

R.K.: Okay. Where was he living then?

[redacted].: Um -- I don't know the exact address. My cousin actually knew the address, so we drove by once.

R.K.: Okay. Do you --

[redacted].: I would not --

R.K.: -- know what --

[redacted].: -- have gone to his house --

R.K.: Do you --

[redacted].: -- no --

R.K.: -- what part of town it was?

[redacted].: Like the older and like behind Lowes.

R.K.: Behind Lowes?

[redacted].: Yeah.

R.K.: Okay.

[redacted].: Supposedly, he doesn't live there anymore, but I do not know where he lives now.

R.K.: So, he -- at that time, he was still living with his wife?

[redacted].: Yes.

R.K.: Okay. Was he aware of your marital status?

[redacted].: Yes.

R.K.: Okay. And -- uh -- at any time, did you guys have intercourse.

[redacted].: No.

R.K.: Never?

[redacted].: Huh-uh.

R.K.: Okay. Beyond the -- the incident with you Sean at Kemp Park, was there anything else --

[redacted].: No.

R.K.: -- uh -- beyond oral copulation --

[redacted].: No.

R.K.: -- and kissing and stuff?

[redacted].: Huh-uh.

R.K.: Okay. Is there any other times that -- you said at Lembi Park, you guys met up.

[redacted].: Uh-huh.

R.K.: When was that?

[redacted].: The day that -- that I -- I -- the day -- the day after -- um -- the two guys came to my house.

R.K.: Okay. Uh -- okay. And what -- what occurred there at Lembi Park?

[redacted].: We just had a conversation.

R.K.: And what -- do you remember the details of the conversation?

[redacted].: I don't. I think he tried -- or I think he wanted to not be friends anymore -- um -- because he's just like, oh, this is getting too crazy. And then -- um -- that was pretty much the -- what that conversation was about.

R.K.: Okay. Was that right around the time you guys stopped communicating?

[redacted].: No.

R.K.: No.

[redacted].: No.

R.K.: So, you guys have been communicating beyond that.

[redacted].: Uh-huh.

R.K.: Was that -- when was that meet? Was that before the other meets or after?

[redacted].: After.

R.K.: After the other three?

[redacted].: Uh-huh.

R.K.: Okay. Was there any other times you guys met up?

[redacted].: Huh-uh.

R.K.: No. Okay. Did you guys ever have conversations about -- uh -- uh -- anal sex and --

[redacted].: I'm sure we had --

R.K.: -- intercourse --

[redacted].: -- conversations regarding --

R.K.: -- and stuff.

[redacted].: -- all kinds of -- yeah, I'm sure we did.

R.K.: Okay. Did you guys ever send pictures and stuff?

[redacted].: Uh-huh.

R.K.: Okay. Was Sean ever in uniform?

[redacted].: No.

R.K.: No.

[redacted].: Not in his -- I think he had pictures in uniform, you know, just regular work pictures, They weren't --

R.K.: Inappropriate?

[redacted].: No.

R.K.: Okay. And when you guys communicated, was that -- uh -- normally -- how was that through?

[redacted].: Uh -- texts.

R.K.: Like straight up.

[redacted].: Messenger.

R.K.: Texts on the -- okay. Uh -- did you guys ever use so -- social media platforms?

[redacted].: Well, yes, it was -- uh -- Messenger – on Messenger.

R.K.: Okay.

[redacted].: On -- was on Messenger.

R.K.: Okay. I'm not -- is that Facebook or --

[redacted].: Uh-huh.

R.K.: Okay. Sorry, I'm not familiar with all that stuff. Um -- okay. Has -- uh -- when's the last time Sean's reached out to you --

[redacted].: The day that --

R.K.: -- or --

[redacted].: -- you guys gave him paperwork.

R.K.: And what -- what was said?

[redacted].: Um -- he just said I was told I was under investigation. And then -- uh -- that he was like -- uh -- for sexual misconduct and then he said he couldn't talk to me no more. And that was the last time I talked to him.

R.K.: Okay. Um -- did you ever talk with Sean -- uh -- after the officers came to your house?

[redacted].: Yeah.

R.K.: And did you ever tell him that we were going to be possibly investigating him?

[redacted].: Yeah.

R.K.: And did you -- uh -- tell S --

[redacted].: I just told him what they asked me.

R.K.: Okay. Did you s -- tell Sean that you guys needed to lie and not disclose anything?

[redacted].: Um -- I just said do I have to talk to them? And he's like I can't tell you what to do.

R.K.: Okay. Um -- your cousin, [redacted] --

[redacted].: Uh-huh.

R.K.: -- do you -- do you have a phone number for her?

[redacted].: Uh-huh. Uh -- Jesus. I'm not electronically retarded sorry.

R.K.: I'm -- I'm with you.

W.H.: We're all that way.

[redacted].: Um -- like I don't know if it's my age, like --

R.K.: Okay. All right. Um -- is -- is -- uh -- [redacted] aware of the investigation?

[redacted].: Uh-huh.

R.K.: Yeah, what did -- what did she say?

[redacted].: She said, oh, great.

R.K.: Okay. So, do you know if she'd be willing to talk with us?

[redacted].: I'm sure --

R.K.: You don't have to reach out to her. I'll --

[redacted].: She probably will.

R.K.: Okay. All right.

[redacted].: She's at work right now though.

R.K.: Do you know what time she gets off or?

[redacted].: Usually 6:00

R.K.: Six o'clock?

[redacted].: Yeah, like 6:00 is when she's home.

R.K.: Is that every day or?

[redacted].: Usually, yeah.

R.K.: She's M -- Monday through Friday, or?

[redacted].: Yeah. Lucky girl. We do the same thing, but she's got better hours, clearly.

R.K.: Monday through Friday, and what time does she start?

[redacted].: Um -- let's see, she's home -- or she's gone when I get home. And I get off at 6:00 in the morning so.

R.K.: Okay. So, she has a full day?

[redacted].: Yeah.

R.K.: Okay. I'll reach out to her. Okay. Anything else you can think to tell me?

[redacted].: Huh-uh.

R.K.: Or that I should --

[redacted].: I think --

R.K.: -- you think I --

[redacted].: -- you got it all.

R.K.: -- should know?

[redacted].: Got it all.

R.K.: Like I say, we're trying to clarify this and just get it as accurate as possible.

[redacted].: Right.

R.K.: Um -- uh -- do you have something --

W.H.: Yeah --

R.K.: -- um?

W.H.: -- um -- can you -- do you mind el -- elaborating on the Lembi -- or on the -- was it the Livermore Park -- uh -- and you said that she wasn't impressed -- uh -- with his size. I mean, was his penis exposed at that time?

[redacted].: I don't think he was exposed.

W.H.: Then how -- do you know --

[redacted].: He could --

W.H.: -- do you know --

[redacted].: -- have been.

W.H.: -- she would have known?

[redacted].: But I ju -- I'm pretty she just grabbed him when they were having -- so. He was not exposed.

R.K.: Okay. As far as --

[redacted].: To my knowledge.

R.K.: Right.

[redacted].: So, yeah.

W.H.: Where were you -- where was -- where you at --

[redacted].: I was off --

W.H.: -- in relation to --

[redacted].: -- to the side. Um -- to the right.

W.H.: You said someone else's body -- uh --

[redacted].: Somebody what?

W.H.: You just don't know who's body was exposed like breasts and stuff, was that you are [redacted]?

[redacted].: Both at some point.

R.K.: Both of you were?

[redacted].: Uh-huh.

R.K.: Okay. Did Sean grab you --

[redacted].: I don't --

R.K.: -- as well?

[redacted].: -- remember. I don't think so.

W.H.: Did he --

[redacted].: I don't know. I really -- I don't remember.

R.K.: Okay.

[redacted].: Could have.

R.K.: Could have? Okay. Um --

W.H.: Were you guys like gave him a show -- what was --

[redacted].: Pretty much --

W.H.: -- I mean --

[redacted].: -- he didn't ask. He did not ask for us to.

R.K.: Well, does it -- uh -- I mean, it's fine.

W.H.: I'm just -- we're just trying to figure out --

[redacted].: Right.

R.K.: We're just trying to --

W.H.: -- un fold --

R.K.: -- get the details of the night. And like I said I understand some of this is uncomfortable to talk about with people you don't know, but -- um --

[redacted].: A little bit.

R.K.: Yeah.

[redacted].: Just a little bit, yeah.

R.K.: I --

[redacted].: You know, um -- it is what it is, whatever.

R.K.: Right.

W.H.: It is what it is.

R.K.: But we're adults and we know this stuff happens, and it's part of life. So --

[redacted].: Uh-huh.

R.K.: -- like I said, I mean, this -- this doesn't go beyond us and, you know, the others that are involved --

[redacted].: Uh-huh.

R.K.: -- in this --

[redacted].: And if it does --

R.K.: -- but --

[redacted].: -- it does. But I mean, it is what it is.

R.K.: Um -- so, d -- c -- could you describe what was going on?

[redacted].: Um --

R.K.: You guys met up.

[redacted].: Yeah, we --

R.K.: Your cousin was with you.

[redacted].: Uh-huh.

R.K.: And Sean met you there --

[redacted].: Uh-huh.

R.K.: -- in uniform?

[redacted].: Uh-huh.

R.K.: In his patrol car, you -- you guys were talking and then what

happened?

[redacted].: Um -- I don't remember if sh -- we just flashed him. That's all. I don't remember who -- who did it first or not. I don't remember. I'm getting old.

R.K.: Okay. Did --

[redacted].: But we both did, I know that.

R.K.: -- did you make out with Sean --

[redacted].: No.

R.K.: -- that night?

[redacted].: Huh-uh.

R.K.: Did [redacted] make out with Sean?

[redacted].: Possibly. I don't remember.

R.K.: When --

[redacted].: Could have.

R.K.: -- when would she have grabbed him?

[redacted].: Uh -- when they were hugging. She could have -- she could have been kissing him and that's when -- I don't -- I don't remember.

R.K.: Okay.

W.H.: Was she --

R.K.: Uh --

W.H.: -- clothed during that time?

[redacted].: Partially.

W.H.: Like partially --

[redacted].: That was like --

W.H.: -- when --

[redacted].: -- when she flashed him so. But she had all her clothes on. She never took like clothes off.

W.H.: Oh, okay.

R.K.: What was Sean's reaction?

[redacted].: Probably shock.

R.K.: Okay.

[redacted].: Shock is what -- what I can remember.

R.K.: Was he going along with it?

[redacted].: He wasn't saying not to.

R.K.: Okay.

W.H.: Whereabouts in Livermore Park was this at, do you know? Do you remember? Is it by the football fields or by the volleyball courts?

[redacted].: Uh -- there's volleyball courts there?

W.H.: Yeah, there's like sand volleyball courts there --

[redacted].: I didn't even --

W.H.: -- and little --

[redacted].: -- know that. Uh -- near the playground?

R.K.: By the playground?

[redacted].: Yeah.

R.K.: So --

W.H.: right there --

R.K.: -- probably closer by the water tower. There's a big metal water tower there.

[redacted].: Is there? There's like a playground and like a back --

R.K.: Like a hill?

[redacted].: -- parking lot.

R.K.: Okay. And then on the other side would be the football field?

[redacted].: Uh-huh.

R.K.: Okay.

[redacted].: Like up would be the football field.

R.K.: Yeah.

W.H.: Yeah.

[redacted].: Yeah.

W.H.: Were you guys in the parking lot or just like out in the back in the --

[redacted].: In the --

W.H.: -- bushes --

[redacted].: -- parking lot.

R.K.: Okay, did you guys come together? Your cousin and you?

[redacted].: Uh-huh.

R.K.: Yeah. All right. All right. Anything else?

[redacted].: (No audible response.)

R.K.: Sergeant -- uh --

W.H.: No.

R.K.: -- Herndon?

W.H.: nope --

R.K.: No.

W.H.: Just gona --

R.K.: Okay. All right, I'm going to conclude this interview. The time is 11:48 a.m. (Recording Ends)

- INTERVIEW CONCLUDED -

- INTERVIEW -

W.H.: Okay.

[redacted].: In the room.

R.K.: This is -- uh -- Sergeant Kehm -- uh -- representing the Pres -- Professional Standards Unit. I'm here at [redacted] apartment and present is [redacted] and my partner, Sergeant Warner Herndon. Um -- the time is 8:02 on September 14th, 2022. All right, [redacted] -- um -- so you -- you spoke with your cousin. You kind of know what's going on, and why we're here to speak with you.

[redacted].: Yeah.

R.K.: Um -- I just want to explain, basically, that when we receive as a department a -- an allegation -- uh -- we have to investigate it to not only, one, if the officer's innocent, then we need to prove that; or if there is miscontuct -- condac -- uh -- misconduct by the officer that, at same time, we need to police our own and make sure that if there is -- if that is the situation, we need to correct it. Okay. Um -- so, do you know Officer Sean Stokhaug?

[redacted].: Uh-huh.

R.K.: Okay. How do you know him?

[redacted].: Through my cousin.

R.K.: Through -- uh -- [redacted]?

[redacted].: [redacted].

R.K.: Okay. And how -- how did that occur?

[redacted].: Um -- talking on the phone.

R.K.: Talking on the phone.

[redacted].: Uh-huh.

R.K.: I mean, how did -- uh -- your cousin introduce you guys?

[redacted].: Um -- we met up at a park.

R.K.: Uh -- and do you know what park that was?

[redacted].: I don't have any -- Livermore.

R.K.: Livermore Park over off -- uh -- Riley?

[redacted].: Yeah.

R.K.: It's the one that has the -- uh -- water --

[redacted].: Water.

R.K.: Yeah, okay. Do you know -- had there been any -- uh -- contact between you and Sean prior to that?

[redacted].: Uh -- yeah, on the phone.

R.K.: On the phone?

[redacted].: Uh-huh.

R.K.: And -- uh -- how did that come about?

[redacted].: Uh -- [redacted] three-waying.

R.K.: What's that?

[redacted].: [redacted] having him on three-way.

R.K.: Okay. Do you know when that was?

[redacted].: No.

R.K.: No.

[redacted].: Huh-uh.

R.K.: So, how did -- how did the conversation of Sean come up with you from [redacted]?

[redacted].: Um -- I'm not understanding your question.

R.K.: So, was [redacted] in a relationship with Sean?

[redacted].: No.

R.K.: No. How did -- did she bring Sean up to you, like mention him and --

[redacted].: Um -- she was just interested in him, so she would talk about him.

R.K.: Okay. Okay. And then how did -- from there, how did you start

communicating with him?

[redacted].: Uh -- I don't know. She introduced us over the phone, and then we started chatting, and -- and yeah.

R.K.: How -- did you guys phone conversate?

[redacted].: Yeah.

R.K.: Uh -- voice or --

[redacted].: Um -- no, online.

R.K.: Online, like -- uh -- through social media?

[redacted].: Uh-huh.

R.K.: Okay. Did you guys use any other form of messaging?

[redacted].: I don't think so. No.

R.K.: Not directly through like the phones. It was always through social media?

[redacted].: Uh-huh.

R.K.: Okay. What app did you guys use?

[redacted].: Facebook.

R.K.: Facebook Messenger?

[redacted].: Uh-huh

R.K.: Okay. Um -- what would you guys talk about?

[redacted].: Sexual things.

R.K.: Okay. Uh -- any specifics?

[redacted].: Uh-huh

R.K.: Like I told you because I know this is uncomfortable. We don't know each other and it's -- it's not a comfortable thing to talk about, one, with people you don't know; two, you know, it's -- it may seem embarrassing to you, but it's just -- remember we're all adults here, and we're here for a reason. And we need to clarify all this, so I know it -- sometimes it may seem awkward, but it's important that

we get details. Okay.

[redacted].: Uh-huh

R.K.: Um -- so, you guys would talk about sexual stuff. Did any of those conversations actually lead to in person contacts?

[redacted].: Yeah.

R.K.: And when -- when was that?

[redacted].: Uh -- I don't know the timing when we met at the park.

R.K.: So, it was just the one time at the park?

[redacted].: Uh-huh.

R.K.: And that was the only time you guys met in person?

[redacted].: Right.

R.K.: Was there anybody else at the park with you?

[redacted].: [redacted].

R.K.: [redacted]. So, it was you, [redacted], and Sean?

[redacted].: Uh-huh.

R.K.: Was Sean on duty?

[redacted].: Yes.

R.K.: Was he in his uniform and with his patrol vehicle?

[redacted].: Yeah.

R.K.: Okay. Do you mind telling me the circumstances of that meet?

[redacted].: Um -- he was rubbing on us, and --

R.K.: How so?

[redacted].: Rubbing our boobs, and --

R.K.: Through your clothing?

[redacted].: Yeah.

R.K.: Okay. Was you boobs ever exposed?

[redacted].: Yes.

R.K.: Okay.

[redacted].: We showed him our boobs, and then it went a little touching from there, and then that was it.

R.K.: Touching, what do you mean? So, you showed him the boobs and then --

[redacted].: Uh-huh.

R.K.: -- he started touching your guys' boobs?

[redacted].: Yeah.

R.K.: Both you and [redacted]'s?

[redacted].: I'm not sure if he touched [redacted]'s boobs or not. I'm pretty -- he must have. I know he touched mine. I wasn't paying attention to [redacted].

R.K.: Okay. And where was this occurring at?

[redacted].: At the park.

R.K.: Uh -- I get that, sorry. Um -- was this like --

[redacted].: Outside of the vehicle.

R.K.: Okay. Outside of his vehicle or-- yeah.

[redacted].: Uh-huh.

R.K.: Okay. Um -- did it go further than the exposed breasts and touching of the breasts?

[redacted].: No.

R.K.: Did you guys make out?

[redacted].: No.

R.K.: You never made out?

[redacted].: Huh-uh.

R.K.: Okay. Um -- was there any touching of his genitals or your genitals?

[redacted].: Yes.

R.K.: And how so?

[redacted].: Him touching me and me touching him.

R.K.: Okay. Was that through the clothing --

[redacted].: Yeah.

R.K.: -- under the clothing?

[redacted].: Through.

R.K.: Through the clothing. Okay. Um -- so, he touched your genitals through your clothing and then, in return, you did the same to him?

[redacted].: Yeah.

R.K.: Okay. Um -- did it progress to -- any further than that?

[redacted].: No.

R.K.: Okay. Um -- about how long did this occur?

[redacted].: Um -- it was fast. It wasn't very long. I don't know. Maybe ten minutes if that.

R.K.: Okay. Uh -- was there any climax?

[redacted].: No.

R.K.: From either you or him?

[redacted].: Huh-uh.

R.K.: Okay. Um -- was he erect?

[redacted].: No.

R.K.: No. Okay. Um -- where was [redacted] at this time?

[redacted].: Touching him as well.

R.K.: Okay.

[redacted].: Right next to us.

R.K.: So, it was the --

[redacted].: It was me and --

R.K.: -- three of you --

[redacted].: Yeah.

R.K.: -- participating.

[redacted].: Yeah.

R.K.: Okay. Um -- so she was grabbing his genitals as well?

[redacted].: Uh-huh.

R.K.: Okay. Were they making out?

[redacted].: I don't think they kissed.

R.K.: Okay. Um --

[redacted].: It was more rubbing.

R.K.: Just more -- okay. Um -- so do you know about what time of year this was?

[redacted].: Yeah, it was this year.

R.K.: This year?

[redacted].: Uh-huh.

R.K.: Do you know what time, what month, day, or anything?

[redacted].: Uh -- no.

R.K.: No. Do you know what time of --

[redacted].: so where in September --

R.K.: -- day it was?

[redacted].: It was at night. Um -- I don't know like maybe three months back. I don't know.

R.K.: Three months.

[redacted].: I have no --

R.K.: Okay.

[redacted].: -- idea.

R.K.: Do you -- you -- you said at nighttime?

[redacted].: Uh-huh.

R.K.: Okay. Do you have anything like on your phone that would indicate what month --

[redacted].: No.

R.K.: -- or time it was?

[redacted].: Huh-uh.

R.K.: No. Okay. Do you still communicate with Sean?

[redacted].: No.

R.K.: No.

[redacted].: Huh-uh.

R.K.: How come the communications stopped?

[redacted].: Um -- I -- my cousin -- uh -- pretty much asked me to stop talking to him. I don't know if it hurt her feelings or something. So, I stopped.

R.K.: Okay.

[redacted].: So, I blocked him.

R.K.: Okay. Okay. Did she communi -- continue to pursue a relationship with him?

[redacted].: Yeah.

R.K.: Okay. Um -- as far as you're aware, was there any sexual relationship prior to this or after this between Sean and your cousin?

[redacted].: Um -- not after. Um -- but I know they knew each other longer. I don't know what they did though.

R.K.: Okay. Did Sean try and read out -- reach out to you after -- uh -- you stopped communicating with him?

[redacted].: No.

R.K.: Okay. Um -- did Sean ever send pictures or anything to you?

[redacted].: Yeah.

R.K.: And vice versa?

[redacted].: Uh-huh.

R.K.: Did any of those pictures -- uh -- were they in his uniform --

[redacted].: No.

R.K.: -- or anything?

[redacted].: Huh-uh.

R.K.: No. Okay. Um -- did you ever go to Sean's house?

[redacted].: No.

R.K.: Has he ever been to your house?

[redacted].: No.

R.K.: Okay. Um -- had you ever been in Sean's vehicle?

[redacted].: No.

R.K.: Patrol vehicle?

[redacted].: No.

R.K.: No. Uh -- okay. And after that night, you guys don't communicate at all?

[redacted].: Um -- correct.

R.K.: Okay. And beyond that one incident in Livermore Park, was there anything else?

[redacted].: No.

R.K.: No other meet ups.

[redacted].: No.

R.K.: N -- sexual or not.

[redacted].: No.

R.K.: Okay. Um -- okay. And obviously, you -- everybody was consentin [sic] -- consenting in this moment.

[redacted].: Yes.

R.K.: Okay. All right. Is there anything else that you think I would need to know to clarify this whole ordeal?

[redacted].: No.

R.K.: Okay. All right.

W.H.: How did this night at Livermore come about? Were you guys just driving around and just saw him parked there or you guys -- what

happened.

[redacted].: Um -- I don't know how that came about. That would have been something [redacted] can answer because she was talking to him.

W.H.: Okay. And you said a --

[redacted].: Yeah, we were in the car --

W.H.: Were you --

[redacted].: -- together --

W.H.: -- guys at -- were guys already at the park?

[redacted].: No.

W.H.: Where were you guys at prior to that?

[redacted].: Um -- at [redacted]'s house, I think.

R.K.: Okay. Was this when she was still living on --

[redacted].: [redacted] Circle.

R.K.: Okay.

[redacted].: Uh-huh.

R.K.: All right. Um --

W.H.: And he was on duty, so he's, hey, just meet me over here, or she said meet me over here at the park, or --

[redacted].: I am guessing so. Because she just said give me a ride, so I did.

[redacted].: Mind if I check my food?

R.K.: Yeah, come on --

[redacted].: I don't have too --

R.K.: -- yeah, you can.

[redacted].: Okay. I don't want it to burn.

R.K.: Okay. All right. I think I'm -- uh -- that's it. Uh -- I'll conclude this interview, the time is 8:12 p.m. (Recording Ends)

- INTERVIEW CONCLUDED -

- TELEPHONIC INTERVIEW -

[redacted].: Sean is super sensitive. He's so sensitive it's to a weird degree where like he cried during -- watching Hamilton.

D.C.: Right.

[redacted].: And -- um -- and I was like why are you crying. And then he got upset. But I made fun of him crying. Like I wasn't trying to make fun of him, but who cries during Hamilton?

D.C.: Right.

[redacted].: And (inaudible) -- it's just -- uh -- okay, whatever. So, he has PT -- and so, okay. [redacted]

D.C.: I remember, yeah.

[redacted].: And yeah, you remember?

D.C.: Uh-huh.

[redacted].: How do you remember that?

D.C.: Well, I mean, I wor -- I work here. It's -- it's -- it's -- uh -- doesn't happen here very often.

[redacted].: Yeah. So, he has like -- uh -- [redacted] is my best guess.

D.C.: Right.

[redacted].: And -- uh -- it comes out a lot like I held him in my arms while he was bawling.

D.C.: Right.

[redacted].: And -- um -- but he is a nice person, but he's also super stubborn.

D.C.: Uh-huh.

[redacted].: Very much an asshole.

D.C.: Right.

[redacted].: And he feels entitled.

D.C.: Yeah, when -- when you talked to your mom, and she said, well, why don't you just tell him what happened, what were you referring

to? Tell me which part.

[redacted].: Like -- well, so I called 911, when I was leaving an ex's house. And I was like shit. I can't drive. And -- um -- so the sergeant pulled me over -- uh -- you said your what -- not every -- it may have been the same person. So, I got pulled over and whatnot, and I -- um -- uh -- I was like, hey, I can't drive home. I don't know how to get home.

D.C.: Right.

[redacted].: And so, then Sean and the sergeant came over, and he was really nice, and kind, and funny. And -- uh -- he loaned me his like weather pants.

D.C.: He -- I'm sorry --

[redacted].: And --

D.C.: -- he what?

[redacted].: He loaned me his weather pants, like the --

D.C.: Oh, right.

[redacted].: Yeah. And so, then I was like, okay, thank you.

D.C.: Uh-huh.

[redacted].: And -- uh -- then I was like, okay, well, I have to wash them and, you know, make sure they're dry and fold them nicely before you give them back, and you know, that's protocol.

D.C.: Right.

[redacted].: And -- uh -- so, then that's kind of where the -- the relationship started after that.

D.C.: Oh, okay.

[redacted].: But then, he never filed a report upon that call.

D.C.: What type of report would he have filed?

[redacted].: He did not file anything. Like if you pull -- have somebody -- if you pull over s -- if somebody calls you, he did not file that call.

D.C.: Okay.

[redacted].: There's no number for my call.

D.C.: Right. Okay. Um -- I mean, like are you saying that you were DUI -- that you were driving DUI and there was no call?

[redacted].: Well, okay, so essentially, I was dating a firefighter, and so I like left because we got in an argument, and I drove around the corner.

D.C.: Okay. Yeah.

[redacted].: And I was drinking.

D.C.: I -- I -- uh --

[redacted].: (Overlapping) --

D.C.: -- yes, I -- I remember -- I -- I've looked at this call before. Yes, there is a call.

[redacted].: Yeah.

D.C.: Okay. So, that call --

[redacted].: (Overlapping) --

D.C.: -- that -- that call actually was filed.

[redacted].: Okay. Can I have a number for that or -- uh -- like --

D.C.: Uh -- sure, but -- um -- I'd have to -- I'll have to look it up, and I will -- I'll get back to you on what they -- um -- the CAD number is.

[redacted].: Okay.

D.C.: Was there something else that you wanted to -- to tell me about that you didn't tell me this morning?

[redacted].: I just think that from what his wife's told me, I'm not the first one and I won't be the last one.

D.C.: Right. But like -- like I said, I'm not really -- I mean, I -- what people do --

[redacted].: What are you looking for --

D.C.: -- on their --

[redacted].: -- what do you want me to do? I -- I don't know what you want.

D.C.: So -- um -- earlier this morning, we talked about a -- a couple times, I think you -- you said it what's three at first, where he came by your house when you were living in Roseville, and he was -- um -- on his way home from like a training thing, and he stopped by your house. And you know, at -- at first you told me -- you said that you guys did have sex during each of those occasions, and then you said that it didn't happen. Um -- I -- and I'm just kind of looking to whatever the truth is. I'd just like you to tell me.

[redacted].: Like he comes -- he -- I don't know. It depends on which time --

D.C.: So, this would --

[redacted].: -- (overlapping) --

D.C.: -- have been --

[redacted].: -- e -- either -- I think this was like when he lived in Roseville, and it was like over a year ago.

D.C.: Right, but it would have been -- I would have -- think it might stand out in your memory because you telling me that you made fruit salad, and that you went into the car, and that you got the dog out, and then he told you that don't do that, because that's dangerous. So, it seems like you do kind of remember the date -- um -- and there was details that you do remember about it, and those are the times I'm talking about.

[redacted].: Okay. What do you -- what are you looking -- just ask me questions. That'll be easier.

D.C.: Okay. So, when he came over to your house those times, when he brought his patrol car over, and he came inside, and you guys had fruit salad, and it -- during any of those occasions, did you guys have any type of like sexual contact?

[redacted].: Yes.

D.C.: Okay. Can you tell me what occurred?

[redacted].: Uh -- no, I can't because sex -- sexual contact can be anything from like, you know, actual sex to like just touching and stuff.

D.C.: Right, so that's kind of what I'm looking for is was there --

[redacted].: Or making out --

D.C.: -- any --

[redacted].: -- kind of thing.

D.C.: Okay. Um -- so was there -- okay, well, then I -- if you want me to be specific, was there actual sexual intercourse that occurred during any of those times?

[redacted].: Honestly, I ca -- it's so long ago, I can't remember.

D.C.: Okay. But you do remember that you made him fruit salad, and that you took the dog out of the car, and that --

[redacted].: And obviously, there was kissing and hugging, and all that stuff, yeah.

D.C.: Okay. But nothing beyond that.

[redacted].: No, there was definitely beyond that, yeah.

D.C.: Okay. So --

[redacted].: Yeah (inaudible) --

D.C.: So, what -- what occurred beyond kissing and hugging?

[redacted].: Really, I mean, what are you going to go like third base?

D.C.: What's third base to you? I -- I --

[redacted].: Like, you know --

D.C.: I -- I don't really because I've heard many definitions of third base, and I'm not -- uh -- it could be completely something different to you, and I don't want to put words in your mouth.

[redacted].: (Inaudible) right now. I'm just going to (inaudible). Um -- I don't

know like he would touch my vagina with his fingers.

D.C.: Okay.

[redacted].: Gross. Never make me say that out loud ever again. Uck.

D.C.: Okay. Well, I mean, like it -- that's -- I mean --

[redacted].: Like if there's --

D.C.: -- that's not the --

[redacted].: -- uh --

D.C.: It's not the first time --

[redacted].: I (overlapping) --

D.C.: -- that's happened in history --

[redacted].: -- say that.

D.C.: -- in the history.

[redacted].: There's no polite way.

D.C.: Well.

[redacted].: Okay. Look, so we just lay in bed, and we watch shows, and then yeah, whatever.

D.C.: Okay. And -- and this happened while you were at the Ro -- at the Roseville house -- uh -- during one of the -- one of the times that he came by there after training.

[redacted].: Correct. But I'm not mad at it though.

D.C.: I know, I'm not mad at it either. I -- I'm not saying there's even anything wrong with it. I'm just trying -- like I said, I'm just trying to figure out what happened.

[redacted].: Yeah, it's not like it was uninvited.

D.C.: I -- there's -- I -- I -- I don't believe it was and I -- I -- hey, I don't believe it wasn't uninvited. I don't believe that -- I -- I understand what happens between adults in relationships. I mean, like so it's -- this not -- uh -- like a groundbreaking -- um -- admission right here.

[redacted].: All right, well, thank you.

D.C.: All right.

[redacted].: We all do --

D.C.: Right.

[redacted].: Uh-huh.

D.C.: During -- do you remember anything else about any other visits as far as any type of like act that you guys engaged in? As far as, I mean, was there ever like -- obviously, it's consensual, I -- I understand that. But --

[redacted].: Well, I used to meet him like all that time just to like say hi and give him kisses during work.

D.C.: Right.

[redacted].: Yeah.

D.C.: Yeah, obviously --

[redacted].: (Overlapping) --

D.C.: -- that -- you know, obviously, you mean while he was at work -- on duty.

[redacted].: Yes.

D.C.: Did -- how about any -- when I say sexual contact, I'm -- I'm talking about anything for -- other than just normal hugs and kisses. So, while he was on duty, did you ever gage -- engage in anything other than hugs and kisses?

[redacted].: Um -- well, we into his police car.

D.C.: Okay. And what happened?

[redacted].: I mean, same thing.

D.C.: What's -- what's that same thing? What do you mean?

[redacted].: I mean, I once jumped into his police car and he played with my clit ring, and it was --

D.C.: Right.

[redacted].: -- and it was a (inaudible) --

D.C.: Okay. Do you remember when that occurred or --

[redacted].: No.

D.C.: Okay.

[redacted].: I don't remember. It happened like a gajillion times.

D.C.: Oh, okay. So, like you jumped into his police car at one point, and he put his hands down your -- your pants and played with your clit ring.

[redacted].: Correct.

D.C.: Okay. Do you -- and you said that happened a million times or --

[redacted].: Yeah, just only a million.

D.C.: Only a million.

[redacted].: It was pretty much like, hey, how are doing today? Like I was there every day.

D.C.: Right. But this was in his poli -- the only times I'm really concerned about is when it happened in the police car. What you --

[redacted].: Oh.

D.C.: -- guys -- what -- or wa -- what you guys do on your own business, since you guys are dating, is your -- is your own business. Does that --

[redacted].: Okay, yeah. So, yeah, in his -- in the police car and then in my car as well.

D.C.: Okay. But was he at work during that time, or no?

[redacted].: Yes.

D.C.: Okay. Can you tell me about -- can you tell me about the time when he jumped into your car when he was at work.

[redacted].: Yeah -- uh -- so, across the street from Jamba Juice -- uh -- or

down the street from the Jamba Juice is an empty lot.

D.C.: Jamba Juice. Oh --

[redacted].: It was --

D.C.: -- like on --

[redacted].: -- Blue Ravine.

D.C.: -- Blue Ravine, yeah.

[redacted].: Right.

D.C.: Okay.

[redacted].: Uh-huh.

D.C.: Right.

[redacted].: So, down the street from there --

D.C.: Uh-huh.

[redacted].: -- uh -- kind of like where we used to like park.

D.C.: Right. And what -- uh --

[redacted].: (Overlapping) --

D.C.: -- what happened when he met you at the Jamba Juice?

[redacted].: Well, it -- so, we go kind of down the road --

D.C.: Uh-huh.

[redacted].: -- a little bit, and then there's like an empty like parking lot but they have cameras there, but nobody's ever there. And so --

D.C.: Right.

[redacted].: -- we'd meet and say hi, and hang out for like, you know, 20 minutes or so, until he got the call. He (inaudible) the whole time.

D.C.: Right. And when you guys were hanging out, was -- did you -- was there ever any type of sexual contact between you and Sean?

[redacted].: I mean, aside from what I told you, no.

D.C.: So, it -- so, during that time when you were at the Jamba Juice parking lot, he would just -- like you say, he would just put his

hands down your pants and play with your -- your ring?

[redacted].: Uh-huh.

D.C.: And that -- that happened like every time you guys were there?

[redacted].: I mean, hello, yeah.

D.C.: Okay. Well, I wasn't there, so I -- I -- I -- I don't know.

[redacted].: Okay.

D.C.: Um -- just --

[redacted].: Yeah, but no, we -- um -- I've -- uh -- I -- uh -- have never had sex like literal sex with him in his cop car.

D.C.: Okay. All right. Um --

[redacted].: Do I think that he does this with other females? Yeah, I'm aware. That's why Internal fucking affairs. Whatever the fuck you're called, is calling me. Like what kind of trouble is he in? Um -- that's what I want to know.

D.C.: Well -- um -- luckily for me, I -- I -- I don't make those decisions, but like I said -- uh -- he's already talked to me and -- and gave a full and complete statement. So -- um --

[redacted].: Hmm.

D.C.: -- if you had to estimate, you know, how many times you guys met, and he put his hands down your pants, and -- and played with your clit ring, how many times would you say that that occurred while he was on duty.

[redacted].: I don't know. I can't even say.

D.C.: Like ballpark.

[redacted].: It's been three years, and we met every day.

D.C.: Okay. And every day, he would do that?

[redacted].: No.

D.C.: Okay. Uh --

[redacted].: Jesus, I'm not no fucking magician.

D.C.: I mean -- I mean, would you s -- I -- I don't want to put a number in your -- in your mind, you know, so I'm hesitant --

[redacted].: No, yeah --

D.C.: -- to say like --

[redacted].: -- yeah. I don't have a number for you, but regularly is the answer I'm going to give you.

D.C.: So, regularly would be like once or twice a week?

[redacted].: No, I'd say three.

D.C.: Three times a week. Okay.

[redacted].: No, I'll go with twice.

D.C.: Twice? Okay. Did he ever, you know, take off any part of his -- uh -- uniform or --

[redacted].: I don't -- no, never.

D.C.: Never.

[redacted].: No.

D.C.: Okay. How about did he ever like unzip his pants and take -- um --

[redacted].: No.

D.C.: No.

[redacted].: No.

D.C.: Okay.

[redacted].: No, (inaudible) --

D.C.: Uh --

[redacted].: He's very good about his protocol.

D.C.: Right. Did this always occur in his car or was it in your car most of the time, or --

[redacted].: In -- um -- usually in my car.

D.C.: Usually, your car?

[redacted].: Yeah.

D.C.: Why is that -- just -- why is that?

[redacted].: Because he said that -- uh -- we can't be in my car, or something. I -- he just told me we shouldn't do that.

D.C.: Oh, you shouldn't be in the police car?

[redacted].: So, I -- so -- uh -- how can I explain this. So, like when it was like super cold or whatever, and he was like okay, come into my car, or if it was super hot, he'd be like, okay, like come into my car. But one time I was like, hey, jump in my car, and we were going to get In-N-Out and then (inaudible). And he's like I can't go into your car and go through the drive thru ---

D.C.: Oh, right.

[redacted].: -- as a cop. And so, I don't know.

D.C.: Okay.

[redacted].: Uh -- I don't know really know the protocols, but he -- sometimes he was here or there.

D.C.: Right, okay. All right. Uh -- and like -- I think -- I think you answered this question already, but is -- and I'm just talking about the on -- on duty stuff. Um -- you guys never had like f -- like full like sexual intercourse, or anything, while he was on duty?

[redacted].: Correct.

D.C.: Okay. The only times that he even showed up in a, you know, sort of a police uniform to your house, and you guys had sex, were the times that he -- um -- came from the training where he was showing you Astro?

[redacted].: From a training, yeah.

D.C.: Okay. And we think that -- that -- we're not sure how many times that happened, but --

[redacted].: We're not sure.

D.C.: I'm sorry, what?

[redacted].: (Inaudible) -- it's been years.

D.C.: Yeah, no, I know -- I know it's been like three and a half years, you said, so I know you're not going to under -- I know you're not going to know dates and times and all that kind of stuff.

[redacted].: Not going to understand. Thank you.

D.C.: Yeah, I -- I --

[redacted].: Uh-huh.

D.C.: -- I would not expect that. I'm just kind of looking for a general --

[redacted].: What did you have for breakfast yesterday?

D.C.: I'm sorry, what?

[redacted].: What did you have for breakfast yesterday?

D.C.: I don't eat breakfast.

[redacted].: Sorry. Yeah, but do you understand my point though? Yeah, I'm not going to remember something thr -- three and a half years ago.

D.C.: Yeah, no, I don't expect you to. I'm -- like I said, I'm just look -- kind of looking for like a general idea of what -- um -- you know.

[redacted].: What is your purpose here?

D.C.: What is my purpose? Like I said, I -- I conduct --

[redacted].: You're trying to clear him, right?

D.C.: I conduct personnel investigations, and like I said, I -- I --

[redacted].: You going to clear him, yeah?

D.C.: What I'm trying to do is just find out the truth of everything that happened, is what I'm trying to do.

[redacted].: Just clear him.

D.C.: Okay. Is there any -- uh -- uh -- when you talked to your mom, is there -- was there anything else that came to mind that was kind of

-- uh -- weighing on your conscience that -- uh -- something else you wanted to talk to me about as far as what happened between you and him on duty.

[redacted].: Yes.

D.C.: Okay. What was it?

[redacted].: He's hella fucking manipulative. He uses his position to -- uh -- I have (inaudible) is the thing that he has. He's uses his position -- um --

D.C.: Right. He uses his position.

[redacted].: Okay. stop, I just got new fucking cap. Like I just went to the dentist and they fucked -- uh -- like it -- okay. So, he manipulated -- uh -- he utilizes his position in a manner --

D.C.: Right.

[redacted].: -- that's seductive to women. I am not the first one, and his wife told me that.

D.C.: Right.

[redacted].: I'm not the second. Uh -- I'm the third.

D.C.: Okay.

[redacted].: And she said you won't be the last.

D.C.: Right. Do you know any of these other people's names?

[redacted].: No.

D.C.: Okay.

[redacted].: Oh, I do actually. [redacted] (phonetic).

D.C.: [redacted].

[redacted].: I think.

D.C.: Do you know her last name?

[redacted].: Be -- I do not. She's an officer from another area that he had an affair with.

D.C.: Okay.

[redacted].: So, he's just a cheater. I mean, but whatever. I do cheaters.

D.C.: Yeah. Yeah. Um -- as far as like the, you know, sexual conduct on -- on duty, is there -- was there any other instances that you -- um -- you know, besides what you've already described, the -- the meetings at Jamba Juice, and -- um -- was there anything else that occurred?

[redacted].: I mean, when he still had Rex we used to meet at the park and Rex would play around and stuff.

D.C.: Right. But that's just kind of normal like boyfriend/girlfriend stuff probably.

[redacted].: Yeah.

D.C.: Okay. And no -- there was no like -- any type of sexual conduct that --

[redacted].: No.

D.C.: -- occurred.

[redacted].: Because (inaudible) yeah --

D.C.: Okay.

[redacted].: -- by the library.

D.C.: Okay. By the library, right.

[redacted].: Man, that's awfully cute.

D.C.: Yeah.

[redacted].: Yeah, well, that's it.

D.C.: Okay. Well, I appreciate you -- I appreciate you calling me back and helping me --

[redacted].: I don't know what the fuck you're looking for. Just tell me what you're looking for so I can give you my answer.

D.C.: Uh -- all -- all I want is the truth. That I -- I don't need the right

answer, I just need the truth, that's it.

[redacted].: Uh -- hey, I pretty much gave it to you, but my mom fucking hates him.

D.C.: Right. Well, you said you pretty much gave it to me. Is there something you're holding back on or?

[redacted].: I don't --

D.C.: I understand you don't want to get him in trouble. And I -- I get that because you care for him even though you feel like, you know, you -- you also -- you also don't like him and care for him at the same. You know,, but at the same time, too, like we're all responsible for the decisions we make, right? And you're not responsible for someone that makes a decision that, you know -- uh -- that -- uh -- could potentially be harmful of them. That's not on [redacted], you know, that's on Sean, I guess. And so --

[redacted].: No. I don't want it to be on Sean. That's not my job.

D.C.: No, it's -- it's not my job either. But what I'm saying is that like you're saying like I don't want to get someone in trouble. Well, you know, we get ourselves into trouble sometimes, but other people don't get us into trouble.

[redacted].: You didn't make sense.

D.C.: Well, if I go out and rob a bank right now, and someone sees me do it, and they tell on me, they're not the ones getting me in trouble. I got myself in trouble by going out and robbing the bank, that's what I mean.

[redacted].: Snitches get stiches.

D.C.: I'm sorry, what?

[redacted].: Snitches get stiches

D.C.: Yeah, well, the bank didn't deserve to get robbed either, so that's

kind of how we -- that's kind of how we look at it. So, I'm just saying if there --

[redacted].: Like --

D.C.: -- if there's something else --

[redacted].: -- (overlapping). I -- uh -- there -- I don't know how to put my words on it. Yeah, he's a good human. He's going through a hard time.

D.C.: Yep, you and I both agree about that, too.

[redacted].: Like his dad just died, you know.

D.C.: Yeah, I -- I -- I --

[redacted].: And I think --

D.C.: -- know that.

[redacted].: -- he just needs like a mental break kind of a little bit.

D.C.: Maybe. I -- I -- maybe. I -- I -- I don't know.

[redacted].: No, I --

D.C.: But --

[redacted].: -- know. Just I (inaudible) -- I think that honestly. He just needs a mental break.

D.C.: Okay. Well, I -- if that's what he needs, then I -- I hope that he -- I hope that he gets that. Um -- but I, you know, that's --

[redacted].: Well, I don't think he should be working currently.

D.C.: Okay.

[redacted].: I think he needs like a little -- he -- uh -- he needs like a good six months --

D.C.: Yeah.

[redacted].: -- off.

D.C.: Okay. Well --

[redacted].: This man never fucking sleeps.

D.C.: Maybe that's something that he is -- um -- you know, that's maybe

-- uh -- something he's like looking into right now. I -- I don't really know. Um -- but we have tons of resources here at the Department that help out with those type of things as well.

[redacted].: Yeah, I'm aware.

D.C.: So, is there anything else that you can think of that you would want to tell me about? Uh -- and like I said, I'm just kind of -- only concerned with the on duty stuff.

[redacted].: I'm trying to think. No --

D.C.: No?

[redacted].: -- honestly.

D.C.: Okay.

[redacted].: I (inaudible) are you just trying to shoot him down?

D.C.: Nope. Like I said, just trying to get to the -- the bottom of it and get the full story so that I can -- uh -- so I know the full story. And that, you know, I mean that's my job is to get to the bottom of it, find out the truth. And then, I don't make decisions on this kind of stuff, you know. But I do -- I do appreciate you calling me back and -- um -- tell your mom --

[redacted].: Yeah --

D.C.: -- thank you --

[redacted].: -- (overlapping) --

D.C.: -- as well. And -- uh -- like I said, if there's anything else that -- that comes up that you remember, feel free to -- uh -- reach out, okay?

[redacted].: Okay. Sounds good.

D.C.: All right, thank you.

[redacted].: Take him off duty, he's a terrible person.

D.C.: All right, thank you, [redacted], I appreciate it.

[redacted].: All right, bye.

D.C.: All right, bye. (Recording Ends)
